County Council Vision

- Our Vision is all about improving lives by creating:

 A thriving and productive County that is ambitious, confident and focussed on improving people's lives

 A County of resilient, well-connected and compassionate communities working to reduce inequalities.

Outcomes	productivit	-	ucture that	drives	• A County of resilient, well-connected and compassionate communities working to reduce inequalities. • A County where all partners actively work together for the benefit of our residents, communities and businesses and the environment in which we all live. • A County Infractructure that drives are seen and well belonged communities. • A County Infractructure that drives are seen and well belonged communities. • A County Infractructure that drives are seen and well belonged communities.														
Strategic O	A County Infrastructure that drives productivity, supports economic prosperity and sustainable public services				Safe, vibrant and well-balanced communities able to enjoy and benefit from the natural environment				Fairer life chances and opportunity for all				Improved health and wellbeing and more people living healthy and independent lives for longer				Meeting the Council's challenges: sustainability, quality and focus
