SWT Housing - Great Homes for Local Communitie

Somerset West and Taunton Housing Revenue Account Business Plan 2020 - 2050

SWT Housing – "Great Homes for Local Communities"

Corporate Strategy:

A district that offers a choice of good quality homes for our residents whatever their age and income, in communities where support is available for those who need it.

SWT Housing:

Our homes will be safe and secure and we will build many more in which our tenants will thrive. To do this we will develop a great team to provide excellent and modern services. We will compare ourselves with the best and match their performance, and seek to win awards to recognise our progress and give assurance we are doing a good job. We will work hard to deliver the following priorities.....

SWT Housing - Our Priorities

work and resources will be directed to help people to lead healthy and ling lives and even more people to access better homes in Somerset West Taunton by:

Delivering more new homes

Providing great customer service

Improving our existing homes and neighbourhoods

livering more new homes

urpose is to run a highly efficient business to enable us to build more new homes

/ill:

eliver 1000 new homes over the next 30 years uild new homes that will help to combat climate ange through their fabric and design.

plement exemplar regeneration in North aunton.

corporate further regeneration into our new ild programme targeting the worst performing ock.

ipport the development of new homes in our ral communities.

Our customers will:

- Have greater choice and access to new social a affordable housing in the Council's area.
- When having their community regenerated have opportunities to relocate or move back into neven homes which will be more comfortable and che to run.

Somerset We and Taunton

viding great customer service

urpose is to ensure our customers consistently experience great service and community su

ll:

ove customer satisfaction through stronger esses and clear responsibility and ownership.

e it easier for our customers to engage with us and ss the information they need, through introducing promoting new technology and offering a wide se of access options

re the voices of our customers are heard and ence the service we offer, by improving how tenants easeholders are engaged and represented

ove how we keep our customers updated on what is ening and how we are performing and ensure there ffective routes for customers to contact us and know view will be taken into account.

de enhanced support for families and communities riencing hardship

Our customers:

- Can expect their needs to be resolved quickly, efficier and with care and be able to self serve for an increasing range of services.
- Will receive prompt acknowledgement and action if the do not go to plan.
- Will be supported to manage their tenancy.
- Feel well informed about what is going on and know where to go to have their say and confidence this will heard.
- Will need to play their part by looking after their home paying their rent and helping us to build strong neighbourhoods.
 Somerset We

and Taunton

proving our existing homes and neighbourhoods.

urpose is to invest in homes and the places where people want to live

/ill:

tinue to invest in the safety of our homes

estigate ways to increase our investment in the rgy efficiency of existing stock.

k after our estates and ensure the service rge is spent wisely, we will investigate ways to ter manage our open spaces to reduce our oon footprint and support nature.

Our customers can expect:

- To live in good quality homes where they feel sa warm and secure and where they can thrive.
- Their communities to be attractive places where choose to live, work and stay.
- To live in homes that are cheaper to run and that reduces our impact on the environment.
