

## **Scheme of Delegation to Officers**

### **1. Introduction**

- 1.1 All functions of the Council, except those decisions that are specified as member decisions in the Terms of Reference of the Full Council, a Committee or the Executive, or which by law have to be made by members, are delegated to officers.
- 1.2 This Scheme therefore sets out the powers of officers of the Council to discharge the functions of the Council, including making those decisions. The basis for delegation is contained within Section 101 of the Local Government Act 1972, Section 9D and 9DA of the Local Government Act 2000, and the Local Authorities (Functions and Responsibilities) Regulations 2000 as amended.
- 1.3 Officers acting under delegated powers can exercise the full range of powers necessary to discharge the Council's functions, including taking decisions, implementing decisions, managing the services, contracts and staff for which they are responsible.
- 1.4 In this Scheme, executive powers have been delegated to officers by the Leader of the Council under the Local Government Act 2000. Non-executive powers are delegated by the Council under section 101 of the Local Government Act 1972.
- 1.5 In addition to this Scheme, the Full Council, Committees and the Executive may delegate powers to officers, unless their Terms of Reference prohibit further delegation. Such delegations include the full range of powers to discharge the function, unless the decision of the member body limits these powers.

### **2. Limitations**

- 2.2 Any exercise of delegated powers is subject to the following overriding limitations.

#### **2.1 Member Consultation**

- 2.1.1 Officers set out in the Scheme are expected to: -
- maintain a close liaison with the appropriate lead Executive member (“Lead Member”) or in their absence the Leader;
  - consult relevant Lead Members when exercising key decision delegations;
  - inform relevant Lead Members when exercising non key delegations;
  - ensure the divisional councillors are consulted or advised of the exercise of any delegated powers that particularly affect their area; and
  - ensure that the Chief Executive (Head of Paid Service), Executive

Director of Finance (Section 151 Officer) and the Service Director: Governance, Democratic & Legal Services (Monitoring Officer) are consulted and advised of any decisions as necessary.

- 2.1.2 Lead Members for the relevant area should be consulted on the exercise of a delegated power in all cases where:
- there is likely to be significant opposition from members of the public save that this does not relate to objections to planning applications, building control applications, decisions on planning enforcement, or licensing decisions;
  - there are significant political sensitivities;
  - there is likely to be significant media (including social media) interest; or
  - A key decision is being taken.

## **2.2 Using a Delegation**

- 2.2.1 Before exercising any delegated power, officers must consider in accordance with paragraph 2.1.2 whether or not they need to consult with the relevant Lead Member on the exercise of delegated powers or not to exercise delegated powers but to refer the matter to the relevant Lead Member or Council Body to decide.
- 2.2.2 The Leader Lead Member or Committee Chair (depending on where the decision sits) may at any time, following consultation with the Chief Executive and relevant officer, require a particular issue or any aspect of delegated powers to be referred to the appropriate Council Body for a decision. This does not limit the general requirements set out elsewhere in the constitution to consult with relevant divisional members, scrutiny chairs and interested groups in reaching decisions.
- 2.2.3 The Chief Executive can at any time exercise any power delegated to any officer whether specified in this Scheme or otherwise unless expressly prohibited by law. At any time that the Chief Executive is unavailable or absent, or the post is vacant, then any of the Executive Directors can exercise any such power.
- 2.2.4 The powers and responsibilities are delegated to the officers referred to by title within this Scheme of Delegation. This means that the delegations apply to whoever holds that post title at any time. The powers are automatically transferred to any successor officer to that post. Also, at various times, an officer post may be left vacant, posts may be combined and/or the title changed. For the purposes of this Scheme, reference to any post that is vacant, combined with any other and/or has its name changed shall be construed as referring to the officer post which for the time being takes on the relevant responsibilities of the original post.
- 2.2.5 Where a delegation to an officer overlaps with any other delegation, then the delegation can be exercised by the officer without reference to any other officer or members and free of any restriction and/or limitation.
- 2.2.6 These general provisions apply not only to named officers but also to anyone else

authorised or nominated by them to exercise delegated authority on their behalf. In authorising others to act on their behalf attention should be drawn to the requirements of these provisions.

2.2.7 Nothing in this Scheme shall prevent an officer from deciding not to exercise a power and to refer it to some other body /member who also has power to exercise it.

2.2.8 Where a proposed exercise of delegated authority is such that the Leader should be consulted and the Leader is absent or otherwise unavailable then the Deputy Leader can be consulted. Similarly, in the absence of the Chairman of a Committee the Vice-Chairman can be consulted. In the absence of a Lead Member the Leader could be consulted as an alternative.

## **2.3 Reservations**

2.3.1 The scheme does not delegate to officers:

- any matter reserved to Full Council;
- any matter which by law may not be delegated to an officer; or
- Any matter expressly withdrawn from delegation by the Council, Committees, the Leader or Executive.

## **2.4 Restrictions**

2.4.1 Any exercise of delegated powers is subject to:

- any statutory restrictions;
- the Budget and Policy Framework;
- any provision contained in this Constitution including the Procedure Rules;
- the Council's approved budget;
- any strategy or policy set by the Council or its committees, the Executive or the Chief Executive; and
- the Code of Conduct for Employees.

## **3. Delegations and Proper Officers**

3.1 Council decisions are made by elected members but for the Council to be able to function on a day-to-day basis, the law enables the various executive and non-executive functions to be delegated to officers. In addition, there are some functions which the law says must be exercised by specific officers.

3.2 The Council operates a cascade principle of delegation to ensure that decisions are taken at the most appropriate level closest to those who will be affected. This means that the

vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its officers.

- 3.3 To ensure the smooth functioning of the Council and the efficient delivery of services, the Chief Officers and other named officers have been delegated various powers that they need to perform their roles. Reference to Chief Officers means the Chief Executive, Executive Directors and Service Directors.
- 3.4 Certain officers have specific duties and/ or formal functions to ensure that the Council acts within the law, uses its resources wisely and exercises its powers properly. These officers are known as “Statutory” or “Proper” Officers. A list of Statutory and Proper Officers and their authorised deputies appointed by the Council are attached at Appendix C, together with details of their functions.
- 3.5 This Scheme delegates to officers all the powers and duties relevant to their areas of responsibility detailed within:
- the areas of responsibility in Table A below;
  - the general delegations set out in clause 4;
  - as assigned in specific delegations set out in clause 5; or
  - which have been delegated or granted to the officer from time to time.

## **6. Officer Decision-Making**

### **Officer Delegation**

- 6.1 Any delegation to an Executive Director or Service Director or an officer includes authority for any further sub-delegation within the relevant area of responsibility (including cross-directorate delegation where appropriate). Officers shall devolve responsibilities for service delivery and management to those staff who represent the nearest practicable point of delivery to the service user.
- 6.2 All Executive and Service Directors will establish a list of authorised officers for the functions / services / budgets that they manage on behalf of the Council.
- 6.3 Where any authorised officer is absent for any period, their immediate line manager or Senior Leadership Team officer with management responsibility for that officer may nominate in writing another officer to act in his or her place and shall make a record of all such nominations with the Council's Monitoring Officer. Alternatively, the line manager for an authorised officer who has overall responsibility for that function may take the decision.

### **Recording and Publishing Officer Decisions**

- 6.4 The following paragraphs establish a system to document certain decisions taken by officers under delegated authority.

### **Types of officer decisions**

- 6.5 An 'Executive decision' is one made in connection with the discharge of a function which is the responsibility of the Leader and Executive and which has been delegated to officers.
- 6.6 A 'Non-Executive decision' is one made in connection with the discharge of a function that is the responsibility of Full Council and its committees and which has been delegated to officers.

### **Key Decisions**

- 6.7 Key Decisions are Executive decisions that are likely to:
- 6.8 (a) result in expenditure or savings of £500k or more; or
- 6.9 (b) have a significant effect on communities living or working in an area comprising two or more wards.
- 6.10 As soon as reasonably practicable after a Key decision has been made, **officers** must produce a written statement, available for inspection at the Council's offices and published on the Council's website, that includes details of:
- the decision and the date it was made;
  - the reasons for it;
  - any alternative options considered and rejected;
  - any conflicts of interests declared by any Lead Member consulted by the officer and any dispensations granted by the Chief Executive in respect of any declared conflict;
  - the report considered by the decision-maker;
  - any background documents disclosing facts or matters on which the decision was based and which were relied on to a material extent in making the decision.

### **Records of officer decisions**

- 6.11 The significance of decisions taken under delegated powers will vary, and officers authorised to make delegated decisions need to exercise judgment in determining whether decisions are significant enough to require formal recording and publishing. Advice of the Monitoring Officer should be taken into account in reaching this conclusion.

### **Decisions over £500k AND / OR where they have a significant effect on communities living or working in two or more Councillor divisions**

- 6.12 These decisions qualify as key decisions and officers must liaise with the Democratic Services team at the earliest opportunity in order to comply with the necessary pre-publication and consultation requirements ahead of a key decision being taken by an officer, a Lead Member, by two Executive Members or **the** Executive.
- 6.13 Specific guidance notes and report templates are available for key decisions on the intranet and from Democratic Services. Democratic Services retain decision records and background papers for at least 6 years.

### **Decisions involving between £50k and £499k spend / savings, going out to tender (all**

## **contract values over £50k), declaring assets/property surplus to requirements (all assets over £50k in value) and consultation responses**

- 6.14 Where officer decisions result in total expenditure or savings of between £50k and £499k (Capital or Revenue) then officers are required to complete the necessary decision record for approval by an authorised officer. The authorised officer signs the record to give their approval. A copy of the completed and signed decision record must be given to the Democratic Services. In all other circumstances, the service will be required to retain a copy of the decision record / evidence of compliance with the Scheme of Delegation and the Council's decision-making requirements.
- 6.15 Specific guidance notes and the decision record template for these decisions are available on the intranet and from Democratic Services. Democratic Services will retain the decision records for at least 6 years, as should report authors.

### **Decisions involving less than £50k spend / savings**

- 6.16 Where officer decisions result in expenditure or savings of less than £50k (Capital or Revenue) then officers are required to produce and keep their own decision records, supporting information and background papers for at least 6 years. Report authors can choose to use the officer decision report template for decisions between £50k and £499k if they so wish, but a copy does not have to be sent to Democratic Services.
- 6.17 The only exceptions to the above arrangements are:
- Provision of SEN services to individuals
  - Provision of Safeguarding and Care services to individuals
  - Agreed inflationary increases on contracts within Safeguarding and Care
  - The purchase of service packs
