Referral to the Regulation Committee

The inclusion of two stars (**) as part of the Development Manager's recommendation indicates that the application will need to be referred to the District Council's Regulation Committee if the Area Committee is unwilling to accept that recommendation.

The Lead Planning Officer, at the Committee, in consultation with the Chairman and Solicitor, will also be able to recommend that an application should be referred to District Council's Regulation Committee even if it has not been two starred on the Agenda.

Human Rights Act Statement

The Human Rights Act 1998 makes it unlawful, subject to certain expectations, for a public authority to act in a way which is incompatible with a Convention Right. However when a planning decision is to be made there is further provision that a public authority must take into account the public interest. Existing planning law has for many years demanded a balancing exercise between private rights and public interest and this authority's decision making takes into account this balance. If there are exceptional circumstances which demand more careful and sensitive consideration of Human Rights issues then these will be referred to in the relevant report.
