1. Summary / link to the County Plan

- **1.1.** The management of risk has a direct link to the Council's Business Plan, the Medium-Term Financial Plan, forms an integral part of the Annual Governance Statement (AGS) and is a major component of the External Auditor's Value for Money Audit. Risk management is an essential component of good corporate governance.
- **1.2.** The Account and Audit Regulations 2015 require the Council to have in place effective arrangements for the management of risk. These arrangements are reviewed annually and reported as part of the Annual Governance Statement (AGS).
- **1.3.** This report contains the latest information strategic risk information obtained from our risk management system, JCAD Core.

2. Items for consideration

- **2.1.** The current strategic risk report **Appendix A** is a record of the 10 strategic risks owned by individual members of SLT.
- **2.2. Appendix B** is a summary of those strategic risks that have seen a change to their current score or status since the last report to Audit Committee. Changes to strategic risks were reported to Governance Board on 18th January and then to SLT, as part of the Governance Board Update, on 26 January.
