The CYPP has been produced following a multi-agency process, overseen by Somerset Children's Trust. Seven improvement programmes have been identified – our work is focused on ensuring progress and achievement within these 7 programmes:

1. Supporting children, families and communities to become more resilient
2. Promoting healthy outcomes and giving children the best start in life
3. Improving emotional health and wellbeing
4. Building skills for life
5. Providing help early and effectively

(What impact does that have on the Children in Somerset?)
