

Item 5: Late Objection from Ms. Pamela J. Short

Received Wednesday 17th July via post.

14th July 2019.

Ms. P. A. Hickson.
Strategic Commissioning Manager,
S. C. E. Taunton.

Sir,

App. SCC/3640/2019.
New Primary School, Northfields, Somerton.

Thank you for notification of this matter.
I much regret I may be unable to attend the meeting
of the Regulation Committee on 16th July. I would
wish to draw attention to the Rubic dismay that the
old quarry site on Elsome Road is the only one that
the County Council could afford to buy for the long-
awaited new primary school in Somerton!

I must cautiously accept that my
deep concerns relating to pupil safety on
site have now been resolved, so that the Head
Teacher is confident on this matter.

I remain dismayed that the Highways
Officers still consider the area of Elsome/Cony
Way/Highped as being "left traffic".
This I believe to be wrong.

In order to make the school journey less
dangerous; Cony Way must be made wider,
by using the verge to the North side of the road.
The junction with Elsome Road, already very
dangerous, should be amended so that
motor traffic does not turn right into

over

Northfield.

I trust that following a review, the
surface water storage on this site, will now
be put under ground. This will free up a
little extra green surface area to the front
of the school.

Thank you for your attention to these
matters.

St Michael and All Angels Church,
Market Square

Somerton
