Issues	None				
Next Steps	<ul style="list-style-type: none"> Measures that reflect the key strategic shifts to be developed by end of January. Critical dependencies on corporate and wider organisation support to be established and worked through with the relevant corporate leads. Starting with immediate priority areas in January Options appraisal for AIS to be completed by February. 				

Improving Children's Services

Children's Priorities 2017/18

Ensuring the Children's improvement agenda is delivered and remains visible and supported. Embedding the tools needed for practitioners to undertake their roles in relation to Early Help and Safeguarding.

Delivering a multi-agency response to SEND following peer review feedback, focussing on improvement in services, quality assuring our statutory duties and preparation for a local area inspection across education, health and care.

Senior Responsible Owner Julian Wooster		Previous status:	A	Current status:	A
Achievements	<ul style="list-style-type: none"> Improved guidance around early help arrangements. (November 2017) Health colleagues have stepped up their engagement with their participation in 2 recent sessions with the Council for Disabled Children and attendance at all SEND Panels. (December 2017) A Personal Budget Policy for Education is in draft and the mechanisms to implement payments are being finalised. (December 2017) Mobilisation of the Choice for Life area panels was achieved during the autumn term and focusses on preparing for adulthood. (October - December 2017) Agreement to implementation of the Capita Citizens Portal which will bring a range of benefits for the SEND Casework Team, Parents, Young People and Professionals by SEND Operational Management Group in December 2017. Ofsted inspection completed. (December 2017) 				
Issues	<ul style="list-style-type: none"> Awaiting sign off of the Information Sharing Agreement by CCG and Sompar. Leadership capacity remains an ongoing challenge as there is still a significant amount of work to do on SEND in 2018, two Assistant Director posts have been advertised and interviews will take place in January 2018. 				
Next Steps	<ul style="list-style-type: none"> Council for Disabled Children (CDC) Audit for SEND services being completed across Education, Health and Care (December 2017). A series of networking opportunities will be offered for SEND practitioners. Implementation of the Capita Citizens Portal to begin early 2018. High Priority Themes

Reviewing to Improve Lives (RTIL)

Ensuring that, in future, services for Adults with a Learning Disability are commissioning and provided in a way that delivers quality and promotes independence, progression and aspiration.

Senior Responsible Owner: Stephen Chandler		Previous status:	R	Current status:	R
Achievements	<ul style="list-style-type: none"> Completed reviews are enabling improved outcomes for a significant number of individuals. Data gathered from use of Care Funding Calculator informing preparations for provider negotiations commencing in January 2018. 				
Issues	<ul style="list-style-type: none"> Not on track to deliver projected £1m in year saving (17/18). 				
Next Steps	<ul style="list-style-type: none"> Further checkpoint (January 2018) expected to revise profile of future year savings and confirm approach to RTIL review process. Progress rollout against revised delivery plan. Roll out of learning from completed reviews commenced (January 2018). Complete high cost provider negotiations (March 2018). Refresh of business case for SLT approval. (March 2018) 				

Children's Placements					
Ensuring the Council provides adequate and effective placement options for our children looked after; this forms part of the Council's sufficiency duty.					
Senior Responsible Owner: Julian Wooster		Previous status:	A	Current status:	A
Achievements	<ul style="list-style-type: none"> Peninsula Fostering Framework tender has closed with award decisions to be made by Cabinet in January 2018. Placement summit held across social care, education and commissioning to address placement stability issues which identified a number of additional improvement actions that are being incorporated and tracked through a refreshed Placements action plan. (October 2017) Progress report on SWAP recommendations regarding placement financial controls delivered to Audit Committee. (November 2017) 				
Issues	<ul style="list-style-type: none"> Lack of capacity in fostering market is a national issue and there is no quick fix, resulting in increasing reliance on more costly residential care. A level of savings through cost avoidance is being achieved but against a backdrop of rising costs within the system. Additional resources recruited to support delivery of Placements activity by addressing capacity constraints in service are not yet all in post or fully functional. Placements is a complex and system-wide issue which requires a range of internal teams and external agencies and providers working together in the best interests of children. This will take time and effort to fully implement a coherent approach. 				
Next Steps	<ul style="list-style-type: none"> SWAP follow up audit (expected January 2018). Induction of new starters to ensure fully effective at earliest opportunity (January - March 2018). Workshop to address issues, including rising costs within system and Ofsted expectations outlined following November inspection. (February 2018) Refresh of sufficiency statement (for March 2018 Corporate Parenting Board). Review and refresh of Placements action plan and Business Case to ensure concerns via Ofsted inspection are addressed, and that costs / benefits are identified and recorded. (Commencing January 2018) 				
Family Support Service					
Integrating Early Help services (health visitors, school nurses (Public Health Nursing) and getset) to provide one family support service that is more effective at providing co-ordinated, preventative and early help support for families, thereby improving outcomes for children and managing costs against a reducing budget.					
Senior Responsible Owner: Trudi Grant & Julian Wooster		Previous status:	A	Current status:	A
Achievements	Public consultation for Family Support Services and Children's Centres completed. (December 2017)				
Issues	Overall capacity to deliver is limited and therefore support needs to be prioritised on this work to deliver within the timeframes needed to achieve the vision set out in the Children and Young People's plan.				
Next Steps	<ul style="list-style-type: none"> Options Appraisal completed and Commissioning Board updated. (Expected to complete January 2018) Complete democratic decision making reports for Scrutiny Children's and Families (26th January 2018) and Cabinet (12th February 2018). 				
RAG status definitions					
Green – Programme/Project on target. Nothing that the Programme/Project Manager (PM) can forecast that will prevent the project/programme being completed to time, cost and quality.					
Amber - Currently some issues. The project/programme is not progressing in line with the plan, resources, benefits, quality or stakeholder management expectations.. However, the PM/Senior Responsible Owner (SRO) agree that the actions in place will resolve things.					
Red - Current issues that are having a significant impact on the plan, milestones, benefits or quality of the project/programme. If there are actions in place, the SRO/PM are not confident that those will bring resolution.
