

Pensions Committee Scheme of Delegation

Introduction

In order to meet its obligations from time to time the Pensions Committee will find it necessary to delegate certain functions to officers. This document provides a clear framework around standard operating functions as to what decisions and operations have been delegated to officers and what has been retained by the Committee.

All references in this document to the Chief Financial Officer means the most senior finance officer and appointed Section 151 Officer of Somerset County Council, it does not refer to a job title for that individual. Where committee delegates tasks to the Chief Financial Officer they are then free to assign tasks to other officers at their discretion.

In practice the majority of tasks relating to benefits administration are delegated to Peninsula Pensions, a shared administration team with Devon County Council, and the majority of investment decisions are delegated to the internal Investments team.

When delegating the Chief Financial Officer must ensure that the officers undertaking the delegated tasks have sufficient knowledge and experience to undertake those tasks.

This scheme of delegation will refer in turn to each of the main responsibilities of the Committee as laid out in the Committee's terms of reference.

The Chief Financial Officer is responsible for ensuring the legal operation of the fund and will bring matters of significance to the attention of the Committee.

Ensure all contributions due are collected from employers.

The Chief Financial Officer will maintain procedures to ensure relevant employers pay contributions and that these contributions meet the requirements set by the fund's actuary.

Where relevant the Chief Financial Officer will decide if interest should be levied for late payment as permitted by the regulations.
