### 1. Summary

- 1.1 The pension fund is required to maintain a significant number of policies and statements in accordance with the LGPS regulations. Due to changes in regulations and SCC standing orders it is necessary to refresh the Pension Fund's scheme of delegation.

### 2. Issues for consideration

- 2.1 The committee is asked to formally adopt the new Scheme of Delegation which is attached as Appendix A, with or without amendment and the committee's discretion.

### 3. Background

- 3.1 The Pensions Committee Scheme of Delegation was bought in to put in place formal standard delegations from the Committee to officers to allow for the sensible day to day running of the Fund.
- 3.2 With the impending implementation of MIFID II officers believe that it is sensible to add further clarity to the scheme of delegation to aid any applications for professional client status.

### 4. Consultations undertaken

- 4.1 None

### 5. Financial Implications

- 5.1 Over time the performance of the pension fund investments will impact the amount that the County Council and other sponsoring employers have to pay into the fund to meet their liabilities. The fund actuary calculates these amounts every three years and sets payments for the intervening periods.
