

## Planning Applications – October 2009

Planning Applications will be considered at approximately 2.15 p.m.

### Members to Note:

*The inclusion of asterisks \*\* as part of the Head of Development & Building Control's recommendation indicates that the application will need to be referred to the Regulation Committee if the Joint Area Committee is unwilling to accept that recommendation. The Lead Planning Officer, at the Committee, in consultation with the Chairman and Solicitor, will also be able to recommend that an application should be referred to Regulation Committee even if it has not been two starred on the Agenda.*
