7. Access to Information - Exclusion of the Press and Public

During discussion of the following item(s) it may be necessary to pass the following resolution to exclude the press and public having reflected on Article 13 13.02(e) (a presumption in favour of openness) of the Constitution. This decision may be required because consideration of this matter in public may disclose information falling within one of the descriptions of exempt information in Schedule 12A to the Local Government Act 1972. The Executive will need to decide whether, in all the circumstances of the case, the public interest in maintaining the exemption, outweighs the public interest in disclosing the information.

Recommend that under Section 100A(4) of the Local Government Act 1972 the public be excluded from the next item of business on the ground that it involves the likely disclosure of exempt information as defined in paragraph 3 respectively of Part 1 of Schedule 12A of the Act, namely information relating to the financial or business affairs of any particular person (including the authority holding that information).

Please note that this meeting will be recorded. At the start of the meeting the Chair will confirm if all or part of the meeting is being recorded. You should be aware that the Council is a Data Controller under the Data Protection Act 2018. Data collected during the recording will be retained in accordance with the Council's policy. Therefore unless you are advised otherwise, by entering the Council Chamber and speaking during Public Participation you are consenting to being recorded and to the possible use of the sound recording for access via the website or for training purposes. If you have any queries regarding this please contact the officer as detailed above.

Members of the public are welcome to attend the meeting and listen to the discussions. There is time set aside at the beginning of most meetings to allow the public to ask questions. Speaking under "Public Question Time" is limited to 3 minutes per person in an overall period of 15 minutes. The Committee Administrator will keep a close watch on the time and the Chair will be responsible for ensuring the time permitted does not overrun. The speaker will be allowed to address the Committee once only and will not be allowed to participate further in any debate. Except at meetings of Full Council, where public participation will be restricted to Public Question Time only, if a member of the public wishes to address the Committee on any matter appearing on the agenda, the Chair will normally permit this to occur when that item is reached and before the Councillors begin to debate the item.

If an item on the agenda is contentious, with a large number of people attending the meeting, a representative should be nominated to present the views of a group. These arrangements do not apply to exempt (confidential) items on the agenda where any members of the press or public present will be asked to leave the Committee Room. Full Council, Executive, and Committee agendas, reports and minutes are available on our website: www.somersetwestandtaunton.gov.uk

The meeting room, including the Council Chamber at The Deane House are on the first floor and are fully accessible. Lift access to The John Meikle Room, is available from the main ground floor entrance at The Deane House. The Council Chamber at West Somerset House is on the ground floor and is fully accessible via a public entrance door. Toilet facilities, with wheelchair access, are available across both locations. An induction loop operates at both The Deane House and West Somerset House to enhance sound for anyone wearing a hearing aid or using a transmitter.
