1. Summary/link to the County Plan

- 1.1. Members have asked that we review forthcoming agenda items coming to future Audit Committee meetings, and that officers ensure that the Committee continue to receive details about all Partial Assurance audits in a timely manner. A draft Forward Work Plan will be brought to the Audit Committee at least quarterly.

2. Issues for consideration

- 2.1. Members are asked to consider the outline agenda for the next meeting on 27 August, **in Appendix A** and note this is a new meeting date and will replace the July meeting.
- 2.2. Members are asked to comment on any further items that they would like to be scheduled at future meetings and whether they would like to have a further update or training event on any of these audits, risks or topics.

3. Background

- 3.1. There are a number of “staple” Audit Committee items that are part of our annual cycle around the Statement of Accounts, or around the annual Internal Audit Plan, which the Audit Committee will need to review in order to secure the necessary assurance to carry out its role. Within that cycle, there can be scope for additional items to come to the Audit Committee where members or officers perceive a risk or issue that needs to be managed.

The Committee has set out the requirement for any internal audit from SWAP that only achieved Partial Assurance to come to a future public meeting and for the manager(s) responsible to update members as to their progress against the agreed action plan for improvements. We will continue to bring Partial Assurance audits to the Audit Committee regularly, to ensure that they are responded to promptly. Elsewhere on this agenda is a schedule of current partial audits and members may wish to discuss and agree which are considered in more detail at a future meeting of Committee.

- 3.2. The Value For Money opinion from Grant Thornton, our external auditors, has included a number of recommendations as to how the County Council can improve a number of its processes. This is being tracked within JCAD, our risk management system. Members have indicated that they wish to see this tracker at every Audit Committee meeting.
- 3.3. The Committee agreed at its 30 January 2020 meeting that the Strategic Risk Management update report and the Debtor Management report now be presented on a quarterly basis.

4. Consultations undertaken

- 4.1. None required

5. Implications

- 5.1. Any items requested not yet covered by the draft Forward Work Plan at Appendix A will require scheduling by officers, in conjunction with the Chair and Vice-Chair.

6. Background papers

- 6.1. Previous Audit Committee decisions on the process for dealing with Partial Audits.
