# Recruitment to Tier 2 Posts in Somerset Council

## Appointments Committees Briefing Paper

---

Lead Member: Cllr Bill Revans

Division and Local Member: n/a

Lead Officer: Duncan Sharkey

Author: Chris Squire – Director of Customers, Digital & Workforce

### 1. Background

1.1 Somerset Council will be established on 1<sup>st</sup> April 2023, with the four District Councils being abolished and their functions transferring to Somerset County Council, as the continuing authority. The programme to achieve this merger has the following objectives:

- Create a new unitary Council for Somerset that delivers the approved business case on 1 April 2023.
- Enable performance capability – to deliver the approved business case vision on 1 April 2023.
- Develop the new council to optimise benefits and opportunities from 1 April 2023 to 31 March 2025.

The process to appoint a chief executive for the new council was completed in July 2022, with the appointment of Duncan Sharkey to Somerset County Council (as the continuing authority designated to become Somerset's unitary local authority). The programme is now preparing to appoint the leadership team ('tiers two & three') to the new Council.

On 18 March 2022 the Secretary of State made the Somerset (Structural Changes) Order 2022 (SCO). The SCO formalises the decision to implement local government reorganisation in Somerset and sets out the legal framework for implementation. Staff at the four district councils employed immediately before the transfer will become Somerset Council employees on 1 April 2023; in the case of local government reorganisation, this is confirmed in Regulation 3 of the Local Government (Structural and Boundary Changes) (Staffing) Regulations 2008.

A consultation on the new structure and pre-transfer collective redundancy consultations took place from 10<sup>th</sup> November 2022 to 12<sup>th</sup> December 2022. This consultation also covered:

- The proposed structure for the top 3 tiers of Somerset Council and the process to recruit to the posts at tiers 2 and 3.
- Proposed redundancies that will be made post Vesting Day by Somerset Council, as a result of Tiers 2 & 3 restructuring.

Any changes proposed to SLT and supporting officer structures are subject to consultation with the Executive and informing Full Council of the changes. Changes will be agreed via a formal decision taken by the Chief Executive

## **1.2 Purpose of the Restructure**

The opportunities presented by local government reorganisation are huge, as are the challenges that the new organisation will face. Bringing together 5 organisations will help the new Council to realise positive change, including:

- Putting the people of Somerset at the heart of the new Authority.
- Creating new local opportunities for residents to have a real say about their own communities.
- Cutting red-tape.
- Freeing up money that can be spent on real local issues and challenges, including:
  - Caring for our most vulnerable residents
  - Delivering life-chances for our children and young people
  - Reducing rural isolation and loneliness
  - Delivering the housing each community needs
  - Investing in climate change
  - Boosting economic growth, jobs and apprenticeships.

It is anticipated that the restructuring of senior teams will result in approx. £2 million of savings.

The existing structures within each of the 5 Councils vary significantly both in terms of roles and levels. It is not sustainable or manageable for the existing senior leadership structures to remain with the creation of a single Council. It is vital to the delivery of the new Council that an effective and sustainable leadership team is in place, in time for Vesting Day on 1<sup>st</sup> April 2023, to help realise the opportunities that local government reorganisation presents, and to deliver financial stability to the organisation.

- 1.3** The Chief Executive proposed a structure for Tiers 2 & 3 in Somerset Council, with a list of functions by directorate. This proposal was agreed with the Leader of Somerset Council and the Executive. The proposal has subsequently been consulted on with staff and trade unions – see sections 3.1 – 3.3

After careful consideration of the responses from staff and trade unions to the consultation, the Chief Executive decided that the posts that will exist at Tier 2 necessary for the Council to meet its objectives are those set out in section 1.5 and 1.6 below. The proposed job title for one of the roles was changed, following feedback from staff as part of the consultation, from Director of Strategy, Performance & Localities to Director of Strategy, Workforce & Localities.

- 1.4** As a result, the Appointments Panel confirmed the process which includes:

- Job Descriptions
- Salaries
- Appointments Committees

The Briefing Paper for the Appointments Panel can be seen in Appendix Two. The Chief Executive having determined following consultation the roles that will

exist at Tier 2 agreed the job descriptions for the roles detailed in section 1.5.

**1.5** As a result of these considerations, the decision was taken to recruit to the following posts:

- Executive Director of Climate & Place
- Executive Director of Community Services
- Executive Director of Resources (151 officer)
- Executive Director of Strategy, Workforce & Localities

**1.6** The Chief Executive also took a decision to exclude three posts from Tier 2 Appointments Processes (see below, section 2.2). These are as follows:

- Executive Director of Adults' Services
- Executive Director of Children's Services
- Executive Director of Public Health

## **2. Options Considered**

**2.1** To advertise the four Tier 2 posts externally. This was discounted, due to employment law considerations, retention and development of current talent in the five local authorities and the additional time that it would take to appoint to the posts.

**2.2** To include the posts of Executive Director of Adults' Services, Executive Director of Children's Services and Executive Director of Public Health within this restructure. This was rejected, as the posts are broadly the same after Vesting Day and there are no comparable roles in Somerset's district councils.

## **3. Consultations undertaken**

**3.1** A 30-day consultation process has been completed, which gave all staff and recognised trade unions the opportunity to feedback on the structure. This included the statutory 30-day pre-transfer collective consultation period to consult with the elected representatives of staff in roles that are immediately affected by proposals in respect of tiers 2 & 3. The Consultation Paper can be seen in Appendix Three.

**3.2** The consultation with staff was concluded on 12<sup>th</sup> December 2022. There were 135 responses to the consultation and each one has been answered individually, with a collective response to the consultation also written. All questions and answers (anonymised and depersonalised) will be shared with staff.

**3.3** The Chief Executive read all the responses to the staff consultation and took the view that the response to the consultation did not present any issues which required material changes to the Tier 2 structure. There will be further work on the Tier 3 structure, as a consequence of the consultation and following the appointments to Tier 2 posts. Recruitment to Tier 3 posts will follow an additional decision by the Chief Executive.

- 3.4** The Leader of the Council and the Executive have been consulted on the structure, in line with section 7.1 of the Constitution. Full Council will be informed of the final structure at its meeting on 22<sup>nd</sup> February 2023.
- 3.5** A set of principles to govern Organisational Change has been agreed with trade unions and chief executives. This can be seen in Appendix Four.
- 3.6** An Equalities Impact Assessment to support the 30-day pre-transfer redundancy consultation can be seen in Appendix Five.

#### **4. Process**

The selection processes for these roles include the following:

- Invitation to staff to submit a 'matching' request, if they believe that their current role is broadly the same as the advertised post. Requests were assessed by a panel comprising HR advisors, a job evaluation specialist, a representative from the recruitment partner (Faerfield) and recommendations made to the relevant Appointments Committee. There were no matched roles.
- Written application including supporting statement and CV.
- Psychometric Assessments.
- Interview with staff panel.
- Interview with stakeholder panel, to include partner organisations.
- Interview with the relevant Appointments Committee.

Members of the Appointments Committees met on 4<sup>th</sup> January to shortlist candidates for interview.

## Analysis of impact on protected groups

The Public Sector Equality Duty requires us to eliminate discrimination, advance equality of opportunity and foster good relations with protected groups. Consider how this policy/service will achieve these aims. In the table below, using the evidence outlined above and your own understanding, detail what considerations and potential impacts against each of the three aims of the Public Sector Equality Duty. Based on this information, make an assessment of the likely outcome, before you have implemented any mitigation.
