Taunton Deane Borough Council

Community Scrutiny Committee – 27th April 2017

Dog Waste Bins

This matter is the responsibility of Councillor Patrick Berry

Report Author: Richard Burge - Open Spaces Manager, Deane DLO

1 Purpose of the Report

1.1 This report aims to update the Committee on the current arrangements for the provision, maintenance and emptying of Dog Waste Bins in Taunton Deane, their funding and locations.

2 Recommendations

2.1 Members are requested to note the report.

3 Risk Assessment

Risk Matrix

Description	Likelihood	Impact	Overall
Income from external sources to cover the costs of installation, maintenance and emptying of Dog Waste Bins may not be sufficient to cover costs.	25	1	25
Mitigation measures: Increases will be applied to bring external customers into an equal positon to internal customers and cover costs.	5	1	5

3.1 The scoring of the risks identified in the above table has been based on the scoring matrix. Each risk has been assessed and scored both before the mitigation measures have been actioned and after they have.

4 Background to the Report

- 4.1 Cllr Prior-Sankey requested a report on Dog Bins be brought to Community Scrutiny with support from Cllr Coles. The information requested included the number of bins in operation and their locations, the costs of purchasing and maintaining them, the frequency and cost of emptying and which organisations fund them.
- 4.2 The DLO's Parks & Open Spaces department is responsible for the installation and emptying of Dog Bins. The budget for this service is held by the Environmental Health Department who act as the Client.

4.3 Some internal departments and external organisations have decided to supplement the provision of Dog Waste Bins in their areas of responsibility and privately fund the purchase, installation and collection of additional bins.

5 Breakdown of Locations & Ownership

5.1 Across the borough a total of 235 Public Use Dog Waste Bins are in operation. From 1st April 2017 'Internal' bins emptied on behalf of the Council are scheduled to be emptied three times per fortnight, additional 'External' bins are emptied twice per week.

Owner	Number of Bins	Number of Collections
	Internal	
Environmental Health	170	13260
TDBC OS	5	390

WIVELISCOMBE AND WEST DEANE	3	1

6 Costs

6.1 TDBC Funded Bins: 171

Supply & Installation of Bin: £345

Emptying of bins: £2.85 per visit

This is a cost only charge based on the time taken by the Open Spaces Team.

6.2 Privately Funded Bins: 64

Supply & Installation of Bin: £345

Emptying of bins: £2.85 per visit

It became clear during the research for this report that this charge had not been increased at a rate to match cost and resulted in an under recovery of £832 per year. This has been corrected and all private customers currently paying for this service have been written to advising them of the increase to £2.85 per visit.

8 Links to Corporate Aims / Priorities

7.1 The Parks & Open Spaces department's management of Dog Waste bins contribute to the corporate priorities and includes a modest financial contribution to central recharges and to the budget position as part of the overall income generated by the department.

8 Finance / Resource Implications

8.1 The financial implications are given in this report.

9 Legal Implications

9.1 There are no implications in respect of this report.

10 Environmental Impact Implications

10.1 There are no implications in respect of this report.

11 Safeguarding and/or Community Safety Implications

11.1 There are no implications in respect of this report.

12 Equality and Diversity Implications

12.1 There are no implications in respect of this report.

13 Social Value Implications

13.1 There are no implications in respect of this report.

14 Partnership Implications

14.1 There are no implications in respect of this report.

15 Health and Wellbeing Implications

15.1 There are no implications in respect of this report.

16 Asset Management Implications

16.1 There are no implications in respect of this report.

17 Consultation Implications

17.1 There are no implications in respect of this report.
