Summary and Explanation

1. The Council's Constitution

- 1.1 The Somerset West and Taunton Constitution sets out how the Council operates, how decisions are made, and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.
- 1.2 The Constitution is divided into a number of parts. The first parts are the Summary and a number of Articles, which set out the framework for the conduct of the Council's business. The later parts contain more detailed procedures and codes of practice.
- 1.3 The documents have been produced in a user-friendly manner to help people understand how Local Government works and seeks to involve public participation in its decision-making.

2. What's in the Constitution?

- 2.1 The next section sets out the Articles of the Constitution as follows:
 - The Council's commitment to carry out its responsibilities to give open and accountable leadership of the community (Article 1).
 - Members of the Council (Article 2).
 - Citizens and the Council (Article 3).
 - The Council meeting (Article 4).
 - Chairing the Council (Article 5).
 - Scrutiny (Article 6).
 - The Executive (Article 7).
 - Regulatory and other committees (Article 8).
 - The Audit, Governance and Standards Committee (Article 9).
 - Community Councils (area committees under s18 LGA 2000) and

Localities (Article 10).

- Joint Arrangements (Article 11).
- Officers (Article 12).
- Decision-making (Article 13).
- Finance, contracts and legal matters (Article 14).
- Review and revision of the Constitution (Article 15).
- Suspension, interpretation and publication of the Constitution (Article 16).

3. How the Council operates

3.1 The Council is composed of 59 Councillors elected every four years. Councillors are democratically accountable to residents of their ward.

3.2 The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

3.3 Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Audit Governance and Standards Committee guides and advises them on the code of conduct.

3.4 All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Members of the public can attend Council meetings and ask questions. At Council meetings Councillors decide the Council's overall policies and set the budget each year.

3.5 One of the 59 Councillors is elected by the Council to be the Leader of the Council. The Leader in turn appoints up to 9 other Councillors as his/her Executive, and allocates particular responsibilities to each Executive Councillor.

3.6 The Leader and Executive Councillors together form the Executive. It is their responsibility to work together to achieve the Council's policies. The

Council holds the Executive to account for the performance of their duties.

4. How decisions are made

- 4.1 The Executive is the part of the Council which is responsible for most day-to-day decisions. The Executive comprises the Leader and between 2 and 9 Executive Councillors appointed by the Leader. When major decisions are to be discussed or made, these are published in the Forward Plan insofar as they can be anticipated. If these major decisions are to be discussed with Council Officers at a meeting of the Executive, this will generally be open for the public to attend except where personal or confidential matters are being discussed.
- 4.2 The Executive has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the Budget or Policy Framework, this must be referred to the Council as a whole to decide.

5. The Scrutiny Committee

- 5.1 The Council must have one or more Scrutiny Committees (Scrutiny). Scrutiny supports the work of the Executive and the Council as a whole. It allows Councillors and citizens to have a greater say in Council matters by holding public inquiries into matters of local concern. These lead to reports and recommendations which advise the Executive and the Council as a whole on its policies, budget and service delivery. Scrutiny Committee also monitors the decisions of the executive.
- 5.2 Decisions made by the Executive but not yet implemented can be 'called-in' for review by a Scrutiny Committee to consider whether the decision is appropriate. The Scrutiny Committee may recommend that the Executive reconsider the decision. Scrutiny may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy.

6. The Council's Staff

6.1 The Council has people working for it (called 'Officers') to give advice, implement decisions and manage the day-to-day delivery of services. Some Officers have a specific legal duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationships between Officers and Councillors.

7. Citizens' Rights

7.1 Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes.

7.2 Where members of the public use specific Council services, for example as a Council tenant or as an applicant for planning permission, they may have additional rights. These are not covered in this Constitution.

8. Citizens' Involvement

8.1 Citizens have the right to:

- vote at local elections if they are registered and eligible;
- contact their local Councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- take part in public consultation on issues, for example on planning applications;
- petition to request a referendum on a mayoral form of executive;
- participate in the Public Participation arrangements at Council meetings;
- contribute to investigations by the Scrutiny Committee
- find out, from the Forward Plan, what major decisions are to be

discussed by the Executive or decided by the Executive or Officers, and when;

- attend meetings of the Executive where Key Decisions are being discussed or decided;
- see reports and background papers (that are not exempt or confidential), and any record of decisions made by the Council and Executive;
- complain to the Council about failings of the services provided by the Council or how Officers deliver such services;
- complain to the Local Government Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- complain to the Monitoring Officer if they have evidence which they think shows that a Councillor has not followed the Council's Code of Conduct;
- inspect the Council's accounts and make their views known to the external auditors.

8.2 The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen and for all the Council's activities, please contact Governance, Democracy and Executive Support or visit the Council's website.

1. The Framework for Executive Decisions

1.1 References in these Procedure Rules to the Policy Framework are to the plans and strategies to be adopted by the Council as set out in Article 4.

1.2 The Council will be responsible for the adoption of its Budget and Policy Framework. Once a Budget and Policy Framework is in place, it will be the responsibility of the Executive to implement it.

2. Process for Developing the Framework

2.1 The process by which the Budget and Policy Framework shall be developed is as follows:

a) the proposals will be publicised by including in the forward plan a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the Budget and Policy Framework and the arrangements for consultation after publication of those initial proposals. The Scrutiny Committee will consider the consultation proposals before the arrangements are finalised.

b) at the end of the consultation period, the Executive will draw up firm proposals having regard to the responses to that consultation.

c) if the Scrutiny Committee wishes to respond to the Executive during that consultation process, then they may do so. As the Scrutiny Committee has responsibility for fixing its own work programmes, it is open to the Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period, having particular regard not to duplicate any consultation carried out by the Executive. The Scrutiny Committee shall report to the Executive on the outcome of its deliberations.

d) the Executive will take any response from consultees (including the Scrutiny Committee) into account in drawing up firm proposals for submission to the Council.

The Executive's report to the Council will reflect the comments made by consultees and the Executive's response.

e) once the Executive has approved the firm proposals, the Monitoring Officer will refer them at the earliest opportunity to the Council for decision.

3. Procedure for Conflict Resolution

3.1 Disagreements as to the Policy Framework

3.1.1 Where the Executive has submitted a draft plan or strategy to the Council for its consideration and, following consideration of that draft plan or strategy, the Council has any objections to it, the Council must take the action set out below.

3.1.2 It must inform the Leader of any objections which it has to the draft plan or strategy and must give to him or her instructions requiring the Executive to reconsider, in the light of those objections, the draft plan or strategy submitted to them/it.

3.1.3 No rejection, modification or substitution to the Executive's proposal may be validly moved by the Council until such time as the Executive has been given the opportunity to consider and react to that objection.

3.1.4 Where the Council gives instructions in accordance with paragraph 3.1.2 above, it must specify a period of at least eight working days, beginning on the day after the date on which the Leader received the instructions within which the Leader may:

a) submit a revision of the draft plan or strategy, as amended by the Executive (the "revised draft plan or strategy"), with the Executive's reasons for any amendments to the Council for consideration; or

b) inform the Council of any disagreement that the Leader/Executive has with any of the Council's objections, together with its reasons.

3.1.5 When the period specified by the Council, referred to in paragraph 3.1.4 above has expired, the Council shall again consider the Executive's recommendation and will take into account any amendments, reasoning and explanations which the Executive has now submitted.

3.1.6 In relation to the plan or strategy, Full Council may then:

- a) amend it;
- b) approve it; or
- c) adopt it with or without modification.

3.1.7 A decision by Full Council which complies with the above procedure shall require only a simple majority of votes cast at that meeting and shall take effect immediately

3.2 Disagreements as to the Budget

3.2.1 For the purposes of this section, the Budget means the proposals which the Executive submits to Full Council in February/March of each year as to various estimates, amounts, calculations and precepts relating to the Council's financial plans and requirements for the following financial year. This excludes any plan or strategy for the control of the Council's borrowing and capital expenditure, any disagreements in respect of which will be dealt with under the procedure set out above at 3.1.

3.2.2 Where the Executive submits its Budget to Full Council before 8 February in any financial year, and the Council has any objections to the Budget, the procedure in Section 3.1 above shall apply. However, the prescribed time for response at paragraph 3.1.4 shall be not less than five working days.

3.2.3 Where the Executive submits its Budget to Full Council on or after the 8 February, the Council shall have the unrestricted right to approve, amend or reject the Executive's Budget.

3.2.4 A decision by Full Council which complies with the above procedure shall require only a simple majority of votes cast at that meeting and shall take effect immediately.

3.2.5 In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the Policy Framework which may be undertaken by the Leader/Executive, in accordance with paragraphs 6 and 7 of these Procedure Rules (virement and in-year adjustments). Any other changes to the Budget and Policy Framework are reserved to the Council.

4. Decisions Outside the Budget or Policy Framework

4.1 Subject to the provisions of Procedure Rule 7 (Virement), the Leader/Executive, individual lead Councillors and any officers discharging executive functions may only take decisions which are in line with the Budget and Policy Framework.

4.2 If the Leader/Executive, individual lead Councillor or any officer wishes to make a decision which is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget approved by Full Council, then that decision may only be taken by the Council, subject to Procedure Rule 5 (Urgency) below.

4.3 If the Leader/Executive or any individual lead Councillor or officer discharging executive functions wants to make such a decision, they shall take advice from the Monitoring Officer and/or the Section 151 Officer as to whether the decision they want to make would be contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the Council for decision unless the decision is a matter of urgency, in which case the provisions in Procedure Rule 5 shall apply.

5. Urgent Decisions Outside the Budget or Policy Framework

5.1 Any body or individual discharging executive functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the Budget approved by Full Council if the decision is a matter of urgency. However, the decision may only be taken:

- a) if it is not practical to convene a quorate meeting of the Full Council; and
- b) if the Chair of the Scrutiny Committee agrees that the decision is a matter of urgency.

5.2 The reasons why it is not practical to convene a quorate meeting of Full Council and the Chair of Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of

Scrutiny Committee, the consent of the Vice Chair of Scrutiny Committee, and in the absence of both, the consent of the Chair of Council, will be sufficient.

5.3 Following the decision, the decision-taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

6. Virement

6.1 The Council's Financial Regulations set out the permitted scope for virement within and across budget heads and identifies which body or person has been authorised to approve such virements.

7. In-Year Changes to Policy Framework

7.1 The responsibility for agreeing the Budget and Policy Framework lies with the Council.

7.2 No changes to any policy and/or strategy which make up the Policy Framework may be made by the Leader/Executive, individual lead Councillors or officers except those changes:

- a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration; or
- d) for which provision is made within the relevant budget or policy.

8. Call-In of Decisions Outside the Budget or Policy Framework

8.1 Where a decision is referred to the Council by Scrutiny Committee, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter.

8.2 The matter will be referred to the next ordinary meeting of the Council. At the meeting, the Council will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Section 151 Officer.

8.3 The Council may either:

a) endorse a decision or proposal of the executive decision-taker as falling within the existing Budget and Policy Framework. In this case, no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

b) amend the Council's Financial Procedure Rules, Budget or Policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

c) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget and does not amend the existing framework to accommodate it or require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer or Chief Section 151 Officer.

The Monitoring Officer will present a report to the next ordinary meeting of the Council setting out the changes made by the Leader.

1.2.2 Where the Leader seeks to withdraw delegation from a committee of the Executive, notice will be deemed to be served on that committee when the Leader has served it on its Chair.

1.2.3 Unless the Leader/Executive directs otherwise, a committee of the Executive or lead Councillor may delegate further to an officer.

1.2.4 Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated them.

1.3 Conflicts of Interest

1.3.1 Where the Leader has a conflict of interest, this should be dealt with as set out in the Councillors' Code of Conduct.

1.3.2 If any member of the Executive has a conflict of interest, this should be dealt with as set out in the Councillors' Code of Conduct.

1.3.3 If the exercise of an executive function has been delegated to a committee of the Executive, an individual lead Councillor or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Councillors' Code of Conduct.

2.4 Consultation

2.4.1 All reports to the Leader/Executive on proposals relating to the Budget and Policy Framework must contain details of the nature and extent of consultation and the outcome of that consultation. Reports about other matters will set out the details and outcome of

consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

2.5 Who Can Put Items on the Executive Agenda?

2.5.1 The Leader, or in his/her absence, the Deputy Leader, Monitoring Officer or Section 151 Officer may put on the agenda of any Executive meeting any Executive matter.

2.5.2 The Monitoring Officer will place an item on the agenda of the next available meeting of the Executive where Scrutiny Committee or Full Council have resolved that an item be considered by the Executive.

3. Key Decisions

3.1 Notice of Key Decisions

3.2.2 The financial thresholds that will determine whether a matter under 3.2.1(b) is significant are set out at 3.3 below.

3.3 Financial Thresholds

15. Procedure for Call-in

15.1 When an Executive decision is made by the Leader/Executive or an individual lead Councillor, or a Key Decision is made by an officer with delegated authority from the Leader/Executive, a record of the decision shall be published, including where possible by electronic means, and shall be available at the main offices of the Council normally by 5pm on the next working day after the meeting. All Councillors will be sent a copy of the record of decision within the same timescale by the Monitoring Officer (or his/her nominee).

15.2 The record will bear the date on which it is published and, subject to the urgency provisions in at paragraph 15.8 below, will specify that the decision will come into force:

- a) on the expiry of five working days after the day of the meeting in the case of decisions taken by the Executive collectively; or
- b) on the expiry of five working days after the day of publication of the decision in the case of decisions taken by the Leader, individual lead Councillors or Key Decisions taken by an officer with delegated authority from the Leader/ Executive; or
- c) unless it is called-in.

15.3 During the call-in period referred to in 15.2 above, the Chair of the Scrutiny Committee or any 4 non-executive Councillors may request in writing to the Monitoring Officer (or his/her nominee) that a decision is called-in for consideration by the Scrutiny Committee. - a) that there was insufficient, misleading or inaccurate information available to the decision-maker;
- b) that all the relevant facts had not been taken into account and/or properly assessed;
- c) that the decision is contrary to the Budget and Policy Framework and is not covered by urgency provisions; or
- d) that the decision is not in accordance with the decision-making principles set out in the Constitution.

15.4 On receipt of a call-in request, the Monitoring Officer will decide whether it is valid, and within 5 days of that decision, will give notice of the call-in and its consequences to the following:

- a) the decision-taker;
- b) all Councillors;
- c) the Head of Function/Director primarily affected;
- d) the Leader of the Executive and the Head of Paid Service; and,

15.7 Once a decision has been referred back to the Leader/Executive or individual decision-taker by the Scrutiny Committee or the Council on the basis described above, it shall not be subject to further call-in. The decision shall then be final unless it is contrary to the Policy Framework or contrary to or not wholly consistent with the Budget.

15.8 Any matter designated by the Chief Executive to be urgent shall not, if the Leader/Executive or individual decision-taker and the Chair of the Scrutiny Committee agree, be subject to the call-in procedure, but shall be determined by the Leader/Executive, lead Councillor or officer immediately. The record of the decision and notice by which it is made public shall state whether in the opinion of the decision-making person or body the decision is an urgent one and therefore not subject to call-in.

15.9 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to the Council with proposals for review if necessary.

15.10 Regulatory decisions shall not be subject to Call-in.

Introduction

- 1.0 The Financial Procedure Rules provide the framework for managing the financial affairs of the Council. They apply to every Councillor and Officer of the Council and anyone acting on its behalf.
- 1.1 The Financial Procedure Rules govern the way the Council undertakes financial planning, budget setting, budget monitoring and closing of the accounts. They should also clearly identify the way day to day financial administration is conducted and financial controls are exercised.
- 1.2 The Financial Procedure Rules are part of a wider set of operational and managerial arrangements. They help protect the Council and the public from poor decision making, theft, fraud and material error. They also offer significant protection to Officers and Councillors from undue criticism and accusations of impropriety.
- 1.3 All Councillors and staff have a general responsibility for taking reasonable action to provide for the security of assets, funds and resources under their control, and for ensuring that the use of these resources are legal, properly authorised and provides value for money.
- 1.4 The Section 151 Officer is responsible for issuing advice and guidance to underpin the Financial Procedure Rules that Councillors, Officers, and others acting on behalf of the Council are required to follow.
- 1.5 The Financial Procedure Rules will be reviewed regularly by the Section 151 Officer, at least every two years, and approved by Full Council.
- 1.6 The Section 151 Officer may choose to delegate responsibility to a nominated officer of the Council where appropriate.

2.0 FINANCIAL GOVERNANCE

- 2.1 The Councillors (individually, and contained within Full Council, Executive and Committees) and Statutory Officers (Head of Paid Service, Monitoring Officer and Section 151 Officer) have key roles and responsibilities in relation to the financial administration and stewardship of the Council, as referenced in the Constitution.

3.0 Financial Planning and Management

3.1 Financial Strategy and Medium-Term Financial Plan

- 3.1.1 The Section 151 Officer, in consultation with the Leadership Team and Executive Councillors, will maintain a Financial Strategy and Medium Term Financial Plan (MTFP) that covers a period of at least three years, including the current financial year.
- 3.1.2 The Council's Financial Strategy will purposely look strategically beyond the current financial period to consider the funding options available for the proposed delivery of future corporate priorities, as well as the continuity of service delivery, to ensure these are affordable and result in a balanced budget, and support the organisation's resilience and long-term financial sustainability.
- 3.1.3 The Medium Term Financial Plan will provide a high level strategic allocation of capital and revenue financial resources (for both the General Fund and the Housing Revenue Account) that align with the corporate priorities and plans contained within the Financial Strategy, including the forecasting of costs and future funding requirements and availability.
- 3.1.4 The Financial Strategy and Medium Term Financial Plan will be produced as part of the overall budget process each year and reported to Executive for approval during the autumn committee cycle. This will then be reported, in conjunction with the annual budget, council tax and rent proposals, to Full Council before 11 March of the proceeding financial year.

Budget Strategy

- 3.1.5 The Section 151 Officer, in consultation with the Leadership Team and Executive Councillors, will provide a Budget Strategy for the proceeding financial year, which will form the foundations for the Annual Budget Setting process.
- 3.1.6 The Budget Strategy will provide a more detailed requirement of the strategic allocation of financial resources (both capital and revenue) that align with corporate priorities and plans for the proceeding financial year, including the level of council tax, balances and reserves, and the management of financial risks.
- 3.1.7 This will normally be reported alongside the Financial Strategy and Medium Term Financial Plan presented to Executive before seeking approval of Full Council before 11 March of the proceeding financial year.

Capital Strategy

- 3.1.8 The Section 151 Officer, in consultation with the Leadership Team and Executive Councillors, will each year prepare a Capital Strategy for the proceeding financial year, as required by the Prudential Code.
- 3.1.9 The Capital Strategy is intended to give a high level overview of how capital expenditure, capital financing and treasury management activity contribute to the provision of services along with an overview of how associated risk is managed and the implications for future financial sustainability.
- 3.1.10 The Capital Strategy will be produced and reported in accordance with the annual budget setting timetable and presented to the Executive before seeking the approval of Full Council before the 31 March of the proceeding financial year.

Commercial Investment Strategy

- 3.1.11 The Head of Commercial, Investment and Change, in conjunction with the Section 151 Officer, will prepare and review on an annual basis, a Commercial Investment Strategy (CIS).

15. The Procurement Process

15.1 The process to be adopted is determined by the value of the contract. The procedure must be both appropriate and proportionate to the value of the contract. It must ensure that the Council achieves Best Value which is to be assessed by an evaluation of both the price and quality of competitive bids so as to determine the most economically advantageous over the life of the contract.

15.2 Procuring officers must, as a minimum, obtain quotations and tenders as follows:

A. Contracts for Goods and Services

B. Contracts for Works

15.3 For works contracts, the Council utilises several lists of approved contractors (Approved Select Lists) for example the Devon and Somerset Select List of Approved Contractors (SLOAC) and Construction Line. These Approved Select Lists provide access to pre-qualified contractors who have registered their interest in working in the Somerset West and Taunton area.

15.4 Use of an Approved Select List (ASL) for works contracts below EU thresholds is encouraged but it is not mandated. Where it is used, there are different Rules associated with the award of works contracts, these are detailed in the Table 2 below.

16. The Procurement Sourcing Strategy

16.1 For procurement processes with a Total Contract Value in excess of the EU Threshold the Procuring Officer must seek approval from the Monitoring Officer prior to procurement and must consult with the Head of Performance and Governance to develop a procurement sourcing strategy.

17. Specification

17.1 Each procurement must be appropriately specified, and the Selection and Award criteria must be formulated in advance of inviting expressions of interest to ensure the Council obtains value for money and the procurement process is transparent.

17.2 All works, goods and services must be specified by reference to European standards, or national standards if no European standards are set. The specification must be a clear and comprehensive description of the Council's requirements and should incorporate measurable and, so far as is possible, objective quality and performance criteria to enable a proper assessment to be made of the supplier's ability to meet the Council's requirements.

18. Standard Procurement Documents

18.1 The Procuring Officer must use standard Procurement Documents (obtained from the SPL) or relevant Framework Agreement or Dynamic Purchasing System documents.

18.2 Where it is necessary to vary the documents at 18.1, the Procuring Officer must consult with the Head of Performance and Governance.

19. Procurement Processes

19.1 The following is applicable to each process:

- a) Where there is a suitable Framework Agreement, Dynamic Purchasing System or Corporate Contractual Arrangement approved by the SPL, that Framework Agreement, Dynamic Purchasing System or Corporate Contractual Arrangement

shall be used, provided that such a course of action achieves the principles of Best Value;

- b) Where acceptance of quote or tender is made by the issuing of a Purchasing Order, the Purchase Order must refer to the Council's Standard Terms and Conditions of Contract, except for where the complexity of the contract requires more bespoke terms, in which case the Purchase Order shall make separate reference to these;
- c) Unless otherwise specified in these Rules, unsuccessful candidates shall be notified and, at their request, shall be given the reason why they were unsuccessful without breaching the commercial confidentiality of other candidates.

19.2 In all cases other than Lower Value Purchases, the Council's Standard Procurement Documents must be used.

Process for Lower Value Purchases

19.3 For contracts up to and including the Total Contract Value of £5,000 (goods and services), or £15,000 (works), the Procuring Officer is required to achieve a minimum of one written quotation to demonstrate compliance.

19.4 Compliance with the principle of Best Value will be demonstrated by evidence of the application of commercial considerations in the decision and a demonstrable conclusion that a better value outcome is unlikely to be achieved without a disproportionate application of further resource input.

19.5 Where compliance with the principle of Best Value cannot be demonstrated by seeking one written quotation, the Procuring Officer shall seek more than one quote.

19.6 The Procuring Officer may choose to either:

- a) Place an order with the selected supplier on the basis of a pre-quoted price (such as in a supplier's catalogue), having satisfied themselves that the price to be paid represents Best Value; or
- b) Select a minimum of one potential candidate to be invited to submit a quotation.

19.7 Where the Procuring Officer is unable to select a potential candidate and/or demonstrate Best Value, the procedure set out at Rule 20 (Quotations) must be followed.

19.8 Acceptance will be notified to the successful supplier by issue of a Purchase Order.

19.9 The Procuring Officer must document their decision-making process to demonstrate compliance with this section.

20. Process Requiring Quotations

20.1 For contracts with a Total Contract Value of more than £5,000 (£15,000 for works) but less than £50,000 (£150,000 for Works), the Procuring Officer is required to achieve a minimum of 3 quotations via the Council's Electronic Tendering System (ETS).

20.2 Compliance with the principle of Best Value will be demonstrated by evidence of the application of commercial considerations in the decision and a demonstrable conclusion that a better value outcome is unlikely to be achieved without a disproportionate application of further resource input.

20.3 Where compliance with the principle of Best Value cannot be demonstrated by seeking 3 written quotations, the Procuring Officer shall seek more than 3 quotations and, if considered necessary, run an open competition

20.4 In respect of works contracts only, Procuring officers are required to consider the use of an ASL in the first instance and to justify, and to record, the reasons for non-use.

20.5 Competitive quotations must be sought inviting at least 3 candidates registered on the ETS, or the relevant ASL.

20.6 In the event that no suitable candidates can be found on the ETS, the Procuring Officer may also place an open advertisement in the ETS and in Contracts Finder.

20.7 If the Procuring Officer cannot obtain 3 quotations, the Procuring Officer must satisfy themselves that they have achieved Best Value and must seek approval from the SPL in order to proceed with the procurement. Justification and approval to proceed must be recorded and available for inspection.

20.8 Acceptance will be notified to the successful supplier by issue of a Purchase Order and Contract.

20.9 Where the Goods, Services or Works will be delivered or utilised over a period of time a Contract Award Record must be made on the Council's Contracts Register.

21. Procurement Processes Requiring Invitations to Tender

21.1 For contracts with a Total Contract Value of £50,000 (£150,000 for Works) but less than the EU Threshold, the Procuring Officer must seek the advice of a procurement Officer

21.2 The Procuring Officer is required to invite tenders from any and all qualified candidates by advertising the opportunity via the Council's Electronic Tendering System and in Contracts Finder. Where an Approved Selection List is used the Procuring Officer must obtain at least 3 confirmed expressions of interest.

21.3 An Invitation to Tender shall be sent to all parties who have expressed an interest.

21.4 The successful supplier and unsuccessful candidates shall be notified of the outcome by issue of a letter sent electronically via the Council's Electronic Tendering System.

21.5 A Purchase Order must be raised.

21.6 A Contract Award Record must be made on the Council's Contracts Register, and in Contracts Finder.

22. Procurement Processes for Contracts of a Value Over the EU Threshold

22.1 The Head of Performance and Governance must obtain approval from the Monitoring Officer before beginning a procurement exercise in respect of any contract at and above the relevant EU Threshold.

22.2 For contracts at and above the relevant EU Threshold, the Procuring Officer is required to invite tenders from any and all qualified candidates by advertising the opportunity via the Council's Electronic Tendering System, in Contracts Finder and EU-wide.

22.3 A statutory minimum period of advertising will apply which will vary depending on the procedure used but will not be less than 10 working days.

22.4 In most cases, the Open Procedure, Restricted Procedure or Competitive Procedure with Negotiation shall be used, however, the advice on the appropriate route to procurement must be sought from the SPL in conjunction with SHAPE Legal Partnership.

22.5 The successful supplier and unsuccessful candidates shall be notified in accordance with the Relevant Legislation and a Standstill Period shall be observed.

22.6 A Purchase Order must be raised.

22.7 A Contract Award Record must be made on the Council's Contracts Register, in Contracts Finder and in the Official Journal of the EU (or elsewhere in accordance with EU Legislation).

23. Confidentiality of Tenders and Quotations

23.1 All matters concerned with quotations and tenders must be treated as confidential, and any information, discussion or correspondence entered into should be confined to those officers of, or consultants to, the Council who are directly concerned.

23.2 The amount or value of any tender or quotation which is to be considered by the Council or Executive shall not be made public before the meeting and shall be omitted from any written report on the subject which may be circulated before the meeting unless the report is marked as confidential.

24. Submission, Receipt and Opening and Evaluation of Tenders

24.1 The submission, receipt, opening and evaluation of tenders is subject to specified procedures (based on the Total Contract Value) and any Officer involved in a procurement

that is likely to require tenders must seek guidance from Head of Performance and Governance. As a minimum requirement:

- a) All Contracts at and above the Total Contract Value of £50,000 (£150,000 for Works) shall be submitted electronically through the Council's Electronic Tendering System;
- b) Tenders received after the stated date and time shall not be accepted under any circumstances. For the purposes of these Rules the time will be deemed to be at the first stroke, e.g. noon shall be 12:00:00;
- c) Submissions shall be verified and opened on the Council's Electronic Tendering System.

25. Contract Selection Criteria and Award Criteria

25.1 The Selection Questionnaire shall be used to assess a candidate's ability to meet the Council's requirements or minimum standards of suitability, capability, legal status or financial standing.

25.2 For all Contracts over the Total Value of £50,000 the Officer shall include the Selection Questionnaire within the Procurement Documents. For works contracts the Procuring Officer should seek guidance from the Head of Performance and Governance in respect of the correct use of selection Questionnaires.

25.3 The Award Criteria shall be used to assess a candidate's ability to deliver the Council's requirements under the Contract, achieving Best Value.

25.4 The Contract shall be awarded to the candidate whose tender best meets the Award Criteria (as set out in the Procurement Documents).

25.5 The Procuring Officer shall consult with the Head of Performance and Governance for guidance on the Selection and Award criteria prior to issuing the Procurement Documents.

26. Intention to Award a Contract

26.1 For contracts with a Total Contract Value over the EU Threshold, Procuring officers must allow candidates a mandatory minimum Standstill Period of 10 calendar days before entering into a contractually binding agreement with the successful supplier(s). It is most important that any communication with the preferred candidate(s) does not constitute a Contract award, conditional or otherwise.

26.2 Following any Standstill Period, if appropriate, an EU Award Notice must be placed by the Head of Performance and Governance.

26.3 All candidates must be simultaneously notified in writing of the award and all letters informing them of the outcome of the Tender must comply with the Relevant Legislation.

26.4 Should any further communication with the candidates be requested/required, advice should be sought by the Head of Performance and Governance prior to any such communication.

26.5 Any complaints, correspondence threatening challenge or formal court proceedings challenging the decision must be immediately submitted to the Head of Performance and Governance and Monitoring Officer.

27.2 Approval to award or amend a contract, Framework Agreement or Dynamic Purchasing System can only be given as set out in Table 3.

27.3 In respect of contract amendments, the Total Contract Value is the total value of the contract plus the value of any proposed amendment.

27.4 The Head of Function or Function responsible for the procurement will determine what a politically sensitive contract is for the purposes of Table 3 however, where the contract value is £1,000,000 or above, the Head of Function or Director shall seek the advice of the Monitoring Officer before concluding that a matter is not politically sensitive.

30.2 The Procuring Officer shall ensure that original signed copies of the contract are stored in accordance with the Council's retention policy.

30.3 The Procuring Officer must keep and maintain records in respect of each Tender and Contract (such records should include the materials pertaining to all of the stages of the procurement cycle).

31. Contract Documents and Letters of Intent

31.1 Wherever practicable, work under a contract must not start until the contract documents and all other procedures have been completed to the satisfaction of the relevant Head of Function or, in the case of a procurement valued at £100,000 or more, the Head of Function and Monitoring Officer. 34. Further Advice

34.1 Should the procurement or management of a contract involve the following, or should the Procuring Officer have any queries regarding the following, the Officer should seek the advice of the SPL or Legal Services as appropriate:

22.3 Even where an item or report has been marked either 'Exempt' or 'Confidential', it is for the meeting itself to decide whether, taking the wider public interest into account, the item (or part of it) should nevertheless be considered in the presence of the press and public.

22.4 If an issue should arise during a debate as to the appointment, promotion, dismissal, salary, conditions of service or conduct of any identifiable employee of the Council, the Councillor chairing the meeting shall move the exclusion resolution (due to the likelihood that exempt information about a particular employee would be disclosed to the public).

22.5 The motion shall be immediately approved or rejected before the issue is further considered.

22.6 When an exclusion resolution is passed those permitted to remain include all those who are members of the Council, the Officers or consultants serving that meeting and those specifically invited by the meeting to remain for reasons set out in the minutes.

23. Rescindment and Variation of Resolutions*

- b) By resolution of the Full Council on a motion of which notice has been given under Council Procedure Rule 4 signed by not less than 12 members.

23.2 Where it is intended that such an item should appear on the agenda for a meeting, the agenda item shall say that this '6-month rule' applies.

23.3 This Council Procedure Rule shall not apply in the case of a planning or licensing application.

23.4 Every such notice of motion shall specify the resolution to be rescinded or varied

24. Ruling of the Chair of the Council*

28. Time Limits for All Meetings*

28.1 A meeting of Full Council or other committees including the Scrutiny Committee shall not exceed 3 hours in duration, except in accordance with Council Procedure Rule 29 below.

28.2 If the business of the meeting has not been completed within that time, the Chair of the Council or Chair of the relevant Committee will interrupt the debate to announce the time and call for a vote to be taken immediately on the item under discussion.

28.3 No member will be able to address the meeting after the Chair of the Council's or Chair of the relevant Committee's interruption on any item appearing on the agenda.

28.4 Any items remaining on the agenda, which have not been considered, will be adjourned to the next scheduled meeting or a date to be fixed before the meeting adjourns.

29. Suspension of Council Procedure Rules*

29.1 A motion to suspend a particular procedural Rule shall state the particular purpose and require a majority of at least half the total number of members appointed to that Council Meeting or Committee.

29.2 On occasions that Rule 28(1) is being waived, the duration of the suspension shall not exceed 30 minutes and shall, if seconded, be put to the vote without discussion.

29.3 Rule 28(1) can only be suspended once per meeting. However, the Chair of the Council, Chair of Planning Committee or Chair of the Licensing Committee may decide otherwise in respect of the meeting they are chairing. This will generally only occur in exceptional circumstances.

29.4 Rules 21 and 25 cannot be suspended.

10. Meetings – Public Exclusion

Confidential Information – Requirement to Exclude Public

Such a decision to exclude the public is to be made by resolution of the relevant decision-making body.

10.4 Where the meeting will determine any person's civil rights or obligations or adversely affect their possessions, Article 6 of the European Convention of Human Rights (incorporated into domestic law by the Human Rights Act 1998) establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.5. Exempt information means information falling within any of the categories (subject to any qualification) defined in Appendix 1 to these Procedure Rules.

Part B – Executive Decision-Making

12. Additional Rules to be Applied to the Executive

12.1 Rules 12-21 apply to meetings of the Executive and its Committees. If the Executive or an Executive Committee meets to take a Key Decision, then it must still comply with Rules 1-11 unless Rule 15 (general exception) or Rule 16 (special urgency) applies.

12.2 If the Executive or an Executive Committee meet to discuss a Key Decision to be taken collectively with one or more Officers present within 28 clear days of public notice being given of the decision to be taken, then it must still comply with Rules 1-11 unless Rule 15 (general exception) or Rule 16 (special urgency) applies.

12.3 The requirement at 12.2 does not apply to meetings whose sole purpose is for Council Officers to brief the decision-maker or members of a decision-making body on matters connected with the making of an Executive Decision.

13. Procedure Before Taking Key Decisions

A Key Decision is as defined in the Executive Procedures Rules of this Constitution.

Notice of Key Decision

13.1 Subject to Rule 15 (general exception) and Rule 16 (special urgency), a Key Decision may not be taken unless:

- a) a notice ('Notice of Key Decision') has been published in connection with the matter in question;
- b) at least 28 clear days have elapsed since the publication of the Notice of Key Decision (which may include Saturdays, Sundays and public holidays) and the date of the meeting at which the Key Decision is to be made; and
- c) where the decision is to be taken at a meeting of the Executive or its Committees, notice of the meeting has been given in accordance with Procedure Rule 4 (notice of meetings).

Contents of Notice of Key Decision

13.2 The Notice of Key Decision will state that a Key Decision is to be taken by the Executive, a committee of the Executive, individual members of the Executive, Officers, Area Committees or under joint arrangements in the course of the discharge of an executive function. It will describe the following particulars:

- a) the matter in respect of which a decision is to be made;
- b) where the decision-maker is an individual, his/her name and title, if any, and where the decision-maker is a body, its name and details of its membership;
- c) the date on which, or period during which, the decision is to be taken;
- d) a list of documents submitted to the decision-maker for consideration in relation to the matter and details of how to inspect copies of these documents;
- e) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from any document listed is available;
- f) a note that other documents relevant to the decision may be submitted to the decision-maker; and,
- g) the procedure for requesting details of those documents (of any) as they become available; and
- h) where the decision is to be taken at a meeting of the Executive or its Committees, a note that notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

Publication of the Notice of Key Decision

13.3. The Notice of Key Decision will be made available for inspections by the public at the Council Offices and on the website.

14. The Forward Plan

14.1 The Council is required to give a minimum of 28 clear days' notice of Key Decisions to be taken by the Executive, Executive Members or Officers. However, the Leader may prepare a Forward Plan which sets out the details of the various decisions that the Executive is likely to take over a subsequent period of 4 months, insofar as they are known at the time of publication. Other significant decisions to be taken by Full Council may be included for information.

14.2 The Forward Plan may incorporate the Notices of Key Decision and Notices of Intention to Hold Executive Meetings in Private referred to in Procedure Rule 21.

14.3 Where a Forward Plan is produced it will be published on the Council's website and a copy will be made available for inspection at the Council offices at least 28 clear days before each meeting of the Executive.

14.4 Exempt information need not be included in the Forward Plan and confidential information cannot be included.

15. General Exception

15.1. If a Notice of Key Decision has not been published in accordance with Procedure Rule 13, then subject to Procedure Rule 16 (special urgency), the decision may still be taken if:

- a) the decision must be taken by such a date that it is impracticable to publish a Notice of Key Decision;
- b) the Monitoring Officer has informed the Chair (or in his/her absence the Vice-chair) of the Scrutiny Committee, or if there is no such person immediately available, each member of that Committee in writing, by notice, of the matter on which the decision is to be made;
- c) the Monitoring Officer has made copies of that notice available to the public at the offices of the Council and on the Council's website; and
- d) at least 5 clear working days have elapsed since the Monitoring Officer complied with (b) and (c).

15.2. As soon as reasonably practicable after the Monitoring Officer has complied with Procedure Rule 15.1, he must make available at the Council offices and publish on the Council's website the reasons why compliance with Procedure Rule 13 is impracticable.

16. Special Urgency

16.1 If by virtue of the date by which a decision must be taken, Rule 15 (general exception) cannot be followed, then the decision can only be taken if the Leader or Chair of an Executive Committee or decision-maker (if an individual) obtains the agreement of

the Chair of the Scrutiny Committee that the taking of the decision is urgent and cannot be reasonably deferred.

16.2 If there is no chair of the Scrutiny Committee or if the chair of the relevant Scrutiny Committee is unable to act, then the agreement of the Chair of the Council or in his/her absence, the Vice-chair of the Council will suffice.

16.3 As soon as reasonably practicable after the decision-maker has obtained agreement under Rules 16.1 or 16.2, he or she shall make available to the public at the Council Offices and on the Council's website, a notice setting out the reasons why the decision is urgent and cannot reasonably be deferred.

- b) the subject of the general exception procedure under Procedure Rule 15; or
- c) the subject of an agreement with the chairman of the Scrutiny Committee or the Chair of the Council/Vice-chair of the Council under Procedure Rule 16;

the Committee may require the Executive to submit a report to the Council within such reasonable time as the Committee specifies. The report must include details of the decision and the reasons for the decision, the decision-maker, and the reasons, if any, for the Leader/Executive believing that the decision was not a Key Decision. The power to require a report rests with the Scrutiny Committee, who shall require the Head of Performance and Governance to issue such a report on behalf of that Committee when so requested by the Chair or any 5 Councillors. Alternatively, the requirement may be raised by resolution passed at a meeting of the Scrutiny Committee.

Executive's Report to Council

17.2 The Executive will submit a report required under paragraph 17.1 to the next available Council meeting. However, if the next meeting of the Council is within 7 days of receipt of the written notice or the resolution of the Committee, then the report may be submitted to the following meeting. The report to the Council will set out particulars of the

decision, the individual or body making the decision and if the Leader is of the opinion that it was not a Key Decision, the reasons for that opinion.

Annual Reports on Special Urgency Decisions

17.3 In any event, the Leader will submit annual reports to the Council on the Executive Decisions taken in the circumstances set out in Rule 16 (special urgency) in the preceding year. The report will include the number of decisions so taken and a summary of matters in respect of which those decisions were taken.

18. Meetings of the Executive to Be Held in Public

Meetings of the Executive and its Committees will be held in public, unless it is likely that exempt or confidential information would be disclosed, or whenever a lawful power is used to exclude a Councillor or members of the public in order to maintain orderly conduct or prevent misbehaviour at a meeting. The public may only be excluded for the part or parts of the meeting during which it is likely that exempt or confidential information would be disclosed.

19. Notice of Executive Meetings

Members of the Executive or its Committees will be entitled to receive 5 clear working days' notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

21. Notice of Intention to Hold Executive Meetings in Private

21.1 Subject to this Procedure Rule, where the Monitoring Officer agrees that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during consideration of that item, either:

- a) confidential information, as defined in Procedure Rule 10.2, would be disclosed to them in breach of the obligation of confidence; or
- b) exempt information, as defined in Procedure Rule 10.5, would be disclosed to them,

the meeting shall be held in private, following the exclusion of the public.

21.2 At least 28 clear days before a private meeting (which may include Saturdays, Sundays and public holidays), the decision-making body shall:

- a) make available at the Council offices, a notice of its intention to hold the meeting in private (a "Notice of Private Meeting"); such notice to include a statement of reasons for the meeting to be held in private, and
- b) publish that notice on the Council's website.

- a) a statement of the reasons for the meeting to be held in private;
- b) details of any representations received by the decision-making body about why the meeting should be open to the public; and
- c) a statement of its response to any such representations.

21.5 Where the date by which a meeting must be held makes compliance with this Procedure Rule impracticable, the meeting may only be held in private where:-

- a) the Chair of the Scrutiny Committee; or
- b) if there is no such person available, or if the Chair of the Scrutiny Committee is unable to act, the Chair of the Council; or
- c) where there is no Chair of the Scrutiny Committee available and in the absence of the Chair of the Council, the Deputy Chair of the Council,

has agreed that the meeting is urgent and cannot reasonably be deferred.

21.6 As soon as reasonably practicable after agreement to hold a private meeting has been obtained under Procedure Rule 21.5, the decision-making body shall:

- a) make available at the Council offices, a notice setting out the reasons why the meeting is urgent and cannot reasonably be deferred; and
- b) publish that notice on the Council's website.

22.2 Provision of Copies of Reports to All Councillors

On giving such a report to the Leader or an individual Lead Councillor, the Head of Performance and Governance will give a copy of it to all Councillors as soon as reasonably practicable and make it publicly available at the same time. Before the Leader or Lead Councillor takes an Executive Decision, he or she will take into account any written representations submitted by other Councillors or from the public.

B. Decisions by Officers

22.3 Officers contemplating a decision in connection with an Executive Function shall have careful regard to the following principles in deciding how this should be taken:

- A) whether the proposed decision is closely (as opposed to remotely) connected with the discharge of a function which is, as a matter of law, the responsibility of the Authority's Executive;
- B) whether the proposed Executive Decision is merely administrative in nature with only a remote connection with an Executive Function;
- C) whether a proposed Executive Decision is so minor or routine in nature or is otherwise one which would reasonably be considered to be of no interest to a reasonable member of the public;
- D) whether the proposed Executive Decision is sufficiently important and/or sensitive so that a reasonable member of the public would reasonably expect it to be taken by the Executive;

E) whether the proposed Executive Decision is one which affects only particular individuals as opposed to the public generally;

22.4 Taking into account the above principles, the Council has agreed that these Procedure Rules shall apply to:

- a) Key Decisions taken by Officers; and
- b) any Executive Decision taken by an Officer:
 - i. under the scheme of delegation to Officers; or,

The provisions of Procedure Rules 7 and 8 will also apply (in so far as they relate to the provision of documents for inspection) to the making of Executive Decisions by individuals. This does not require the disclosure of exempt or confidential information.

24. Inspection of Documents Following Executive Decisions

24.1 Subject to Procedure Rule 28, after a meeting of a decision-making body at which an Executive Decision has been made, or after the Leader, an individual Lead Councillor

or Officer has made an Executive Decision, the Head of Performance and Governance or his/her nominee shall ensure that a copy of:

24.2 Where a request on behalf of a newspaper is made for a copy of any of the documents available for public inspection referred to in a) above, those documents must be supplied for the benefit of the newspaper by the Council on payment by the newspaper to the Council of postage, copying or other necessary charge for transmission.

25. Inspection of Background Papers Following Executive Decision

25.1 Subject to Procedure Rule 28, when a copy of the whole or part of a report for a meeting is made available for inspection by members of the public in accordance with Procedure Rule 24, the requirements of Procedure Rule 8 (Inspection of Background Papers) will apply.

26. Scrutiny access to documents

26.1 Rights to Copies

Subject to Procedure Rule 26.2 below, a member of the Scrutiny Committee will be entitled to a copy of any document which is in the possession or control of the Leader/Executive and which contains material relating to:

- a) any business transacted at a meeting of the Executive;
- b) any Executive Decision taken by the Leader or an individual Lead Councillor; or

A member of the Scrutiny Committee will not be entitled to a copy of any document or part of a document that:

- a) is in draft form; or
- b) contains exempt or confidential information unless that information is relevant to:
 - i. an action or decision that that Member is reviewing or scrutinising; or
 - ii. any review contained in the Scrutiny Committee's work programme.

Where the Leader/Executive determines that a member of the Scrutiny Committee is not entitled to a copy of a document or part of any such document for a reason set out in a) or b) above, they must provide the Scrutiny Committee with a written statement setting out their reasons for that decision.

27. Additional Rights of Access to Documents for Councillors

27.1 Subject to Procedure Rules 27.5 and 27.6, any document which is in the possession or under the control of the Leader/Executive which contains material relating to any business to be transacted at a public meeting of the Executive shall be made available for inspection by any Councillor.

27.2 Any document which is required by Procedure Rule 27.1 to be available for inspection by any Councillor must be available for such inspection for at least 5 clear working days before the meeting except that:

- a) where the meeting is convened at shorter notice, such a document must be available for inspection when the meeting is convened; and

Interests

Disclosable Pecuniary Interests

2. 2.1 You must register and declare any Disclosable Pecuniary Interests that relate to your public duties as required by this Code and set out in Appendix 3.

2.2 You must, within 28 days of this Code being adopted by the Council or your taking office as a member or co-opted member, register any Disclosable Pecuniary Interests with the Council's Monitoring Officer, where the Disclosable Pecuniary Interest is yours, your spouse's or civil partner's, or is the Disclosable Pecuniary Interest of somebody with whom you are living with as a husband or wife, or as if you were civil partners. Disclosable Pecuniary Interests will be recorded in the Council's Register of Members' Interests and made available for public inspection including on the Council's website at: www.somersetwestandtaunton.gov.uk

2.3 Within 28 days of becoming aware of any new Disclosable Pecuniary Interest or change to any such interest already registered, you must register details of that new interest or change in writing to the Council's Monitoring Officer.

2.4 Where any business of the Council, relates to or affects a Disclosable Pecuniary Interest whether registered under 2.2 or 2.3 above or not, and you attend any meeting of the Council, its Executive or any Committee, Sub-Committee, Joint Committee at which that business is to be considered, you must:

(a) not to seek to influence a decision about that business

(b) disclose to that meeting the existence and nature of that interest no later than the start of the consideration of the business in which you have that interest, or (if later) the time at which the interest becomes apparent to you. The exception to the requirement to disclose an interest is if the matter is a sensitive interest under paragraph 2.11

(c) withdraw from the meeting room or chamber as soon as it becomes apparent that the business is being considered at that meeting;

unless you have obtained a dispensation from the Council's Monitoring Officer or the Audit, Governance and Standards Committee .

2.6 Unless dispensation has been granted, you may not participate in any discussion of, vote on, or discharge any function related to any matter in which you have a Disclosable Pecuniary Interest. Additionally, you must observe the restrictions the Council places on

your involvement in matters where you have a Disclosable Pecuniary Interest as defined by the Council and set out in this Code.

Other Interests

Note: It is conceivable that an interest could be categorised as both a Disclosable Pecuniary Interest and a personal or a personal and prejudicial interest. If so you must treat it as a Disclosable Pecuniary Interest and comply with the requirements set out in paragraphs 2.1 – 2.6 inclusive

2.7 (1) In addition to the Disclosable Pecuniary Interests notifiable under the Localism Act 2011, you must, within 28 days of:

- (a) this Code being adopted by or applied to the Council;
- (b) or your election or appointment to office (where that is later),

give written notification to the Monitoring Officer of the details of your other personal interests, as defined in 2.8(1) (i) and (ii) below, for inclusion in the register of interests. The exception to this requirement is if the detail of the personal interest is classified as sensitive – see paragraph 2.11.

(2) You must, within 28 days of becoming aware of any new personal interest or change to any such registered interest, notify the Monitoring Officer of the details of that new interest or change.

Personal Interests

2.8 (1) You have a personal interest in any business of the Council where:

- (a) it relates to or is likely to affect:
 - (i) any body of which you are a member or in a position of general control or management and to which you are appointed or nominated by the Council;
 - (ii) any body:
 - (a) exercising functions of a public nature;
 - (b) established for charitable purposes; or
 - (c) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union), of which you are a member or in a position of general control or management;
- (b) a decision in relation to any business of the Council might reasonably be regarded as affecting your well-being or financial position or the well-being or financial position of a significant person to a greater extent than the majority of

other council tax payers, ratepayers or inhabitants of the electoral division, as the case may be, affected by the decision;

(2) Subject to sub-paragraphs (3) to (5) below, where you are aware of a personal interest described in paragraph (1) above in any business of the Council, and you attend a meeting of the Council at which the business is considered, you must disclose to that meeting the existence and nature of that interest at the start of the consideration of that business, or when the interest becomes apparent to you.

(3) Where you have a personal interest in any business of the Council which relates to or is likely to affect a significant person (see paragraph 1 (b) above and Appendix 2 for the interpretation of the term 'significant person'), you need only disclose to the meeting the existence and nature of that interest if and when you address the meeting on that business.

(4) Where you have a personal interest but the interest is not detailed in the Council's register of members' interests because of the sensitive nature of the interest, you must indicate to the meeting that you have a personal interest, but need not disclose the sensitive information to the meeting.

(5) Where you have a personal interest in any business of the Council and you have made an individual decision (as an Executive Councillor) in relation to that business, you must ensure that any written statement of that decision records the existence and nature of that interest subject to (4) above.

(6) Any personal interests notified to the Monitoring Officer will be included in the register of interests.

(7) A copy of the register will be available for public inspection and will be published on the Council's website.

Prejudicial Interests

2.9 (1) Where you have a personal interest in any business of your Council you also have a prejudicial interest in that business where the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest and where that business:

(a) affects your financial position or the financial position of a significant person or a body described in paragraph 2.8(1)(a)(i) and (ii) (other than another town parish district, county council or national park of which you are also a member); or

(b) relates to determining any approval, consent, licence, permission or registration in relation to you or any significant person (other than another town parish district, county council or national park of which you are also a member).

(2) Subject to paragraph (3) and (4), where you have a prejudicial interest in any business of your Council:

(a) You may not participate in any discussion of the matter at a meeting.

(b) You may not participate in any vote taken on the matter at a meeting.

(c) You must disclose the existence and nature of the interest to the meeting and leave the room where the meeting is held while any discussion or voting takes place on the matter. The exception to the requirement to disclose the detail of the interest is if the matter is a sensitive interest under paragraph 2.11. In these circumstances you need only state that you have a prejudicial interest and that the details are withheld because of the sensitive information involved.

(3) Where you have a prejudicial interest in any business of your Council, you may attend a meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business and you leave the meeting room immediately after making representations, answering questions or giving evidence.

(4) Subject to you disclosing the interest at the meeting, you may attend a meeting and vote on a matter where you have a prejudicial interest that relates to the functions of your Council in respect of:

(i) housing, where you are a tenant of your Council provided that those functions do not relate particularly to your tenancy or lease;

(ii) school meals or school transport and travelling expenses, where you are a parent or guardian of a child in full time education, or are a parent governor of a school, unless it relates particularly to the school which the child attends [not applicable];

(iii) statutory sick pay under Part XI of the Social Security Contributions and Benefits Act 1992, where you are in receipt of, or are entitled to the receipt of, such pay;

(iv) an allowance, payment or indemnity given to members;

(v) any ceremonial honour given to members; and

(vi) setting council tax or a precept under the Local Government Finance Act 1992.

(5) Where, as an Executive member, you may take an individual decision, and you become aware of a prejudicial interest in the matter which is the subject of the proposed decision you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter, or seek to influence a decision about the matter.

Receipts of gifts and hospitality

2.10 (1) You must, within 28 days of receipt, notify the Monitoring Officer in writing of any gift, benefit or hospitality with a value in excess of £25 which you have accepted as a member from any person or body other than the Council.

(2) The Monitoring Officer will place your notification on a public register of gifts and hospitality.

Sensitive Interests

2.11 (1) If you have a Disclosable Pecuniary Interest or a Personal or Personal and Prejudicial Interest but you consider that disclosure of the interest could lead to you or a person connected with you being subject to violence or intimidation **and** the Monitoring Officer agrees with that assessment then instead of disclosing the interest you need only disclose that you have a Disclosable Pecuniary Interest or Personal or Personal and Prejudicial Interest (as the case may be). In such instances any published version of the register of interests will exclude details of the interest but may state that you have an interest, the details of which are withheld.

Scrutiny

(1) In relation to any business before a Scrutiny Committee of the Council (or of a sub-committee of such a committee) where:

(a) that business relates to a decision made (whether implemented or not) or action taken by your Council's Executive or another of your Council's committees, sub-committees, joint committees or joint sub-committees; and

(b) at the time the decision was made or action was taken, you were a member of the Executive, committee, sub-committee, joint committee or joint sub-committee mentioned in paragraph a) and you were present when that decision was made or action was taken; or

(c) that business relates to a decision made (whether implemented or not) or action taken by you (whether by virtue of the Council's constitution or under delegated authority from the Leader);

you may attend a meeting of the Scrutiny Committee or Sub-Committee of the Council but only for the purpose of making representations, answering questions or giving evidence relating to the business.

Protocol for Councillor/Officer Relations

1. Introduction

1.1 Elected Councillors and paid Officers fulfil different but complementary roles. Councillors are the elected representatives of the community and the Officers provide the professional advice and support. This relationship operates at its best as one of partnership. This protocol seeks to guide Councillors and Officers in their relations with one another.

1.2 It is hoped that this protocol will ensure that Councillors and Officers will continue with their respective roles secure in the knowledge that, provided the conditions contained within this protocol are observed, both Councillors and Officers will be protected from accusations of inappropriate conduct or bias.

1.3 The underlying principle of Councillor/Officer relations will, of course, remain the same, namely that the elected Councillors are responsible for agreeing policy and taking all non-delegated decisions; Officers are responsible for providing advice and support, for making decisions under delegated authorities and for ensuring that all the Council's decisions are efficiently and professionally carried out.

1.4 The protocol is supplementary to the Councillors' Code of Conduct, which Councillors undertook to be guided by in their declarations of acceptance of office after election.

2. General Rules

2.1 It is important that any dealings between Councillors and Officers should observe high standards of courtesy and neither party should seek to take unfair advantage of their position.

2.2 A Councillor should not raise matters relating to the conduct or capability of an Officer at any public session of a meeting. In the event that any Councillor has a complaint concerning an Officer's behaviour, conduct or capability and is unable to resolve same through discussions with the Officer concerned, they should raise the matter in the first instance with the Officer's line manager or relevant Head of Function/Director. If after

receiving a written report from the line manager or Head of Function/Director, a Councillor remains concerned, the Chief Executive should be advised. In the event that a decision is taken to take action against an Officer in respect of a complaint lodged by a Councillor, such action shall be conducted in accordance with the Council's disciplinary rules and procedures.

2.3 Similarly, Officers should not raise matters relating to the conduct or capability of a Councillor at any public session of a meeting. Where an Officer feels that he/she has not been properly treated by a Councillor, they should raise the matter with their line manager, Head of Function/Director or the Chief Executive, or Monitoring Officer as appropriate. In the event that the member of staff does not feel able to discuss the matter directly with the Councillor concerned, the line manager, Head of Function, Director, Chief Executive or Monitoring Officer will take the appropriate action by approaching the Councillor concerned and/or his or her group leader.

3. Officer Advice to Councillors and Groups

3.1 Officers serve the Council as a whole and not any individual political group or any individual Councillor.

3.2 The support provided by Officers may involve a briefing meeting prior to a Council, an Executive, committee or sub-committee meeting, and such support, is available to all Councillors and all party groups.

3.3 There are rules for those who provide advice and support to Councillors, such rules relate to both Councillors and Officers. In particular, the rules comprise:

- a) Officer advice and support must relate only to matters of Council business and not to advise on political issues. In the event that an Officer is of the view that it would be inappropriate to provide the advice and support requested by an individual Councillor, he/she may refuse to provide same and will advise their Head of Function, Director or the Chief Executive as appropriate;
- b) Decisions made at party group meetings are not decisions of the Council and must not be treated or acted upon as such by either Councillors or Officers;

- c) Officers should not normally attend formal meetings of political groups and only attend by explicit agreement of the Group and the Chief Executive or Director or a Head of Function;
- d) Where a Councillor requests information from an Officer, that information will not be supplied to any other Councillor unless the Officer supplying the information states at the time of supplying same that the information in question will be made available to other Councillors;
- e) It must not be assumed by any group or individual Councillor that an Officer is supportive of any policy simply because of that Officer's assistance in the formulation of that policy;
- f) In the event that any Councillor or group requires further information of a factual nature prior to a Council, Executive, committee or sub-committee meeting or wishes to query any facts contained in an agenda item or report, they should, wherever possible, ask the relevant Officer prior to the meeting.

4. Support Services to Councillors and Party Groups

4.1 The Council provides a number of services to Councillors, such as personal computers and IT facilities, etc. Such services are provided to assist them in discharging their role as Councillors.

4.2 In using the Council's IT facilities and, in particular, the internet facility, Councillors must comply with relevant Council policies.

5. Councillors' Access to Information and Council Documents

5.1 Access to accurate and up-to-date information and professional advice is vital to enable Councillors to fulfil their elected role effectively. However, access to information and protection of individual and community rights is an increasingly sensitive area, and there is a great deal of legal regulation, both common law and statutory, which governs the rights and restrictions relating to Councillors' access to Council-held information. This section attempts to set out the basic principles and rules to enable Councillors to operate effectively within the law.

5.2 Councillors have a right to approach any Senior Officer to ask for information or seek advice. This right extends only to information, explanation and such advice as they may reasonably need in order to assist them in discharging their role as a Councillor. When seeking such advice or information, Councillors should normally approach a senior Officer of the Function concerned or, on particularly sensitive matters, the relevant Head of Function/Director. In the event of any difficulty, Councillors should approach the relevant Head of Function or Director or Chief Executive.

5.3 As indicated in Paragraph 5.1 above, the legal rights of Councillors to inspect Council documents are covered partly by statute and partly by common law.

5.4 Councillors have a statutory right to inspect any Council documents which contain material relating to any business which is to be transacted at a Council, Executive, committee or sub-committee meeting. Such right applies irrespective of whether the Councillor is a member of the body concerned and applies not only to reports which are to be submitted to the meeting in question, but also to any relevant background papers. This statutory right does not, however, apply to documents relating to items which appear within the confidential part of any agenda for a meeting.

5.5 There is no 'roving commission' for a Councillor to examine books and documents and the common law right of Councillors is based on the principle that Councillors have a prima facie right to inspect Council documents so far as access to the document in question is reasonably necessary to enable the Councillor to perform his/her duties. This is commonly known as "the need to know" principle.

5.6 To exercise the common law right, Councillors must, therefore, prove a need to know. Officers will always do their best to ensure that Councillors are properly informed of significant issues or events affecting their wards or other areas of responsibility. Nevertheless, the requirements of the legislation and, in particular, the Data Protection Act 2018 and the Human Rights Act 1998, make this a difficult area. In matters of concern on this issue, it is for the Officer holding the document in question to determine whether an individual Councillor has a need to know, and such senior Officer may seek advice from the Monitoring Officer in particular cases of difficulty. In the event of dispute relating

to a Councillor's need to know, the matter will be determined by the Audit, Governance and Standards Committee.

5.7 In many cases, a need to know can be presumed. However, where a Councillor requests to see documents containing confidential information, the Councillor will be required to justify the request in specific terms. Certain documents will not be available to Councillors. These documents may contain information which is covered by statute or may be documents which are in the possession of Officers but are likely to be sensitive material, the release of which in the opinion of the Officer would be prejudicial to the Council's interests.

5.8 Further and more detailed advice regarding Councillors' rights to inspect Council documents may be obtained upon request to the Monitoring Officer.

5.9 Any Council information provided to a Councillor must only be used by the Councillor for the purpose for which it was provided (i.e. in connection with the proper performance of the Councillors' duties). Attention is drawn to the relevant section of the Councillors' Code of Conduct:

- a) Not disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where:
 - i. You have the consent of a person authorised to give it; or
 - ii. You are required by law to do so; or
 - iii. The disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. The disclosure is:
 - 1. Reasonable and in the public interest; and
 - 2. Made in good faith and in compliance with the reasonable requirements of the Council; and
 - 3. In all instances listed above you have consulted the Monitoring Officer prior to its release.

5.10 Any Councillor found to be or suspected of being in breach of the requirement to keep the confidentiality of items taken 'in committee' will be the subject of a report to the Audit, Governance and Standards Committee.

6. Officer/Chair/Lead Councillor Relationships

6.1 It is obviously important that there should be a close working relationship between the Chair of a committee and the Officers who report to or interact with that committee. This will also apply between the Leader, Lead Councillors on the Executive and the appropriate Heads of Function/Director and other senior Officers. However, such relationships should never be allowed to become so close or appear to be so close as to bring into question an individual Officer's ability to deal impartially with other Councillors and other party groups.

6.2 The Leader of the Council or the Chair of a committee or sub-committee will naturally be closely involved in the process of formulating an agenda for a meeting, and such bodies and/or the Chair may of course request that matters are placed on an agenda. In addition, Councillors will appreciate that in certain circumstances an Officer will be under a professional duty to submit a report. An Officer will be responsible for the contents of any report submitted in his/her name and, therefore, any amendment to the report will only be made if such amendment reflects the professional judgement of the author of the report. Any issues arising between a Chair and a senior Officer should be referred to the Chief Executive and/or the Monitoring Officer for resolution, in consultation with the Council Leader.

6.3 A decision on Council business may only be taken by the Council, the Leader/Executive, a committee or sub-committee or a Councillor or Officer acting pursuant to delegated powers.

6.4 Finally, it must be remembered that, while Officers may work closely with the Leader, committee Chairs and lead Councillors, they are accountable to their line manager, Head of Function/Director and the Council and cannot go beyond the bounds of whatever authority they may have been given by their line manager, Head of Function/Director or by the Council.

7. Correspondence

7.1 Correspondence, including e-mails, between an individual Councillor and Officer, particularly when it has been initiated by a Councillor, should not normally be copied by the Officer to any other Councillor, unless the Councillor who initiated the correspondence copied it to other Councillors in which case the Officer shall copy his correspondence to those other Councillors. In the event that in certain circumstances it proves necessary to copy the correspondence to another Councillor, this should be made clear to the original Councillor through notation on the correspondence. A system of 'silent copies' should not be employed. Similarly, correspondence sent to all Councillors or groups of Councillors will make the circulation list clear.

7.2 Official letters on behalf of the Council must normally be sent in the name of the appropriate Officer rather than in the name of a Councillor. Letters which create obligations or give instructions on behalf of the Council will not normally be sent out in the name of a Councillor.

8. Ward Councillors

8.1 Whenever a public meeting is organised by the Council to consider a local issue, all Councillors representing the ward or wards affected should, as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, ward Councillors should be notified at the outset of the exercise.

8.2 Officers will not normally attend meetings arranged by Councillors unless this has been discussed and agreed with the appropriate senior Officer or Head of Function/Director in advance in order that proper representation and briefing can be arranged.

8.3 Copies of correspondence to town/parish councils and amenity groups shall always be sent to local ward Councillors, unless the correspondence contains confidential information to which the provisions of Section 5 apply.

9. Conclusion

9.1 Both Councillors and Officers must bear in mind that mutual understanding and basic respect are the greatest safeguard of the integrity of the Council, its Councillors and Officers.

9.2 Copies of this protocol will be issued to all Councillors, together with any other relevant documentation upon their election to the Council.

9.3 Except as specifically provided in this document, questions on interpretation of this protocol will be determined by the Monitoring Officer, unless the provision in question relates to a matter to be determined by the Chief Executive.

9.4 The Audit, Governance and Standards Committee is responsible for reviewing the practical application of this protocol from time to time and making appropriate suggestions for its improvement and development.

9.5 In the event that it is considered that a Councillor or Officer has breached this protocol appropriate action will be taken in accordance with the current Codes of Conduct and/or disciplinary policies and procedures.

Planning Committee Members' Code of Good Practice

1. Overview

The aim of this Code of Good Practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

The key purpose of Planning: to control development in the public interest to facilitate place-shaping and community planning as laid out in the Council's Development Plan.

Your role as a member of the Local Planning Authority: to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.

When the Code of Good Practice applies: this code applies to Councillors at **all times** when involving themselves in the planning process. (This includes decision-making meetings of the Local Planning Authority or when involved on less formal occasions, such as meetings with Officers or the public and consultative meetings.) It applies as equally to planning enforcement matters or site-specific policy issues as it does to planning applications.

Councillors are reminded that this document is only for general guidance, as it cannot cover all eventualities. It is the individual Councillor's responsibility to act correctly under all circumstances. If you have any doubts about the application of this code to your own circumstances you should seek advice early from the Monitoring Officer or one of the Council's Solicitors, and preferably well before any meeting takes place.

2. Background

Planning has a positive and proactive role to play at the heart of local government. It is a powerful tool that helps councils achieve the ambitions of local communities. Good planning stimulates growth and promotes innovation. It helps to translate goals for healthier communities, higher employment, better housing, reduced congestion, educational attainment, safe and sustainable communities into action through well-designed medical centres, offices, universities, homes, roads and other facilities vital to achieving them.

Planning decisions involve balancing the needs and interests of individual constituents and the community with the need to maintain an ethic of impartial decision-making on what can be highly controversial proposals.

The planning process is complex and sometimes highly emotive. It is essential that members of the Planning Committee conduct themselves correctly to avoid complaints

which could have personal consequences and may, in some cases, involve the Council in substantial costs.

For many members of the public, the Planning Committee is the most visible operation of the Council, and one that can affect their lives most directly. Some stand to gain substantial financial benefit from the outcome of a Planning Committee decision.

This Code of Good Practice has therefore been prepared to provide members with additional guidance on their role on the Planning Committee.

3. Roles of Councillors and Officers

The planning system works best when the roles and responsibilities of the many participants essential to its effective operation are clearly understood. It is vital that elected Councillors understand their role and the context and constraints in which they operate.

Councillors

Councillors on the Planning Committee sit as a non-judicial body, but act in a semi-judicial capacity, representative of the whole local community in making decisions on planning applications. They must, therefore:

- a) Act fairly, openly and apolitically;
- b) Approach each planning application with an open mind, avoiding pre-conceived opinions;
- c) Carefully weigh up all relevant issues;
- d) Determine each application on its individual planning merits;
- e) Avoid undue contact with interested parties; and
- f) Ensure that the reasons for their decisions are clearly stated.

The above role applies also to Councillors who are nominated substitutes on the Planning Committee. Where a Councillor, who is neither a member of, nor a substitute on the Planning Committee, attends a meeting of the Committee, he or she is also under a duty to act fairly and openly and avoid any actions which might give rise to an impression of bias or undue influence.

Role of Planning Officers

Planning Officers advise Councillors on planning policy and planning applications. They will:

- a) Provide professional, objective and comprehensive advice;
- b) Provide a clear and accurate analysis of the issues;
- c) Advise on the Development Plan and other material considerations;
- d) Give a clear recommendation; and

- e) Implement the Committee's/Council's decisions (including those made by Officers under powers delegated to them).

4. Members' Code of Conduct

All Councillors must follow the rules laid out in the Members' Code of Conduct to ensure they are, and are seen to be, fair and impartial in their work as a Councillor.

Relationship to the Members' Code of Conduct

Always apply the rules in the Members' Code of Conduct first, which must be complied with. The Members' Code of Conduct can be found in your copy of the Council's Constitution.

Do then apply the rules in this Planning Code of Good Practice, which seeks to explain and supplement the Members' Code of Conduct for the purposes of planning control.

If you do not abide by this Code of Good Practice, you may put the Council at risk of proceedings on the legality or maladministration of the related decision, and yourself at risk of being named in a report made to the Audit, Governance and Standards Committee of the Council.

5. Development Proposals and Interests Under the Councillors' Code of Conduct

Do disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with Officers and other members. Disclose your interest prior to the commencement of discussion on the particular matter in which you have an interest.

Do then act accordingly.

Where your interest is either a disclosable pecuniary interest or a personal and prejudicial interest.

Do not participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Local Planning Authority.

Do ask another ward member to represent the views of the ward. If this is not possible then it is recommended that you put those views in writing to the Committee.

Do not get involved in the processing of the application.

Do not seek or accept any preferential treatment or place yourself in a position that could give the public the impression you are receiving preferential treatment. In other words, if you have a personal and prejudicial interest in a planning application, you should

not seek to use your position as a Councillor to discuss the matter with Officers and other Councillors when a normal member of the public would not have the same opportunity to do so.

Do be aware that, whilst you are not prevented from seeking to explain and justify a proposal in which you have a personal and prejudicial interest to an appropriate Officer (either in person or in writing), this Code of Good Practice places greater limitations on you in representing that proposal than would apply to a normal member of the public.

For example, where you have a personal and prejudicial interest in an application to be put before the Planning Committee, you would have to withdraw from the Committee Room whilst the meeting considers it, whereas an ordinary member of the public would be allowed up to the three minutes to address the Committee and to observe the meeting's consideration of the application. You are permitted to make a statement as per a member of the public, should you choose to do so, but then must withdraw from the meeting. If you declare a disclosable pecuniary interest, then you would also forego the right to make a statement as a member of the public and you must take no part in the proceedings whatsoever.

Do also be aware that, where:

- you have been significantly involved in the preparation, submission or advocacy of a planning proposal; or
- you have been appointed or nominated to an outside body or organisation by the Council as its representative; or
- you are a trustee or company director of the body submitting the proposal and were appointed by the Council;

you should always disclose a prejudicial as well as personal interest and withdraw from the meeting of the Planning Committee.

Do consider yourself able to take part in the debate on an application when acting as part of a consultee body (where, for example, you are also a member of the town/parish Council or you are both a Somerset West and Taunton Councillor and a Somerset County Councillor), provided:

- the proposal does not substantially affect the well-being or financial standing of the consultee body;
- you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;
 - you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward,

- town or parish, as and when it comes before the Planning Committee and you hear **all** of the relevant information; and
- you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Planning Committee;
 - you disclose the personal interest regarding your membership or role when the Planning Committee comes to consider the proposal;
 - **Do** notify the Monitoring Officer in writing of your own applications, and those of relatives and close associates, and note that:
 - notification to the Monitoring Officer should be made no later than submission of the application;
 - the proposal will be reported to the Planning Committee where the Officers have recommended the application for approval; and
 - it is advisable that you employ an agent to act on your behalf on the proposal in dealing with Officers and any public speaking at the Planning Committee.

6. Fettering Discretion in the Planning Process

Before considering this section, it will be helpful to the reader to refer to the broad definition of the term ‘fettering a discretion’ which is set out at Annex A.

Do not fetter your discretion and therefore your ability to participate in the decision-making process by making up your mind, or clearly appearing to have made up your mind (particularly in relation to an external interest or lobby group), on how you will vote on any planning matter prior to its formal consideration at the Planning Committee without having heard the full discussion at the meeting.

Fettering your discretion in this way and then taking part in the decision will put the Council at risk of:

- a) Finding of maladministration; and
- b) Legal proceedings on the grounds of there being a danger of bias or pre-determination or a failure to take into account all of the factors enabling the proposal to be considered on its merits.

Do be aware that you are likely to be considered to have fettered your discretion where the Council is the landowner, developer or applicant and you have acted as, or could be perceived as being, a chief advocate for the proposal. Through such significant personal involvement, you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits.

Do not speak and vote on a proposal where you have fettered your discretion. You do not also have to withdraw, but you may prefer to do so for the sake of appearances.

Do explain that you do not intend to speak and vote because you have, or you could reasonably be perceived as having, judged (or reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes of the meeting.

Do take the opportunity to exercise your separate speaking rights as a ward member where you have represented your views or those of local electors and fettered your discretion, but do not have a personal and prejudicial interest.

Where you do:

- advise the Chair that you wish to speak in this capacity before commencement of the item;
- remove yourself from the member seating area for the duration of that item; and
- ensure that your actions are recorded.

7. Contact with Applicants, Developers and Objectors

Do refer those who approach you for planning, procedural or technical advice to Officers.

Do not agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should never seek to arrange that meeting yourself but should request the Principal Planner to organise it. The Officer will then ensure that those present at the meeting are advised from the start that the discussions will not bind the Local Planning Authority to any particular course of action, that the meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Planning Committee.

Always:

- follow the rules on lobbying (see below);
- consider whether or not it would be prudent in the circumstances to make notes when contacted; and
- report to the Principal Planner any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file.

In addition in respect of presentations by applicants or developers:

Do not attend a planning presentation unless an Officer is present and/or it has been organised by Officers.

Do ask relevant questions for the purposes of clarifying your understanding of the proposals.

Do remember that the presentation is not part of the formal process of debate and determination of any subsequent application. This will be carried out by the Planning Committee.

Do be aware that a presentation is a form of lobbying and you must not express any strong view or state how you or other Councillors might vote.

8. Lobbying of Councillors

Discussions between a potential applicant and a Council prior to the submission of an application can be of considerable benefit to both parties and are encouraged. With the recognition of the need to allow and encourage Councillors to be champions of their local communities it is recognised that Councillor engagement in pre-application discussions on major development is necessary to allow Councillors to fulfil this role.

Do explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it would prejudice your impartiality, and therefore your ability to participate in the Planning Committee's decision-making, to express an intention to vote one way or another or take such a firm point of view that it amounts to the same thing.

Do remember that your overriding duty is to the whole community not just to the people in your ward. You therefore need to make decisions impartially, that should not improperly favour, or appear to improperly favour, any person, company, group or locality.

Do not accept gifts or hospitality from any person involved in, or affected by, a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible and remember to register the gift or hospitality where its value is over £25 in accordance with the Council's rules on gifts and hospitality.

Do copy or pass on any lobbying correspondence you receive to the Principal Planner at the earliest opportunity.

Do promptly refer to the Principal Planner any offers made to you of planning gain or constraint of development, through a proposed S106 Planning Agreement, or otherwise.

Do inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality) who will, in turn, advise the appropriate Officers to follow the matter up.

Do note that, unless you have a disclosable pecuniary interest or a personal and prejudicial interest, you will not have fettered your discretion or breached this Planning Code of Good Practice through:

- listening to, or receiving viewpoints from residents or other interested parties;

- making comments to residents, interested parties, other members or appropriate Officers, provided they do not consist of, or amount to, pre-judging seeking information through appropriate channels;
- being a vehicle for the expression of opinion or speaking at the meeting as a ward member, provided you explain your actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward view, you have not committed yourself to vote in accordance with those views and will make up your own mind having heard **all** the facts and listened to the debate; or
- being a ward member, provided you explain your actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward view, you have not committed yourself to vote in accordance with those views and will make up your own mind having heard **all** the facts and listened to the debate.

9. Lobbying by Councillors

Do not become a member of, lead or represent an organisation whose primary purpose is to lobby to promote or oppose planning proposals. If you do, you will have fettered your discretion and are likely to have a personal and prejudicial interest requiring your withdrawal from any Planning Committee meeting where the application is discussed.

Do join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals, such as the Victorian Society, CPRE, Ramblers Association or a local Civic Society. However, you will need to disclose a personal interest where that organisation has made representations on a particular planning application and make it clear to that organisation (if approached by them) and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal.

Do not lobby fellow Councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.

Do not decide or discuss how to vote on any planning application at any sort of political group meeting or lobby any other Councillor to do so. Political Group Meetings should **never** dictate how Councillors should vote on a planning issue. Any vote taken on political lines will leave the Council open to challenge as set out in section 4 of this code.

10. Site Visits

Whilst it is not the practice for the Planning Committee to make site visits as a Committee, **do** make a personal visit to an application site if you do not feel you will be able to come

to a fair decision without seeing the site. Always try to view the land or building concerned from a public vantage point, for example an adjoining road or a public footpath.

Do ensure that any particular observations you make during the site visit, which are not referred to either in the Principal Planner report or the visual presentation, are reported back to the Planning Committee, so that all Councillors have the same information.

Do ensure that you treat the site visit only as an opportunity to observe the site to clarify particular issues. Wherever possible, make the visit unaccompanied.

Do not hear representations from any other party during the visit. Where you are approached by the applicant, agent or a third party, advise them that they should make representations in writing to the Local Planning Authority and direct them to the Principal Planner.

Do not express opinions or views to anyone.

If you need to enter the site the subject of a planning proposal, **do not** do so without the consent of the owner or occupier and **do not** do so in circumstances where you believe you will not be able to abide by the Good Practice Rules. **Do not** accept an invitation to be shown around by either the applicant, agent or a third party unless you are accompanied by one of the Council's Planning Officers.

11. Public Speaking at Meetings

Do not allow members of the public to communicate with you during the Planning Committee's proceedings (orally or in writing) other than through the scheme for public speaking, as this may give the appearance of bias.

Do ensure that you comply with the Council's procedures in respect of public speaking.

12. Officers

Do not put pressure on Officers to put forward a particular recommendation. (This does not prevent you from asking questions or submitting views to the Principal Planner which may be incorporated into any Planning Committee report).

If you wish to discuss a particular planning proposal outside of any arranged meeting, **do** try to contact the relevant Case Officer or, in his/her absence, another Planning Officer or the Principal Planner.

Do recognise and respect that Officers involved in the processing and determination of planning matters must act in accordance not only with the Council's Code of Conduct for Employees but also their professional codes of conduct (primarily the Royal Town

Planning Institute's Code of Professional Conduct). As a result, Planning Officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

13. Decision-Making

Do come to meetings with an open mind and demonstrate that you are open-minded.

Do comply with the requirements of the Town and Country Planning Act 1990 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise.

Do come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or, that there is simply insufficient information before you, request that further information. If necessary, defer a decision on an application for planning permission or refuse it.

Do not vote or take part in the meeting's discussion on an application unless you have been present to hear the entire debate, including the Officers' introduction to, or visual presentation in respect of, the matter.

Do have recorded the reasons for the Planning Committee's decision to defer any proposal.

Do make sure that if you are proposing, seconding or supporting a decision contrary to Officer recommendations or the Development Plan, that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

14. Training

Do not participate in decision-making at meetings dealing with planning matters if you have not attended the mandatory planning training prescribed by the Council.

Do endeavour to attend any other specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum referred to above and thus assist you in carrying out your role properly and effectively.

Annex A

A Broad Definition of the Term 'Fettering a Discretion'

Fettering a Discretion is one of those unfriendly and legalistic phrases which derive from the statutory basis which underlies all local government decision-making. Unfortunately, it is quite difficult to replace, or to translate into normal English. So, here's a broad definition instead:

It means that where a decision-making body (like a Council, or a Committee or an Executive Councillor) is obliged to exercise some discretionary power under statute, then it must **exercise** that discretion fairly, at the right time and only after taking all proper factors into account. (Deciding upon the fate of a planning application is a good example of such a discretion.)

If, instead of keeping that essential open mind, it can be seen that it (or its members) have already **committed** themselves, in one direction or another, **before the moment when that discretion must be exercised** (i.e. **after** all material factors have been considered) then they are said to have 'fettered their discretion'.

The consequence of such pre-judging can be dire. In a bad case, the validity of the decision could be challenged in a number of ways, including through the courts, with painful and expensive consequences for all concerned, including the Council itself, and for individual Councillors who have left themselves open to this criticism

Employee Code of Conduct

1. Standards

1.1 Where the Council or its officers are dealing with a matter in which an Employee has a private interest, either pecuniary or otherwise, he/she should declare that interest in writing to his/her Head of Function/Director who will decide whether or not the interest is of such a nature that it needs to be brought to the attention of the Executive officer who is dealing with it.

1.2 Somerset West and Taunton Council employees are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality. Employees must not conduct themselves in a manner which could reasonably be regarded as bringing the Council into disrepute

1.3 Employees will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the appropriate level of management any deficiency in the provision of service. Employees must report to their Line Manager or Head of Function/Director any impropriety or breach of procedure. Serious breaches should be reported as set in the Council's Whistle Blowing Policy.

2. Disclosure of Information

2.1 Somerset West and Taunton Council believes that open government is best. Certain types of information are required by law to be made available to members, auditors, government departments, service users and the public. Other types of information, particularly that containing confidential or personal information may not be disclosed unless there is specific authorisation to do so. It is the responsibility of chief officers and managers to ensure that all employees can differentiate between that information which may be disclosed and that which may not.

2.2 Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way.

2.3 Any personal information about another member of staff or Councillor should not be divulged without that person's prior approval, except where such disclosure is required or sanctioned by the law.

3. Political Neutrality

3.1 Employees serve the Council as a whole. It follows, therefore, that they must serve all Councillors and not just those of the controlling group and must ensure that the individual rights of all Councillors are respected.

3.2 It is Somerset West and Taunton Council practice that officers (other than chief officers) should not be required to advise political groups. In the rare event of an employee being asked to undertake such an activity they must do so in a manner, which does not compromise their political neutrality. Employees should also seek the Chief Executive's approval prior to attending such a group meeting.

3.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the Council and must not allow their own personal or political opinions to interfere with their work.

4. Relationships

4.1 Councillors

Employees are responsible to the Council through its senior managers. For some, their role is to give advice to Councillors and senior managers, and all are there to carry out the Council's work. Mutual respect between employees and Councillors is essential to good local government. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other employees and Councillors and should therefore be avoided.

4.2 The Local Community and Service Users

Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of this Council.

4.3 Contractors

All relationships of a business or private nature with external contractors, or potential contractors, should be made known to an Employee's Head of Function/Director. Orders and contracts must be awarded on merit, by fair competition against other tenders, in accordance with the Council's Contracts Procedure Rules and no special favour should be shown to businesses with particular connections to employees, (e.g. friends, partners or relatives). No part of the local community should be discriminated against.

Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship to their Service Manager or Head of Function or Director.

4.4 Colleagues

Employees should treat colleagues with fairness, dignity and respect at all times. Mutual respect between colleagues is essential to good working relationships. The Council will not tolerate bullying, harassment or victimisation of anyone in any form.

5. Appointment and Other Employment Matters

5.1 Employees likely to be involved in appointments must ensure that they have attended the Council's recruitment and selection training course prior to making any appointments. All appointments must be made on the basis of merit. It would be unlawful to make an appointment, which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant or have a close personal relationship outside work with him or her.

5.2 Similarly, employees should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner etc.

6. Outside Commitments

6.1 Senior employees are not permitted to undertake any employment outside the Council especially where this may conflict with the Council's interests. Any employee wishing to undertake other employment must obtain written consent before doing so.

7. Personal Interests

7.1 Employees must declare to their Line Manager in writing any non-financial interests that they consider could bring about conflict with the Council's interests.

7.2 Employees must declare to their Head of Function or Director in writing if they have, or if a person with whom they have a close family or personal relationship has, a financial interest in a contract, potential contract or any financial or other matter being dealt with by the Council.

7.3 Employees who are in debt as a customer to the Council, i.e. Council Tax arrears should declare this to their Head of Function or Director (this does not include payroll debts or approved money owed to the Council, such as car loans, cycle saver scheme etc.). All debts must be declared even if a repayment plan is already in place.

7.4 Where the employee is in a role which involves collecting money or debts owed to the Council or advising customers about meeting payments or other financial obligations this must also be reported to the Section 151 Officer by their Head of Function or Director.

7.5 The circumstances set out in 7.4 above will require the employee to enter into an agreement with the Council for the repayment of all sums owing to the Council as such circumstances may involve a conflict of interest.

7.6 Employees should declare to their Line Manager membership of any organisation not open to the public, such as Freemasonry.

8. Equality Issues

8.1 All employees should ensure that policies relating to equality issues as agreed by this Council are complied with in addition to the requirements of the law. All members of the local community, customers and other employees, irrespective of their age, race, gender, marital status, sexuality and ability, have a right to be treated with fairness and equity.

9. Health and Safety

9.1 The Health and Safety at Work Act 1974 places personal responsibility upon all employees to ensure the health and safety of themselves, colleagues and visitors to the Authority's buildings. All employees should ensure that they are aware of and comply with the provisions of the Act and the Authority's own policy. Employees should also alert their manager or Health and Safety Committee representative of any situation that is likely to cause a risk to health and safety.

10. Separation of Roles During Tendering

10.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Authority. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness.

10.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and subcontractors.

10.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

10.4 Employees contemplating a management buy-out should, as soon as they have formed a definite intent, inform the appropriate Head of Function or Director and withdraw from the contract awarding process.

10.5 Employees should ensure that no special favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

11. Gifts and Hospitality

11.1 Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local Council in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the Council should be seen to be represented. They should be properly authorised and recorded within the gifts and hospitality book held by the Monitoring Officer.

11.2 When hospitality has to be declined those making the offer should be courteously but firmly informed of the procedures and standards operating within the Authority.

11.3 Employees should not accept significant personal gifts from contractors or outside suppliers, although the Council would allow employees to keep small items of token value such as pens, diaries etc providing there was no apparent ulterior motive nor any danger of misinterpretation by the public. In any event all gifts and hospitality of £25 and over must be registered in the gifts and hospitality book.

11.4 When receiving authorised hospitality employees should be particularly sensitive as to its timing in relation to decisions which the Council may be taking affecting those providing the hospitality.

12. Corruption

12.1 Employees must be aware that it is a serious criminal offence for them to corruptly receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity. If an allegation is made it is for the employee to demonstrate that any such rewards have not been corruptly obtained

12.2 Employees must refuse an offer of a gift from any person engaged in negotiating a contract or other matter with the Council, or who has negotiated such a matter and the employee is directly responsible for formulating recommendations to the Council or for monitoring the service received from the person concerned.

12.3 Any employee who is pestered or harassed into accepting gifts or other incentives must inform their Line Manager or the Council's Monitoring Officer immediately.

13. Use of Council Resources

13.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Authority.

13.2 Any intellectual property, such as inventions, creative writing and drawings, created during an employee's contractual hours of employment, belongs to Somerset West and Taunton Council. Employees wishing to use such intellectual property for purposes outside the Council or for obtaining copyright should seek written permission from their Line Manager or where appropriate their Head of Function or Director, in liaison with the Monitoring Officer

14. Sponsorship - Giving and Receiving

14.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

14.2 Where the Council wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to an appropriate manager of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

15. Bequests

15.1 Employees should actively discourage clients from bequeathing property, money or other items to them. Where an employee becomes aware that a client intends to bequeath something to them, they must inform their Line Manager immediately. Wherever possible bequests should be declined, either directly to the Client or to the Solicitor responsible for the will.

15.2 Where it is too late to decline a bequest or to do so would cause undue offence, the employee must submit all relevant details to their Head of Function or Director who will authorise the employees to accept/retain the bequeathed items only if they are satisfied that no undue influence has been exerted on the Client by the employee. A record of this authorisation will be held by the Council's Monitoring Officer. Any allegation that undue influence has been brought to bear will be investigated and, if proven, will be treated as gross misconduct under the Council's Disciplinary Procedure.

16. Compliance with Council Policies

16.1 Employees must comply with all current Council including those included/referred to in the Employee Handbook and those relating to the use and security of the Council's computer systems.

Somerset West and Taunton Council Arrangements for Dealing with Standards Allegations Under the Localism Act 2011

1. Context

These “Arrangements” set out how you may make a complaint that an elected Councillor or co-opted Member of this Authority or of a Town or Parish Councillor within its area has failed to comply with the Authority’s Code of Conduct, and sets out how the Authority will deal with allegations of a failure to comply with the Authority’s Code of Conduct.

Under Section 28(6) and (7) of the Localism Act 2011, the Council must have in place “arrangements” under which allegations that a Councillor or co-opted Member of the Authority or of a Town or Parish Council within the Authority’s area, or of a Committee or Sub-Committee of the Authority, has failed to comply with that Authority’s Code of Conduct can be investigated and decisions made on such allegations.

Such arrangements must provide for the Authority to appoint at least one Independent Person, whose views must be sought by the Authority before it takes a decision on an allegation which it has decided shall be investigated, and whose views can be sought by the Authority at any other stage, or by a Councillor or co-opted Member or Councillor of a Town or Parish Council against whom an allegation has been made.

2. The Code of Conduct

The Council has adopted a Code of Conduct for Councillors, which is part of the Constitution and available for inspection.

Each Town or Parish Council within the Authority’s area is also required to adopt a Code of Conduct. If you wish to inspect a Town or Parish Council’s Code of Conduct, you should inspect any website operated by the Town or Parish Council and request the Town/Parish clerk to allow you to inspect the Town/Parish Council’s Code of Conduct.

3. Making a Complaint

If you wish to make a complaint, please write to The Monitoring Officer, PO Box 866, TAUNTON, TA1 9GS
or email a.tregellas@somersetwestandtaunton.gov.uk

Telephone: 0300 304 8000

The Monitoring Officer has a statutory responsibility for administering the system in respect of complaints of Councillor misconduct.

In order to ensure that we have all the information which we need to be able to process your complaint, **please complete and send us the model complaint form**, which can be

downloaded from the Somerset West and Taunton Council's website – www.somersetwestandtaunton.gov.uk – next to the Code of Conduct, and is available on request from Reception at the Council Offices.

If you have difficulty making your complaint in writing, you will be offered assistance. A request for assistance should be made by contacting the Monitoring Officer, whether in person, by phone or by email (whether by yourself or someone assisting you) using the contact details set out above.

Please do provide us with your name and a contact address or email address so that we can acknowledge receipt of your complaint and keep you informed of its progress. If you want to keep your name and address confidential, please indicate this in the space provided on the complaint form, in which case we will not disclose your name and address to the Councillor against whom you make the complaint, without your prior consent. The Council does not normally investigate anonymous complaints, unless the Monitoring Officer (in consultation with the Independent Person) concludes that there is a clear public interest in doing so and that the fairness of the procedure would be maintained.

It is very important that you set your complaint out fully and clearly and provide all the information at the outset. You should also provide any documents or other material that you wish to be considered. If a complaint does not contain sufficient information, it may not be dealt with.

It is helpful if you provide a covering note summarising what you are complaining about, especially if your complaint includes a lot of supporting documentation. In the summary you should tell us exactly what each person you are complaining about said or did that has caused you to complain. If you are sending supporting documentation, please cross-reference it against the summary of your complaint.

You should be as detailed as possible and substantiate your complaint where you can. Although you are not required to prove your complaint at this stage of proceedings, you do have to demonstrate that you have reasonable grounds for believing that the Councillor(s) complained about has breached the Code of Conduct.

The Monitoring Officer will acknowledge receipt of your complaint within 10 working days of receiving it and will keep you informed of the progress of your complaint. In addition, the Monitoring Officer will also notify the subject Councillor of the complaint and the relevant Town or Parish Council if appropriate.

4. Will Your Complaint Be Investigated?

The Monitoring Officer will review every complaint received and, after consultation with the Independent Person, take a decision as to whether it merits formal investigation. This decision will normally be taken within 2 calendar months of receipt of your complaint. Where the Monitoring Officer has taken a decision, you will be informed of that decision and the reasons for it.

Where additional information is required in order to come to a decision, the Monitoring Officer may come back to you and may also request information from the Councillor against whom your complaint is directed. Where your complaint relates to a Town or Parish Councillor, the

Monitoring Officer may also inform the Town or Parish Council of your complaint and seek the views of the Town or Parish Council before deciding whether the complaint merits formal investigation.

In appropriate cases, the Monitoring Officer may seek to resolve the complaint informally, without the need for a formal investigation. Such informal resolution may involve the Councillor accepting that his/her conduct was unacceptable and offering an apology, or other remedial action by the Authority. Where the Councillor or the Council make a reasonable offer of Local Resolution, but you are not willing to accept that offer, the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

Therefore, not every complaint received will be formally investigated or referred for some action. As a starting point, the preference will be to resolve complaints without the need for a formal investigation. The factors to be taken into account in reaching a decision are:

- Whether a substantially similar allegation has previously been made by you, or the complaint has been the subject of an investigation by another regulatory Authority;
- Whether the complaint is about something that happened so long ago that those involved are unlikely to remember it clearly enough to provide credible evidence, or where the lapse of time means there would be little benefit or point in taking action now;
- Whether the allegation is anonymous;
- Whether the allegation discloses a potential breach of the Code of Conduct, but the complaint is not serious enough to merit any action and:
 - i. the resources needed to investigate and determine the complaint are wholly disproportionate to the allegations;
 - ii. whether, in all the circumstances, there is no overriding public benefit in carrying out an investigation;
- Whether the complaint appears to be malicious, vexatious, politically motivated or tit-for-tat;
- Whether the complaint suggests that there is a wider problem throughout the Authority;
- Whether it is apparent that the Councillor complained about is relatively inexperienced, or has admitted making an error and the matter would not warrant a more serious sanction;
- Whether a simple apology, training or conciliation would be the appropriate response;
- Whether a reasonable offer of Local Resolution is offered by the Councillor the subject matter of the complaint but is rejected by you.

If your complaint identifies criminal conduct or breach of other regulation by any person, the Monitoring Officer has the power to call in the Police and other regulatory agencies.

The Monitoring Officer may discontinue a complaint or terminate an investigation if they

consider it appropriate to do so, having regard to whether the balance of the public interest lies in continuing to action the complaint.

5. How Is the Investigation Conducted?

If the Monitoring Officer decides that a complaint merits formal investigation, an Investigating Officer may be appointed. That Investigating Officer may be another senior officer of the Authority, an officer of another Authority or an external investigator. The Investigating Officer will decide whether they need to meet or speak to you to understand the nature of your complaint. This will allow you to further explain your understanding of events and suggest what documents the Investigating Officer may need to see or who the Investigating Officer may need to interview.

The Investigating Officer would normally write to the Councillor against whom you have complained and provide him/her with a copy of your complaint. They will ask the Councillor to provide his/her explanation of events and to identify what documents they need to see and/or who he needs to be interviewed. In exceptional cases, the Monitoring Officer may delete your name and address from the papers or delay notifying the Councillor until the investigation has progressed sufficiently where it might prejudice the investigation.

At the end of their investigation, the Investigating Officer will produce a draft report and will send copies of that draft report, in confidence, to you and to the Councillor concerned, to give you both an opportunity to identify any matter in that draft report which you disagree with or which you consider requires more consideration.

Having received and taken account of any comments which you may make on the draft report, the Investigating Officer will send their final report to the Monitoring Officer.

6. What Happens If the Investigating Officer Concludes That There Is No Evidence of a Failure to Comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and, if after consulting the Independent Person, is satisfied that the Investigating Officer's report is sufficient, the Monitoring Officer will write to you and to the Councillor concerned and to the Town or Parish Council, where your complaint relates to the Town or Parish Councillor, notifying you that no further action is required. A copy of the Investigating Officer's final report will be given to both of you. If the Monitoring Officer is not satisfied that the investigation has been conducted properly, the Investigating Officer may be asked to reconsider their report.

7. What Happens If the Investigating Officer Concludes That There Is Evidence of a Failure to Comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and, after consulting the Independent Person, will then either send the matter for Local Hearing before the Hearings Panel or seek a Local Resolution.

- a) Local Resolution

The Monitoring Officer may consider that the matter can reasonably be resolved without the

need for a Hearing. In such a case, the Independent Person will be consulted with you as Complainant and seek to agree what you consider to be a fair resolution, which also helps to ensure higher standards of conduct for the future. Such resolution may include the Councillor accepting that his/her conduct was unacceptable and offering an apology, and/or other remedial action by the Authority. If the Member complies with the suggested resolution, the Monitoring Officer will report the matter to the Audit, Governance and Standards Committee and, if appropriate, to the Town or Parish Council, for information, but will take no further action. However, if you tell the Monitoring Officer that any suggested resolution would not be adequate, the Monitoring Officer will consider whether to refer the matter for a Local Hearing or to still seek the informal resolution route.

b) Local Hearing

If the Monitoring Officer considers that Local Resolution is not appropriate, then the Monitoring Officer will report the Investigating Officer's report to a Hearings Sub-Committee, which will conduct a Local Hearing before deciding whether the Councillor has failed to comply with the Code of Conduct and, if so, whether to take any action in respect of the Councillor.

The Monitoring Officer will conduct a 'pre-hearing process', requiring the Councillor to give his/her response to the Investigating Officer's report, in order to identify what is likely to be agreed and what is likely to be in contention at the Hearing. The Chair of the Hearings Sub-Committee may issue directions as to the manner in which the Hearing will be conducted. At the Hearing, the Investigating Officer will present their report, call such witnesses as they consider necessary and make representations to substantiate their conclusion that the Member has failed to comply with the Code of Conduct. For this purpose, the Investigating Officer may ask you as the Complainant to attend and give evidence to the Hearings Sub-Committee. The Member will then have an opportunity to give his/her evidence, to call witnesses and to make representations to the Hearings Sub-Committee as to why they consider that they did not fail to comply with the Code of Conduct.

If the Hearings Sub-Committee, with the benefit of any advice from the Independent Person, concludes that the Councillor did not fail to comply with the Code of Conduct, they will dismiss the complaint, setting out the principal reasons for the decision.

If the Hearings Sub-Committee concludes that the Councillor did fail to comply with the Code of Conduct, the Chair will inform the Councillor of this finding and the principal reasons for the decision and the Hearings Sub-Committee will then consider what action, if any, the Hearings Sub-Committee should take as a result of the Councillor's failure to comply with the Code of Conduct. In doing this, the Hearings Sub-Committee will give the Councillor an opportunity to make representations to the Sub-Committee and will consult the Independent Person, but will then decide what action, if any, to take in respect of the matter.

8. What Action Can the Hearings Sub-Committee Take Where a Member Has Failed to Comply with the Code of Conduct?

The Council has delegated to the Hearings Sub-Committee such of its powers to take action in respect of individual Councillors as may be necessary to promote and maintain high standards of conduct. Accordingly, the Hearings Sub-Committee may:

- a) Publish its findings in respect of the Councillor's conduct;
- b) Report its findings to Council or to the Town or Parish Council for information;
- c) Recommend to the Councillor's Group Leader (or in the case of un-grouped Councillors, recommend to Council or to Committees) that he/she be removed from any or all Committees or Sub-Committees of the Council;
- d) Recommend to the Leader of the Council that the Councillor be removed from the Executive, particular Portfolio responsibilities, as Chair of a committee or from a committee itself;
- e) Instruct the Monitoring Officer to, or recommend that the Town or Parish Council, arrange training for the Councillor;
- f) Remove or recommend to the Town or Parish Council that the Councillor be removed from all outside appointments to which he/she has been appointed or nominated by the Authority or Town or Parish Council;
- g) Withdraw or recommend to the Town or Parish Council that it withdraws facilities provided to the Councillor by the Council, such as a computer, website and/or email and Internet access; or
- h) Exclude, or recommend that the Town or Parish Council exclude, the Councillor from the Council's offices or other premises, with the exception of meeting rooms as necessary for attending Council, Committee and Sub-Committee meetings;
- i) Restricting contact to named officers or requiring contact be through named officers;
- j) Issue a formal letter of advice as to future conduct to the Councillor;
- k) Request that the Councillor tender an apology to such persons as were aggrieved by his or her actions;
- l) Where the Monitoring Officer and the Independent Person are not satisfied that the Councillor has tendered the apology described at k) above or completed such training as arranged at e) above, then the Monitoring Officer shall report the matter to the Chair of the Audit, Governance and Standards Committee who shall cause a meeting of the Hearings Sub-Committee to take place with the purpose of resolving to apply an alternative sanction.

The Hearings Sub-Committee has no power to suspend or disqualify a Councillor or to withdraw Councillors' or special responsibility allowances.

9. What Happens at the End of the Hearing?

At the end of the hearing, the Chair will state the decision of the Hearings Sub-Committee as to whether the Councillor failed to comply with the Code of Conduct and as to any actions which the Hearings Sub-Committee resolves to take.

As soon as reasonably practicable thereafter, the Monitoring Officer shall prepare a formal decision notice in consultation with the Chair of the Hearings Sub-Committee, and send a copy to the Complainant, to the Councillor, any witnesses and to the Town or Parish Council if appropriate, make the decision notice available for public inspection and report the decision to the next convenient meeting of the Council.

10. Who Are the Hearings Sub-Committee?

The Hearings Sub-Committee is a Sub-Committee of the Council's Audit, Governance and Standards Committee. The Sub-Committee shall be politically balanced and comprise of 5 voting Councillors of the Audit, Governance and Standards Committee. The composition of the Sub-Committee shall be determined by the Monitoring Officer after consultation of the Chair of the Audit, Governance and Standards Committee. A Chair of the Sub-Committee shall be elected from among the voting Councillors.

The Independent Person must be present when misconduct complaints against Councillors and co-opted members are being considered by the Hearings Sub-Committee.

At least one co-opted Town or Parish Councillor Member of the Audit, Governance and Standards Committee and one co-opted independent Member of the Audit, Governance and Standards Committee must be present when misconduct complaints against Councillors and co-opted members are being considered by the Hearings Sub-Committee.

11. Revision of These Arrangements

The Council may by resolution agree to amend these arrangements, and has delegated to the Chair of the Hearings Sub-Committee, the right to depart from these arrangements where they consider it is expedient to do so in order to secure the effective and fair consideration of any matter.

12. Appeals

There is no right of appeal for you as Complainant or for the Member against a decision of the Monitoring Officer or of the Hearings Sub-Committee.

If you feel that the Council has failed to deal with your complaint properly, you may make a complaint to the Local Government Ombudsman.
