- 1.9 After these “hearings”, each relevant Scrutiny Committee will meet separately to decide on what comment, view or recommendations (if any) it wishes to make to the Board.
- 1.10 Where the account to be given to the Scrutiny Committee requires the production of a report, then the SWB Member or officer concerned will be given sufficient notice to prepare the documentation.
- 1.11 A SWB member who is also a member of a Scrutiny Committee or a sub-committee of such a committee should regard himself as having a personal and a prejudicial interest if a Scrutiny Committee consideration relates to a decision made, or action taken, by the Board or any sub committee of the Board.

The Joint Scrutiny Panel is not a formal scrutiny body as defined in paragraph 13.1 or within this Appendix but it may make recommendations to the Board or to individual partner authorities so far as they concern matters associated with the function or activities delegated to the Board.
