

ACTION LIST from Area East Committee – 14 March 2018

Item	Action Requested	Action taken/by whom
1	Contact John Nicholson regarding gully work in Limington	<p>TC sent an email on 22/13/18.</p> <p>Response from JN received on 27/03/18.</p> <p>The mainstay is that it was not suitable to block the outlet in the gully so we needed access to the manhole and a gully emptier to be on site. The recent weather has been an issue and restricted resource to be able to do this. The SCC contractor has advised me they will be on site in the a.m of 28th March.</p>
2	Write to Parishes/Towns thanking them for the response to the SSCAT request for funding.	Letters sent out to all TCs/PCs originally contacted.
