Programme:	5 Providing help early and effectively		
Delivery Group:	Early Help Strategic Commissioning Board	Year:	2018/19
Delivery Group Chair:	Philippa Granthier, Assistant Director, Commissioning and Performance	Report	
Scrutiny Committee Champion:	Cllr. Jane Lock	Date:	13 th July 2018

1. Overall Improvement Programme Status			
Current Status:	GREEN	Status Trend: (delete as appropriate)	
Reason for current status:	This quarter shows some positive actions with work progressing with the implementation of the Family Support Services model, and the successful launch of the Think Family Strategy and promotion at the first of the 'Children are the future of Somerset: Is what we do good enough for our children and their families?' multi-agency roadshows.		

2. Progress since last Highlight report

Include evidence of how the plan has incorporated the voice and needs of children

Achievements:

- Work is progressing with the implementation of the Family Support Services, to ensure safe transfer of staff from getset and Somerset Partnership to Public Health to ensure safe service delivery on the 1st April 2019. Accommodation work is progressing to map all getset and public health staff bases
- A positive workshop was held on the 6th June 2018 with partners committing to developing a
 more effective dashboard, to help us regarding effectiveness of early help as highlighted by
 Ofsted. Draft scorecard to be sent to the Early Help Strategic Commissioning Board
- The Early Help Commissioner has met with the SEND Advisor Christian Kelly, to improve the use of the EHA (Early Help Assessment) in identifying SEND
- Think Family Strategy was launched with a presentation and film at the 'Children are the future of Somerset: Is what we do good enough for our children and their families?' multi-agency roadshows. Four have been planned, two were successfully undertaken in June, and two more are planned for July

• Troubled Families (TF) is implementing a recovery plan to ensure Somerset achieves all the TF 'paid by results' grant available
