2023 Boundary Review – Parliamentary Constituencies

# 2023 Boundary Review – Parliamentary Constituencies

The Boundary Commission for England have published their new revised proposals for constituencies across the country and have opened a final month-long consultation, giving the public a last opportunity to send in their views.

The public are invited to view and comment on the new map at [bcereviews.org.uk](https://bcereviews.org.uk) and submit their responses by **5 December 2022**.

After this final consultation has closed on 5 December, the Commission will analyse the responses and form its final recommendations. These will be submitted to Parliament by 1 July 2023.

The changes to highlight for the Somerset area are that they have made minor changes to the Taunton, and Tiverton and Minehead proposed Constituencies, which have been renumbered 48 and 51 on the final map.

# Current Constituencies

There are currently five constituencies all of which lie within the existing Somerset County boundaries. These are:

Bridgwater and West Somerset

Somerton and Frome

Taunton Deane

Wells

Yeovil

# Map of Current Constituencies

# Re-cap on the initial changes

In the Avon, Somerset and Devon sub-region, the increase by two in the number of constituencies has meant that significant change to the existing pattern of constituencies is necessary.

The proposals would result in there being seven constituencies which affecting Somerset County. They are Bridgwater, Frome, Glastonbury and Somerton, Taunton, Tiverton and Minehead, Wells and Mendip Hills, and Yeovil.

Three of the proposed constituencies cross county boundaries.

The proposed Tiverton and Minehead constituency will cross the county boundary between Somerset and Devon. The proposed Wells and Mendip Hills constituency will cross the county boundary between Somerset and North Somerset, and Frome constituency will cross the county boundary between Somerset and Bath and North East Somerset.

# Amendments to the Initial Proposals

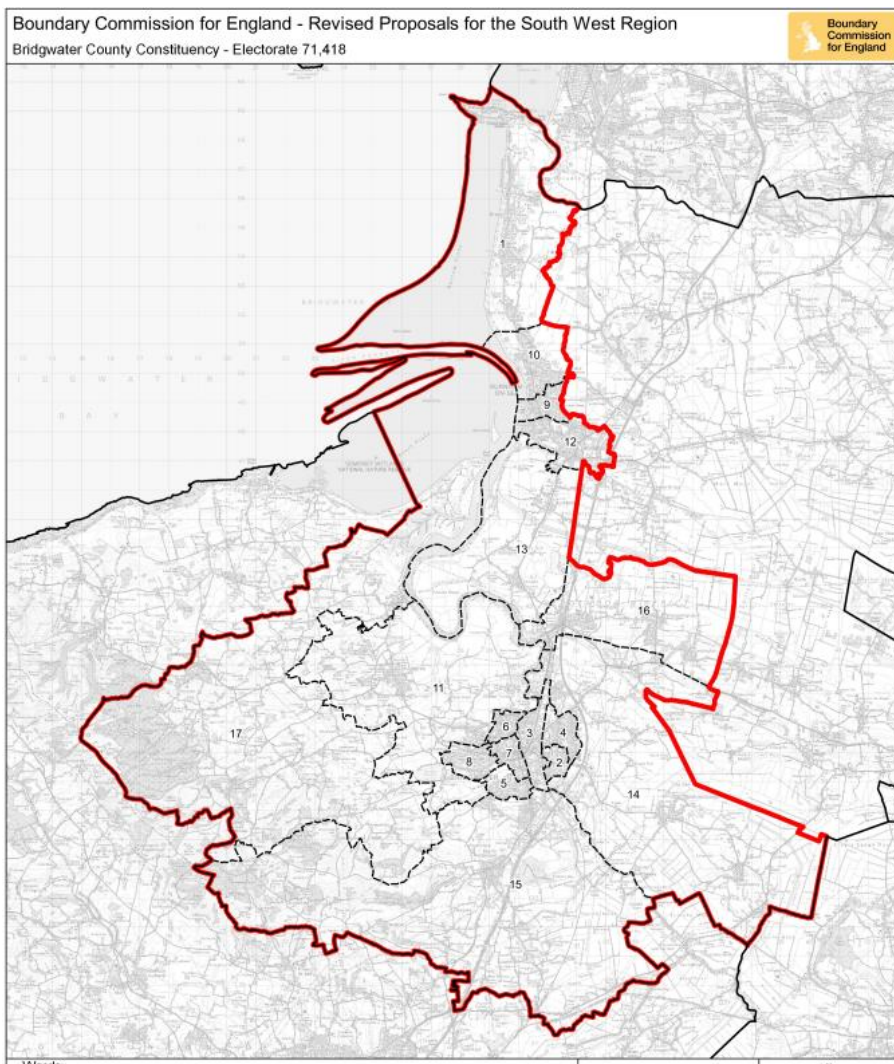

The only amendments affecting initial proposals for Somerset constituencies are the inclusion of the Norton Fitzwarren & Staplegrove ward in the Taunton constituency, and the Upper Culm ward in Tiverton and Minehead constituency.

The maps of the proposed constituencies the subject of this final consultation are shown on the following slides.
