SECTION B: GENERAL INFORMATION

2. Introduction

- 2.1. The Local Government Act 1972 section 135 requires the Council to have standing orders for how it enters into contracts. These Contract Procedure Rules (the "Rules") are the standing orders required by the 1972 Act. They form part of the Council's Constitution and are, in effect, the instructions of the Council, to officers and elected members, for entering into contracts on behalf of the Council.
- 2.2. These Rules are the Contracting Authority's (the "Council") rules for the buying, renting and leasing of Goods, Services and Works and apply to all Relevant Contracts made by the Council unless otherwise specified herein.
- 2.3. The aim of these Rules is to assist Officers in achieving best practice and lawful procurement, to ensure that the Council fulfils its duty of delivering Best Value for its council taxpayers and excellent outcomes for its service users.
- 2.4. The Rules also provide a basis for fair competition by providing transparent and auditable procedures to protect the Council's reputation from any suggestion of dishonesty or corruption.
- 2.5. These Rules apply to all Officers of the Council or any companies or organisations within the Council's control. They are part of the Council's Constitution and therefore Officers have a duty to ensure they have fully understood them and have sufficient authority prior to commencing any procurement or contracting activity (see *Section 12. Pre- Procurement Authorisations*).
- 2.6. Officers must also ensure that any persons or organisations acting on behalf of the Council fully comply with these Rules.
- 2.7. These Rules are mandatory and shall govern and regulate the Council's procurement and contract award procedures. Officers must also refer to the Commercial and Procurement Team ("Commercial and Procurement") for more detailed guidance throughout the procurement process.
- 2.8. The expectation is of compliance to these Rules and in any cases of doubt

advice must be sought from Commercial and Procurement. Failure to follow these Rules may be dealt with as a breach of the Council's standards of conduct and in certain instances may be treated as gross misconduct and give rise to action under the Council's disciplinary policy and procedure (see *Section 46. Non-compliance to the Rules*).

- 2.9. If upon reading the Rules the Officer discovers a lack of clarity or wishes to ensure their comprehension and compliance, they must consult with Commercial and Procurement for advice and guidance. The Officer shall not be excused from these Rules on grounds of a lack of understanding.

- 11.2. The Officer shall take advice from Commercial and Procurement to ensure that the proposed method of engaging the market or particular potential candidates does not preclude them from participating in any subsequent procurement activity so as to ensure that the approach does not undermine Best Value, lead to the award of a dissatisfactory Contract or increase the risk of a procurement legal challenge. The proposed method of engaging the market or particular potential candidates must also not prevent the Council from choosing a supplier that offers the best balance between the whole life cost (from acquisition to disposal) of goods and services against predefined requirements.
- 11.3. Suppliers consulted during market engagement activities shall only be excluded from the procurement process where there are no other means to

ensure compliance with this section in its entirety. Potential candidates must be given the opportunity to prove that their involvement in market engagement activities is not capable of distorting competition.

Such exceptional circumstances shall only be determined by Commercial and Procurement in conjunction with Legal Services and as such the Officer must seek advice on their acceptable use.

41. Early Termination of Contract

41.1. The date on which the Contract will terminate, and the terms on which the Contract may be terminated early (e.g. for breach of Contract) must be

clearly described within the Contract.

42. Variation, extension, assignment and novation

42.1. Variation

- a. A variation to a Contract may involve:
 - (i) a change to the specification
 - (ii) a one-off item of work or particular service or
 - (iii) change in terms affecting the Contract.
- b. Variations must not exceed the scope, financial value or duration of the advertised Contract.
- c. Where the Officer considers that a proposed variation may materially change or exceed the specification, price or duration of a Contract, advice must be obtained from Commercial and Procurement and Legal Services.
- d. Variations to Contracts must be approved and signed by the relevant officers in accordance with the Council's Officer Scheme of Delegation.

42.2. Extension

- a. Extensions of Contracts may only be made where:
 - (i) there is budgetary provision
 - (ii) Best Value can be clearly demonstrated and
 - (iii) for Contracts below the EU Exit Regulations Threshold:
 - the extension is within the scope (description of Goods, Services or Works, duration and Total Contract Value) and
 - there is a provision stipulated in the original Contract for an extension
 - the extension does not cause the Total Contract Value to

exceed the relevant EU Exit Regulations Threshold or

- a waiver request form is completed where no specific provision exists in the Contract

(iv) for Contracts at or over the EU Exit Regulations Threshold:

- the extension is within the scope (description of Goods, Services or Works, duration and Total Value) of the original Contract and
- the original Contract Notice advertised and the Contract permits the extension.

- b. Where the Officer considers that a proposed extension may materially change or exceed the specification, price or duration of a Contract, advice must be obtained from Commercial and Procurement and Legal Services. Extensions to Contracts must be approved and signed by the relevant officers in accordance with the Council's Officer Scheme of Delegation.

42.3. Assignment and Novation

- a. In the event of the Officer becoming aware that a Supplier is entering into a change of control, insolvency, bankruptcy, receivership or liquidation the Officer must inform Commercial and Procurement and Legal Services immediately. The Supplier shall only be permitted to assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof with the prior written consent of the Council. The Council reserves the right to decline a Supplier that is deemed to be not suitable. If a suitable alternative is not identified the Contract must be re-Tendered.

42.4. General

- a. Any approved variation or extension must be by deed or Contract variation, which will be contractually binding on both parties.
- b. Variations, extensions, assignments and novations must only be signed by officers with the delegated authority to do so by reference to the

Council's Officer Scheme of Delegation.

43. Supplier Resilience

- 43.1. Contract Managers are required to undertake regular supplier resilience checks. For Tier 1 and Tier 2 contracts, this should be undertaken as a minimum on an annual basis and include checks on the supplier's operational, financial and reputational resilience including business continuity, insurance provision, financial credit rating, identification and management of key risks and emergency planning arrangements such as disaster recovery.
- 43.2. Evidence of review and testing of supplier Business Continuity Plans should be received regularly, for all Tier 1 and Tier 2 contracts at least annually and consideration given to how supplier failure may impact a Service's own business continuity arrangements, whether directly or indirectly.
- 43.3. Further information and guidance on contract management can be found in the Contract Management Framework and in the Managing Contractors policy.

44. Waivers

- 44.1. Whilst the requirements of these Rules are intended to be followed in respect of all Relevant Contracts the requirement to undertake a competitive tendering exercise may be waived by Commercial and Procurement or the Director or Finance and Governance in highly exceptional circumstances.
- 44.2. The Officer must consult with Legal Services and Commercial and Procurement before considering any waiver request.
- 44.3. It must be noted that not allowing sufficient time to Tender shall not be considered an emergency.
- 44.4. For Contracts of £100,000 or below for Goods and Services and £250,000 for Works where a waiver is necessary the Officer must complete the relevant waiver request form and seek the approval of an appropriately empowered officer under the Council's Scheme of Delegation and the Head of Commercial and

Procurement.

- 44.5. For Contracts over £100,000 or Goods and Services and £250,000 for Works where a waiver is necessary the Officer must complete the relevant waiver request form and seek the approval of an appropriately empowered officer under the Council's Officer Scheme of Delegation and Section 151 Officer.
- 44.6. The Officer is responsible for ensuring that the waiver request forms are duly completed, reported to Strategic Commissioning Group (in line with thresholds) and signed prior to the award of a Contract. All waiver requests shall be reported regularly to the Governance Board by the Head of Commercial and Procurement.
- 44.7. No waiver shall be granted for Contracts over the EU Exit Regulations Threshold unless expressly permitted by Commercial and Procurement and Legal Services. The officer shall contact Commercial and Procurement for advice under these circumstances. Any request for a waiver deemed by the Head of Service to be a potential breach of the Rules, will be considered within the Council's governance procedures.

45. Exemptions

- 45.1. In addition to the waiver categories above there may be certain, very limited, exemptions from the application of the Rules that apply under the Legislation. These can only be executed with the prior written approval of Legal Services and Commercial and Procurement.
- 45.2. Pension Fund administration and governance arrangements are separate from main Council affairs and consequently not all of the requirements of these Rules apply to the Pension Fund. Exclusions will in the main only apply to approvals and reporting whilst all other principals surrounding the Rules and statutory requirements will remain. Where exemptions apply, these will be stated in the Pension Fund Scheme of Delegation and updated and approved periodically.

46. Non-compliance to the Rules

- 46.1. Officers are required to comply with the Rules at all times.
- 46.2. The Head of Commercial and Procurement shall report any non-compliance to the Rules to the next available meeting of the Governance

Board.

- 46.3. Governance Board shall be responsible for determining the course of action to be taken in the event of non-compliance.
- 46.4. Where, in consultation with Commercial and Procurement and Legal Services, it is determined that the breach can be remedied by taking appropriate steps or measures the Officer shall comply with the proposed course of action.
- 46.5. Where the breach has given rise to, or is likely to give rise to, illegality or maladministration the Governance Board shall notify the Monitoring Officer.
- 46.6. In the event of illegality or maladministration the Governance Board will determine that the Officer is also in breach of the Council's standards of conduct, which under certain circumstances may be treated as gross misconduct and give rise to action under the Council's disciplinary policy and procedure.
- 46.7. Where the breach gives rise to disciplinary action the Governance Board shall notify the Director of Customers, Digital & Workforce.
- 46.8. In the event that these Rules are not complied with, this will not invalidate any Contract entered into by or on behalf of the Council, except where the Relevant Legislation provides to the contrary.
