Further Information

None

In determining the Application with a view to promoting the licensing objectives in the overall interests of the community, the Committee must have regard to and give appropriate weight to the following considerations:

- Any relevant and valid representation (including supporting documentation received)
- The Latest Guidance issued under s182 of the Act
- The Statement of Licensing Policy issued in January 2014
- The steps appropriate to promote the licensing objectives as set out in s18(4)
- Human Rights considerations in particular Article 6, Article 8 and Article 1 of Protocol 1

Options

The options available to the committee in this case are as follows:

- Grant the licence subject to such conditions which are consistent with the operating schedule modified to such extent as the Authority considers appropriate for the promotion of the Licensing Objectives and any condition, which must under s19-21, be included in the licence s18(4)(a)(i)(ii) together with the new mandatory conditions.
- Exclude from the scope of the licence any of the licensable activities to which the application relates s18(4)(b)
- Refuse to specify a person in the licence as the premises supervisor
- Reject the application s18(4)(d).

Right of Appeal

Schedule 5 of the Licensing Act 2003 sets out the rights and procedures for making appeals against the decision of the Licensing Authority:

Where the Licensing Authority has rejected an application for a premises licence, the applicant may appeal to the Magistrates' Court against the decision to reject.

Where the Licensing Authority has granted the licence, the holder of the licence may appeal to the Magistrates Court against any decision to impose conditions on the licence that are consistent with the operating schedule or imposed where having regard to any relevant representations, are considered appropriate to promote the licensing objectives.

Where the Licensing Authority has granted the licence subject to the exclusion of any of the licensable activities or refused to specify a person as the premises supervisor, the holder of the licence may appeal to the Magistrates Court against the decision.

Where a person who made a relevant representation desires to contend that the licence ought not to have been granted, or that on granting the licence, the Licensing Authority ought to have imposed different or additional conditions, or ought to have taken a step to exclude a licensable activity or refused to have specified a person as the premises supervisor, he may appeal against the decision to the Magistrates Court.

The appellant commences the appeal by giving a notice of appeal to the designated officer for the Magistrates' court within 21 days beginning with the day on which the applicant was notified by the Licensing Authority of the decision appealed against.

On determining the appeal, the court may,

- Dismiss the appeal
- Substitute for the decision appealed against any other decision which could have been made by the Licensing Authority; or
- Remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.

and may make such order as to costs as it thinks fit.
