

## Appendix 4

### Representations from other persons

1.	<p>Euro Garages Ltd have applied to Somerset Council for a premises licence in respect of premises Asda Express PFS, Taunton, Priory Bridge Road, Taunton TA1 1QD. This is for a 24 hour alcohol license and a refreshment license between 23.00 and 05.00 from Monday to Sunday.</p> <p>My husband and I strongly object due to the following reasons:</p> <ol style="list-style-type: none"><li>1. Priory Avenue and Priory Bridge Road are residential areas and as such certain restrictions are already in place and should remain so.</li><li>2. Noise restrictions and the delivery of goods and petrol between 23.00 and 07.00 are forbidden.</li><li>3. The prevention of public nuisance</li><li>4. Public Safety</li><li>5. Prevention of crime and disorder. At present the garage shuts its doors each evening at 20.00 hours due to shoplifting and public order disturbances. This can only get worse once its discovered that once the pubs close the garage would still be selling alcohol.</li></ol> <p>We have old age pensioners, children, people who have to be up early for work all living in this residential area, so the upheaval would be enormous. We have already had to put up with the garage opening 24/7 when originally we were told this would never happen, but now to be told that alcohol and late night food will be sold is unforgivable. Once again I will remind you this is a residential area. Please ensure this does not happen.</p> <p>Denise and Peter Gange 68 Priory Avenue Taunton TA1 1YA</p>
2.	<p>Good Afternoon,</p> <p>MA/56546 Cllr Paul Tooze 45 Eastbourne Road, Taunton, TA1 1SU</p> <p>Prevent Public Nuisance:</p> <p>As the town Councillor for this area I would like to voice my concerns in relation to the proposal to sell alcohol after midnight / throughout the night in this location.</p> <p>The Tesco fuel station on East Reach closes at midnight. My concern is that after this outlet has closed each night, is that residents of East Reach,</p>

## Appendix 4

	<p>Trinity and the surrounding areas will cross Victoria Park in order to purchase alcohol.</p> <p>Returning through the park where the consumption of alcohol is not permitted, there is a strong likelihood that local residents on Priory Avenue will be disturbed / awoken by noise. If these customers decide to remain in the park to consume the alcohol then this will cause even more disturbance, littering, and potential distress for residents.</p> <p>Please could the potential problems that selling alcohol throughout the night be consider by the licencing panel.</p> <p>Kind Regards Paul Tooze</p>
