1. Summary

- 1.1. This report provides an update for the Constituent Authorities on the Joint Committee's governance arrangements and budgetary position for 2019/20. The report contains recommendations for amendments to the Committee's Arrangements document following the governance review.

2. Recommendations

- 2.1. **Somerset West and Taunton Council is recommended to approve the amendments (shown in red) to the Committee's list of functions in the Arrangements document – Appendix A attached – and to note the updated budget position for 2019/20.**
- 2.2. **Somerset West and Taunton Council is recommended to agree to the reappointment of Somerset County Council as the Administering Authority to the Joint Committee for the period from 22 January 2020 to 21 January 2022.**

3. Reasons for recommendations

- 3.1 In recent months the Joint Committee has reviewed and updated its governance arrangements in the light of experience since its establishment in early 2018 and in response to changing Government policy and local circumstances. Some changes are required to the Committee's Arrangements document as a result and these need to be formally agreed by the Constituent Authorities. It is essential that the Joint Committee remains: fit for purpose, represents a sustainable way of working into the future; and delivers value for the resources committed to it by the Constituent Authorities.

4. Background

4.1 Review of the role and functions of the Joint Committee

- 4.1.1 The Constituent Authorities have previously agreed one addition to the list of delegated functions by giving the Joint Committee the function of agreeing the local authorities' input into the development of the HoSW Local Industrial Strategy (LIS).

- 4.1.2** In addition to the above policy development, the need to review the governance arrangements arose from:
- Changes in Government policy away from large devolution ‘deals’ to a more targeted dialogue on key themes of relevance to the local authorities and partners, eg, housing. The Joint Committee’s influencing role has become increasingly important as recognised by Ministers, local MPs and Government officials. The ambition remains to draw down additional functions, powers and funding from Government.
 - The evolution of the Joint Committee’s role from agreeing policy (the HotSW Productivity Strategy) to overseeing delivery of the Strategy alongside the LEP.
 - The developing relationships with other key local partnerships to ensure that there are appropriate reporting lines, ie, HotSW LEP Joint Scrutiny Committee, Peninsula Transport Board, Great South West, HotSW Local Transport Board.

4.1.3 Accordingly, the Committee has refined its focus into the following areas:

- Strategic policy development
- Influencing Government / key agencies to achieve direct intervention, support, funding and powers
- Designing and delivering strategic HotSW responses to ‘Government’ offers
- Designing and delivering public sector reform where this will deliver improved productivity, eg in health and education
- Delivering at scale –(beyond what individual councils can achieve)
- Oversight of the Delivery Plan – working with the HotSW LEP to ensure delivery of the HotSW Productivity Strategy.

It is not proposed at this stage to request the delegation of further functions from the Constituent Authorities to the Joint Committee.

These refinements to the focus of the Committee have been reflected in amendments to the list of functions contained in the Joint Committee’s ‘Arrangements’ document – see Appendix A attached.

4.1.4 The subject matter focus for the Joint Committee will fall into the following areas of the Delivery Plan:

- Housing – including bid(s) for strategic housing deal(s) designed, submitted and agreed resulting in additional investment into HotSW
- Major Route Corridor Study agreed and completed
- Agreed HotSW LIS which meets our transformational objectives
- Successful engagement plan with MPs / Ministers
- Successful operational phase of the Brexit work in collaboration with Government
- Preparation for / response to offers of public sector reform to improve productivity
- Agreement and submission of Coastal Communities proposal to Government seeking additional Government support for our coastal communities

- Development of the JC's investment framework required to deliver the Productivity Strategy within a new national funding environment.
- Enable the partners to prepare for and respond to opportunities arising from the Comprehensive Spending Review and the Shared Prosperity Fund.

4.2 Joint Committee Political Arrangements

- 4.2.1** The Committee has agreed to change its meeting arrangements to achieve a better balance between formal decision-making meetings (fewer) and more opportunities for informal engagement and challenge sessions.

In addition, two informal engagement sessions will be arranged per annum to engage relevant Portfolio Holders and Directors on Joint Committee business.

4.3 Joint Committee Management Support Arrangements

- 4.3.1** Comprehensive management support arrangements have been in place to support the partnership (and latterly the Joint Committee) since 2015. These have been recently reviewed and refined. To minimise direct support costs impacting on the Committee's budget, most of the officer resource is provided by the Constituent Authorities on an 'in-kind' voluntary basis. In addition, Somerset County Council was appointed as the Administering Authority to the Joint Committee to support and run the Joint Committee and its meetings. SCC has been paid for undertaking this role from the Joint Committee budget. Other direct budget contributions towards the Committee support costs have been allocated to refund those Constituent Authorities who have provided officer resources for project management capacity and administrative support to the Brexit Resilience and Opportunities Group.

- 4.3.2** The diagram in Appendix B shows the revised management support arrangements of the Joint Committee.

The revised arrangements provide for:

- A CEx Executive Group to lead the work of the Joint Committee and to include theme leads from the Delivery Plan. The membership of this Group is set out in Appendix B.
- Use of existing Devon and Somerset Chief Executives' and Leaders' meetings to support the work of the Committee;
- 1 x joint meeting per annum of the Devon and Somerset Chief Executives.
- Better alignment of the Joint Committee's support arrangements with the LEP.
- A Policy and Technical Officer Group of senior policy officers to focus on: delivery of the Delivery Plan; monitoring progress/measuring performance; and drafting responses to national policy changes.

- A dedicated and resourced programme management function, (funded from the Joint Committee’s budget) to manage Joint Committee business on behalf of the CEx Executive Group and in addition to the Administering Authority role. This arrangement was initially agreed for 6 months (April to Oct 2019) pending a review of the work load.

4.5 Joint Committee Budget Position

4.5.1 The Joint Committee remains completely reliant on the Constituent Authorities for its budget and there are no obvious sources of additional funding to support running costs or delivery of its work programme.

The Joint Committee budget as at the end of March 2019 was as follows:

Constituent Authorities	Contributions – 18/19 £	Expenditure – 18/19 £
County Council x2	10,500	40,000 – Administering Authority costs (including staffing, venue hire, publicity costs) 16,346 – Brexit admin support costs 9750 – Housing audit 5000 – Housing conference 8759 - Transport consultancy 660 - Portfolio-holder event costs
Unitaries x 2	4,000	
Districts / National Park Authorities x 15	1,400	
Underspend carried forward from Devolution Budget	66838	
Total	116,838	80513 36,325 (carry forward to 2019/20)

4.5.2 The Joint Committee budget covers the costs of running the Committee and the work programme. Contribution levels for each council tier are based on population levels. The Committee agreed earlier this year that a larger annual budget was likely to be required to fund work programme priorities in future years and approved ‘in principle’ to seek the agreement of the Constituent Authorities to double the 2018/19 core contributions as a one-year arrangement so giving maximum contributions in 2019/20 of:

County Council - £21,000

Unitary Council - £8,000

District Council / National Park Authorities – £2,800

For 2019/20 the Constituent Authorities have been invoiced for 50% of the amounts stated above. A second invoice was to be sent to each Constituent Authority for the other 50% in the autumn if the budget proved to be insufficient to fund the work required in 2019/20 and only if fully costed work programme proposals were available to justify the request.

The overall budget position for 2019/20 is detailed in the table in 4.5.3. There are no plans to invoice the Constituent Authorities for the second budget contribution for 2019/ 20 because of the need to take stock of the direction of the Committee’s work programme following the recent elections and delays in progressing discussions with Government as a result of Brexit. As it stands the contributions collected from the Constituent Authorities (£48,600) together with the underspend carried forward from 2018/19 (£36,326) totalling £84,926 is sufficient to cover the planned and anticipated costs for 2019/20 of £60k. A key unknown aspect of the work programme is the preparations for Brexit and the budget impacts of any work which the Committee may wish to commission. This will be kept under review in the coming months as the position becomes clearer.

4.5.3

Income	£ (,000)
Constituent Authority contributions	48,600 - committed 48,600 – in principle
2018/19 underspend	36,326
<u>Total</u>	133.5 (of which 48.6k is in principle)

Expenditure	£ ,000
Administering Authority Programme Office	20 – committed (for the year) 10 – committed (April to Sept) (Oct to March 2020 tbc but estimated at £10k)
Brexit Resilience and Opportunities Group – officer support costs	10 – in principle (April to Sept) (Oct onwards tbc but estimated at up to £10k)
Housing Task Force	Tbc
Growth Corridor Work	Tbc
MP/ Ministerial engagement	Tbc
Brexit work programme	Tbc
Coastal Communities proposal	Tbc
<u>Total</u>	£60k (including anticipated commitments detailed above)

4.5.4 Further discussions are planned as to how to establish a financially stable Joint Committee budget for future years as a pre-requisite to preparing a budget proposal for 2020/21 for submission to the Constituent Authorities.

4.6 Appointment of Administering Authority

At the time of the establishment of the Joint Committee, the Constituent Authorities agreed to appoint Somerset County Council as the Administering Authority for the Joint Committee for a two-year period from 22 January 2018. With this appointment coming to an end early in the new year the HotSW Chief Executives' Executive Group has considered an appointment for the next two year period (as required by the Joint Committee's 'Arrangements' document).

The detail of the Administering Authority role is set out in the Joint Committee's Arrangements document but in summary it includes:

- Running the Joint Committee business and meetings;
- Administering the Joint Committee's budget;
- Responsibility for the Committee's communications and engagement plan including maintaining the Joint Committee's website.

The view of the HotSW Chief Executives' Executive Group is that Somerset County Council has done an excellent job of supporting the Committee and their recommendation is to reappoint the County Council to the Administering Authority role for a further two year period from 23 January 2020 to 22 January 2022. The Joint Committee will consider this recommendation at its meeting on the 27th September and it is likely to be agreed. In anticipation of this approval, Somerset West and Taunton Council is recommended to agree to the reappointment of Somerset County Council as the Administering Authority to the Joint Committee for the period from 22 January 2020 to 21 January 2022.

Note: The Joint Committee have agreed a budget allocation of £20,000 to the Council appointed as the Administering Authority.

5. Equalities Implications

- 5.1 There are no equalities implications associated with the recommendations.

6. Other Implications

6.1 Legal:

The review of the role and functions of the Joint Committee have taken account of the legal framework within which the Joint Committee operates.

6.2 Financial:

As stated in the report.

6.3 HR

As stated in the report.

6.4 Risk

The key risk to the Constituent Authorities is a Committee without a clear role and functions and with unsustainable support arrangements which threaten the security and operation of the model. If the Committee

cannot be sustained into the future then the momentum already achieved with Government will be at risk and the opportunity to realise additional funds, powers and responsibilities from Government for the benefit of the HotSW will be severely compromised. This in turn would compromise the ability to deliver the Productivity Strategy.

- 6.5** Other Implications: Health and Well-being; Health and Safety; Sustainability; Community Safety; Privacy
No implications.
