Agenda item 9 - Audio recordings of Committee meetings

To assist the committee with its discussion, the following is an extract from the Constitution (as agreed in May 2018) regarding the provisions relating to the council's audio recording of its main decision making meetings:

Public and press are welcome to record / film / transmit the proceedings of formal meetings in accordance with the Somerset County Council Recording Protocol set out in Part 2 of the Constitution.

The Council makes audio recordings of its main decision making meetings – Full Council, Cabinet and Regulation Committee – available to access on the website immediately following meetings and until the minutes of the meeting have been signed as a correct record at the next meeting. Audio recordings are also made separately available to members via private access arrangements for the same period. Other formal meetings may be recorded on an ad-hoc basis depending on the circumstances and those attending will be informed where this is the case in advance of the start of the meeting.
