

Area West – Reports from Members on Outside Bodies

Communities Lead: Helen Rutter, Communities Lead
Service Manager: Tim Cook, Area Development Lead (East/West)

Purpose of the Report

To introduce reports from members appointed to outside bodies in Area West.

Public Interest

Each year Area West Committee appoints local Councillors to serve on outside bodies (local organisations) in Area West. During the year Councillors make a report on the achievements of those organisations and other relevant issues.

Background

To replace “Reports from members on outside organisations” as a generic standing agenda item it was agreed at the August 2012 meeting to include specific reports about each organisation in the Committee’s forward plan.

Members were appointed to serve on ten outside bodies at the June 2017 meeting.

Reports

Reports can be verbal or written. There is no standard format, but if possible they include an explanation of the organisations aims, their recent activities, achievements and any issues of concern.

This month the member report is :

Chard and District Museum – Cllr. Amanda Broom

Recommendation

That the report is noted.

Financial Implications

None.

Council Plan Implications

Focus Four: Health and Communities – We want communities that are healthy, self reliant and have individuals who are willing to help each other.

Background Papers: None
