31 March 2019	All Councillors were reminded of the Commemorating West Somerset District Council Service to be held on 31 st March in Watchet Methodist Church followed by The Phoenix Centre, Watchet.

C54 **East Quay Development. Report of the Localities Manager.**

The report, circulated with the Agenda was introduced by Councillor Dewdney and presented by the Locality Manager.

The report updated Members on the recent progress made with The Onion Collective, and sought approval of the lease on part of the land at Easy Quay, Watchet, and approval of a loan to bridge their reducing funding gap.

Each of these aspects supported The Onion Collective in their bid to the Coastal Communities Fund (CCF) for up to £5m of the overall development cost of £7m.

This report followed on from an all Member update briefing on the proposed development and bid for grant funding that took place on 12th December 2018.

The Member briefing on 12th December 2018 set out in detail the proposals of how the Onion Collective would develop and operate the site, including a question and answer session for Members to understand all aspects of the development and its mix of uses. Whilst this report focused on the lease a number of the key benefits were been set out:

- 37 new direct jobs on the developed site
- 166 new indirect jobs due to the increased tourism spend to the West Somerset area (valued at £6.7m per annum)
- 17 safeguarded jobs
- 76 construction jobs, for the duration of the build
- Develop and fund the access road to the development and for the remainder of the site. (£300k - £400k)
- Additional business rates for the council that could reach up to £960k over a decade, however this is subject to the occupants of the units.
- Approximately £230,000 in additional parking revenue over a decade.
- Bringing in £5m-£7m in external regeneration funding to the district.
- Delivering multi-layered social benefits to the tune of £3m per annum (wellbeing, culture, aspiration, mental health).
- Creating an arts/cultural and social enterprise development with a national profile, closely aligned with the interests of government.

A lengthy debate ensued and the following main points were raised:

- This was an important development for Watchet and due to the history of the project there could be further lengthy delays if the recommendations were not passed.
- Further information was requested on the activities the union collective within the last few years. Another project they had delivered successfully was the Minehead Eye.
- It was recognised that further work was required to attract more people into the area and fulfil community ambitions.
- There were some reservations in the approval of the commercial loan and alternative projects that could be funded through this. Councillors requested for the business case to be made available to them.
- Reported that the statutory duties and due diligence had been done when reviewing the terms of the loan and business case. There was sufficient protections in place due to the loan being secured against a building.
- The development would be the responsibility of the New Council, the successor council would take on any liabilities. There was no insurance premium to safeguard the loan although the risk management was set out in the report.
- The funding would be phased in and there was confidence in the loan being returned, although it was recognised that this was not risk free.

C55 **Exclusion of the Press and Public**

Proposed by Councillor Heywood and seconded by Councillor Dewdney:-

RESOLVED that the press and public be excluded during consideration of the appendices A, B, C and D contained in The East Quay Development Report on the grounds that, if the press and public were present during discussion on these documents, there would be likely to be a disclosure to them of exempt information of the class specified in Paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972 as amended as follows:

The appendices contained information that could release confidential information relating to the financial or business affairs of any particular person (including the authority holding that information). It was therefore agreed that after consideration of all the circumstances of the case, the public interest in maintaining the exemption outweighed the public interest in disclosing the information.

Members duly discussed the contents of the relevant appendices.

Re-admittance of the Press and Public

Proposed by Councillor Heywood and seconded by Councillor Dewdney :-

RESOLVED that the press and public be re-admitted to the meeting.

RESOLVED (1) to agree to the award of the lease under the terms set out in the report upon resolution of the conditions in the confidential appendixes, with delegated authority to Head of Localities in consultation with the Leader of the Council to negotiate the final terms.

RESOLVED (2) to agree to the principle of granting a capital financing loan to The Onion Collective for the sum of up to £1.5m with delegated authority to the Head of Localities & S151 officer in consultation with the Leader of the Council to negotiate the final terms. Provision for such a loan to be included in the Somerset West and Taunton Council Capital Programme for 2019/20.

The Meeting closed at 6.04 pm
