Guidance notes for the meeting

Council Public Meetings

The legislation that governs Council meetings requires that committee meetings are held face-to-face. The requirement is for members of the committee and key supporting officers (report authors and statutory officers) to attend in person, along with some provision for any public speakers. Provision will be made wherever possible for those who do not need to attend in person including the public and press who wish to view the meeting to be able to do so virtually.

Inspection of Papers

Any person wishing to inspect minutes, reports, or the background papers for any item on the agenda should contact Democratic Services at

democraticserviceteam@somerset.gov.uk or telephone 01823 357628.

They can also be accessed via the council's website on [Committee structure - Modern Council \(somerset.gov.uk\)](#)

Members' Code of Conduct requirements

When considering the declaration of interests and their actions as a councillor, Members are reminded of the requirements of the Members' Code of Conduct and the underpinning Principles of Public Life: Honesty; Integrity; Selflessness; Objectivity; Accountability; Openness; Leadership. The Code of Conduct can be viewed at: [Code of Conduct](#)

Minutes of the Meeting

Details of the issues discussed, and recommendations made at the meeting will be set out in the minutes, which the Committee will be asked to approve as a correct record at its next meeting.

Public Question Time

If you wish to speak or ask a question about any matter on the Committee's agenda please contact Democratic Services by 5pm providing 3 clear working days before the meeting. (for example, for a meeting being held on a Wednesday, the deadline will be 5pm on the Thursday prior to the meeting) Email

A 20-minute time slot for Public Question Time is set aside near the beginning of the meeting, after the minutes of the previous meeting have been agreed. Each speaker will have 3 minutes to address the committee.

You must direct your questions and comments through the Chair. You may not take a direct part in the debate. The Chair will decide when public participation is to finish. If an item on the agenda is contentious, with many people wishing to attend the meeting, a representative should be nominated to present the views of a group.

Meeting Etiquette for participants

Only speak when invited to do so by the Chair.

Mute your microphone when you are not talking.

Switch off video if you are not speaking.

Speak clearly (if you are not using video then please state your name)

If you're referring to a specific page, mention the page number.

There is a facility in Microsoft Teams under the ellipsis button called turn on live captions which provides subtitles on the screen.

Exclusion of Press & Public

If when considering an item on the agenda, the Committee may consider it appropriate to pass a resolution under Section 100A (4) Schedule 12A of the Local Government Act 1972 that the press and public be excluded from the meeting on the basis that if they were present during the business to be transacted there would be a likelihood of disclosure of exempt information, as defined under the terms of the Act.

If there are members of the public and press listening to the open part of the meeting, then the Democratic Services Officer will, at the appropriate time, ask participants to leave the meeting when any exempt or confidential information is about to be discussed.

Recording of meetings

The Council supports the principles of openness and transparency. It allows filming, recording, and taking photographs at its meetings that are open to the public - providing this is done in a non-disruptive manner. Members of the public may use Facebook and Twitter or other forms of social media to report on proceedings. No filming or recording may take place when the press and public are excluded for that part of the meeting.

Consideration of an application for a Premises Licence in respect of Yeovil Showground

Executive Lead Member: Cllr Federica Smith-Roberts

Division / Local Member: Cllrs Oliver Patrick and Mike Hewitson

Lead Officer: Rachel Lloyd, Licensing Officer

Author: Rachel Lloyd

Contact Details: rachel.lloyd@somerset.gov.uk or 01935 462134

1. Summary

- 1.1 An application has been made by Mathew David Dyhouse, in accordance with the Licensing Act 2003 (LA2003), for the grant of a premises licence in respect of Yeovil Showground, Two Towers Lane, Yeovil, BA22 9TA.
- 1.2 The Licensing Authority has received relevant representations and must therefore hold a hearing for the Licensing Sub-Committee to determine the application.

2. Issues for consideration/recommendations

- 2.1 The Sub-Committee must, having regard to the representations, take one of the following steps as it considers appropriate for the promotion of the licensing objectives:
 - (a) Grant the licence subject to licence subject to those conditions which are mandatory, and such conditions which are consistent with the operating schedule within the application (modified to such extent as the Authority considers appropriate for the promotion of the licensing objectives).
 - (b) Exclude from the scope of the licence any of the licensable activities to which the application relates.
 - (c) Refuse to specify a person in the licence as the premises supervisor.

(d) Reject the application.

- 2.2 In determining the application, the Sub-Committee must have regard, and give appropriate weight, to the following:
- Any relevant representation (including supporting documentation received).
 - Revised guidance issued under section 182 of the LA2003 by the Home Office (August 2023).
 - The Licensing Authority's Statement of Licensing Policy, published in September 2023.
 - Human Rights considerations, in particular Article 6, Article 8, and Article 1 of Protocol 1.

3. Background

- 3.1 The Licensing Authority received an application for the grant of a premises licence in respect of Yeovil Showground on the 18th of September 2023. A copy of the full application is attached at **Appendix 1**, and the plan of the proposed licensed premises at **Appendix 2**.
- 3.2 The purpose of the licence, if granted, is to enable licensable activities to be provided at an annual event, lasting up to 10 days. Reference is made within the application to providing other activities and entertainment which fall outside of the scope of the LA2003, such as a fairground, Santa's grotto and UV golf.
- 3.3 The Licensing Authority is satisfied that the applicant complied with Regulation 28 of The Licensing Act 2003 (Premises licences and club premises certificates) Regulations 2005, requiring the application to be advertised. The applicant provided photographs demonstrating that notices were on display at multiple locations around the premises. Furthermore, a notice was published in the Western Gazette on the 28th of September.
- 3.4 A relevant representation was received from Avon and Somerset Constabulary, but it was subsequently withdrawn following positive negotiations with the applicant that resulted in them agreeing to amend their application. The applicant agreed to conditions supplementary to the steps already identified in the operating schedule and agreed that the licence be time limited to

December 2023, rather than granted in perpetuity. The proposed operating schedule including the conditions agreed with the Police is attached at **Appendix 3**.

3.5 Three relevant representations were received during the representation period, from 'other persons'. This term refers to any individual, body or business who is entitled to make a representation in relation to applications for the grant, variation, minor variation or review of a premises licence. Copies of these representations are attached at **Appendix 4**.

3.6 These representations express concerns in relation to noise nuisance, damage to property and trespassing. In response to these concerns, the applicant made the following statement:

3.7 *"The difference between the Yeovil Christmas Extravaganza event and that of flashback and tribute festivals (other events held at Yeovil Showground under a different premises licence) is that if licensed, the live music at Yeovil Christmas Extravaganza would be confined within a tented structure and we (event organiser) anticipate that the music shouldn't be audible at your home.*

3.8 *"If the event is licensed, the event organiser will also carry out noise monitoring on your road during music performances at the event.*

3.9 *"If the event is licensed there will be a telephone number for complaints during the event."*

3.10 One of the other persons to have made a representation has stated that they have heard noise from other events held in marquees or other tented structures at Yeovil Showground, such a boxing and mixed martial arts event.

4. Appeals

4.1 All relevant parties to the decision of the Licensing Authority have the right of appeal to Magistrates Court, in connection with this matter. This must be done within 21 days of being notified in writing of the relevant decision.

5. Appendices

1. Application
2. Plan of premises
3. Changes to application following negotiations with Police

4. Representations from other persons.

Home Office online right to work checking service

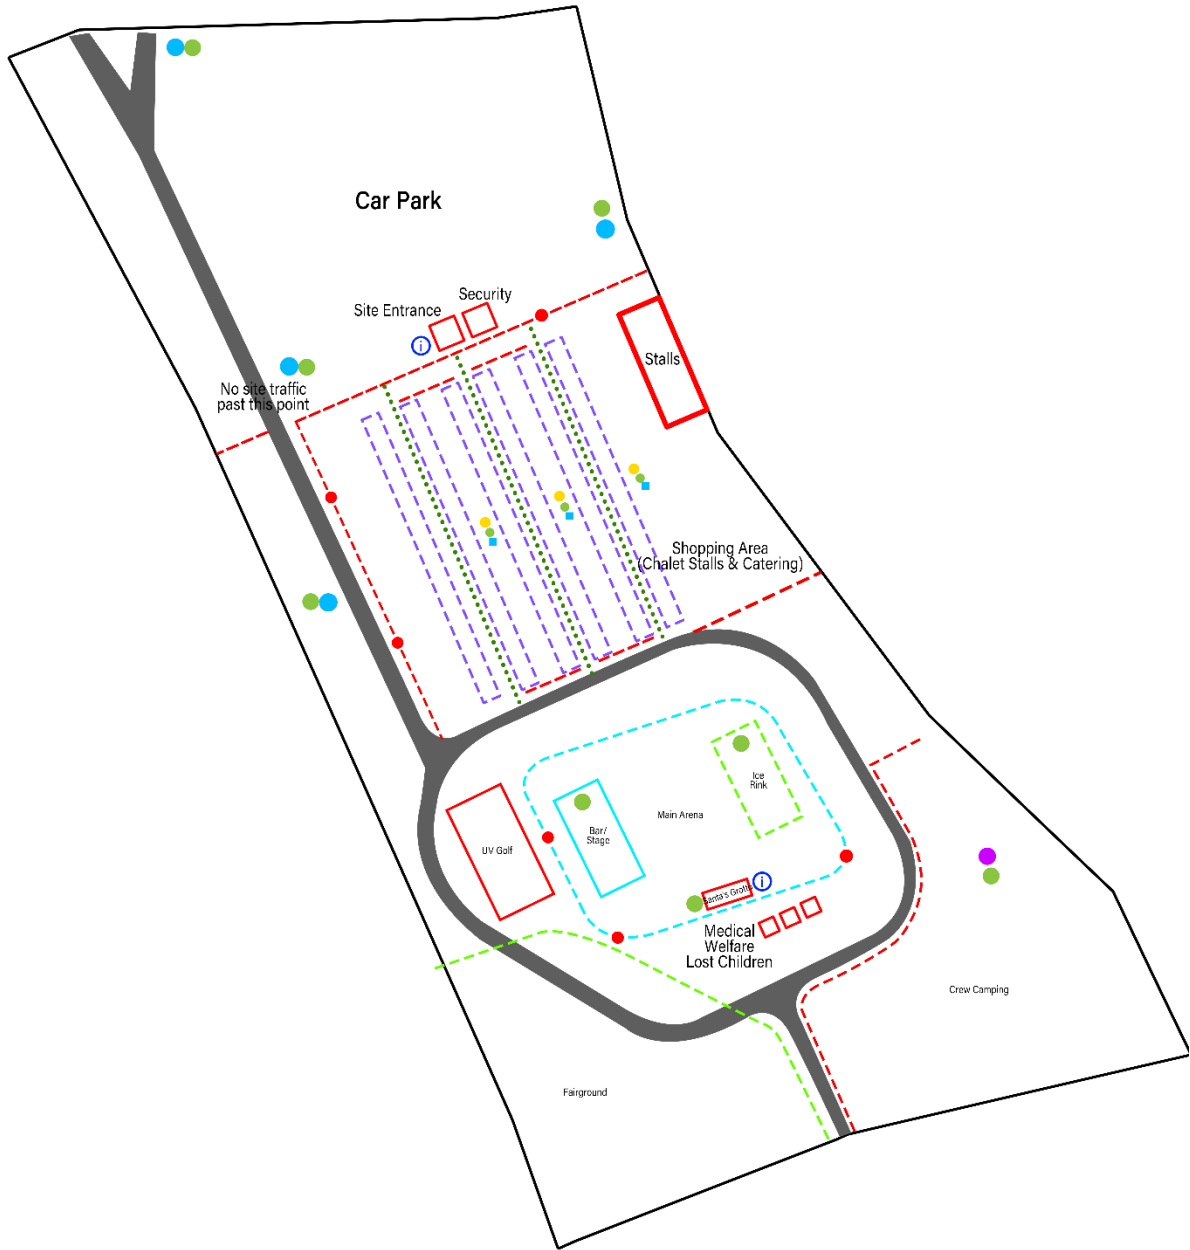

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
