Part A – Items considered in public

<p>A5</p>	<p>Variation of a Premises Licence - The Chapel, Graham Way, Cotford St Luke, Taunton, TA4 1HX</p>	<p>Decision After retiring to deliberate, the Sub-Committee returned and delivered their decision as below. The application has been advertised in accordance with the legislation and any conditions need to be appropriate, necessary, and proportionate.</p> <p>Responsible Authorities The Sub-Committee noted that there had been no representations made by the Police and Environmental Health or any other as Responsible Authorities: that is organisations and bodies identified as such in the Act.</p> <p>Consideration Having considered the submissions, the Statutory Guidance and the Act, the Sub-Committee does not consider that this Application will undermine the licensing objectives. The Other Party was not present before the Sub-Committee and therefore not able to answer questions or elucidate on matters set out in their written representation. Accordingly given the above circumstances the Sub-Committee has had to allocate the appropriate weight to the Other Party’s representations.</p> <p>Conclusion On the evidence before it, having considered all the circumstances, the Sub-Committee grants the application for a variation to the Premises Licence as applied for together</p>
