In summary and reflecting on the responses to a number of questions raised in the call-in review including, data, demand for services, caseloads for workers and reductions in staff the Committee did not feel that the additional supporting evidence, which it noted had not been considered by the Cabinet, had provided assurance about the decision taken by the Cabinet in respect of CAF14a.</p> <p>The Committee agreed to uphold the call-in and in light of clarification provided by officers during its call-in review of proposal CAF14a, to request that the Cabinet: Receive a report from the Director of Children's Services at its next meeting,</p>	Completed, follow up report to 19 October meeting, after Cabinet meeting.
