A further notice was placed in the Western Gazette on 17 December 2015 of which we have a copy.

Representation – Responsible Authorities

None

Representations – Other Persons

A relevant representation was received from an Other Person which mainly concerned the potential issues of an increase in drunken and inappropriate behaviour in the area and an increase in litter.

Three letters further letters were also received that were not considered to be relevant representations as the grounds of 'need' for another licensed premises and 'location' are not grounds that can be taken into consideration as it is not within the Yeovil cumulative impact area. Proximity to another licensed premises and commercial grounds are also not taken into consideration; those persons were written to and advised accordingly.

Where the Licensing Authority has rejected an application for a premises licence, the applicant may appeal to the Magistrates' Court against the decision to reject.

Where the Licensing Authority has granted the licence, the holder of the licence may appeal to the Magistrates Court against any decision to impose conditions on the licence that are consistent with the operating schedule or imposed where having regard to any relevant representations, are considered appropriate to promote the licensing objectives.

Where the Licensing Authority has granted the licence subject to the exclusion of any of the licensable activities or refused to specify a person as the premises supervisor, the holder of the licence may appeal to the Magistrates Court against the decision.

Where a person who made a relevant representation desires to contend that the licence ought not to have been granted, or that on granting the licence, the Licensing Authority ought to have imposed different or additional conditions, or ought to have taken a step to exclude a licensable activity or refused to have specified a person as the premises supervisor, he may appeal against the decision to the Magistrates Court.

The appellant commences the appeal by giving a notice of appeal to the designated officer for the Magistrates' court within 21 days beginning with the day on which the applicant was notified by the Licensing Authority of the decision appealed against.

On determining the appeal, the court may,

- Substitute for the decision appealed against any other decision which could have been made by the Licensing Authority; or
- Remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.
