7.19 The order of speaking and time limits for Planning Committee meetings will be as follows:

3 minutes each	3 minutes shared	3 minutes shared	3 minutes shared	3 minutes shared

7.20 Where speaking times are shared, there is an overall time limit of three minutes in total, not three minutes each. Speakers in the above categories will be encouraged to coordinate with each other so that repetition can be avoided. At the Chair's discretion the time allowed may be increased. A speaker may nominate a single spokesperson to speak on their behalf.

Voting

7.21 When a Planning Committee is considering any item, a member of the Committee must be present throughout the entire presentation and subsequent debate on the item, in order to vote on that item.

7.22 All members of the Committee will have one vote. The Chair will have a second or casting vote in the event of the votes cast being tied. Matters subject to a vote will be decided by a simple majority of the votes cast.

7.23 Voting will be either for the recommendation as it appears in the written report, including any update report, (or as amended by the Planning Officer verbally at the meeting) or subject to a. and b. below for the amendment to the recommendation (as proposed by a member of the Committee) or an alternative proposal. Where there is more than one amendment proposed, they will be voted on in the order in which they are proposed.

- a. Before voting on a resolution, the effect of which is to refuse permission contrary to the officer recommendation, the Committee must identify the planning reasons behind the decision before the vote is taken, which may need to be justified in the event of an appeal or other challenge.
- b. Before voting on a resolution, the effect of which is to grant planning permission contrary to the officer recommendation, the Committee must approve relevant conditions and reasons for the departure from the officer recommendation. The detailed compilation and attachment of relevant conditions and reasons can be delegated to Officers.
- c. Once the Committee has before it the full resolution and the reasons for such, the Chair can invite planning and legal officers to advise on the clarity and validity of the reasons, including any associated risks. If

there is any concern about the reasons, the Committee may consider deferring the item to another meeting for the reasons to be tested and discussed at the next convened meeting.

7.24 Any Councillor of the Committee may request that their name be recorded in the Minutes of the meeting recording the way they have voted in respect of any item.

7.25 Where there is ambiguity in the way votes are cast, the Chair may request Committee members to confirm their votes before the Committee's decision is recorded.

Site Visits

7.26 Officers may organise a pre-Committee site visit where they feel it would be a valuable part of the planning process. However, they can cause additional costs and should only be used where the expected benefit is substantial. A decision to carry out a pre-Committee site inspection should normally only take place:

- a) If the impact of the proposed development is particularly difficult to visualise from the plans and any supporting material; or
- b) There is considerable local concern about a proposal, allied to planning reasons for carrying out the visit (e.g. the physical relationship of the site to other sites in the neighbourhood).

7.27 When site inspections take place, careful arrangements must be made to ensure that all parties are treated fairly and equitably, and that the appropriate standards of propriety are seen to be upheld, particularly to avoid the visit being seen as part of a lobbying process. Accordingly, the following rules will apply:

- a) The visit will be led by a planning officer.
- b) Members should not seek to have discussions either with the applicant or with members of the public who may be present. The public should not be invited and have no right to enter a site without the consent of the occupier. However, attendance does occur from time to time and requires careful handling to ensure confidence in subsequent decision making.
- c) If discussions do take place, no view on the merits or otherwise of the proposal should be given, as to do so may lead to suspicion that the individual Member had already made up his or her mind. Members should keep together, avoiding side discussions.
- d) Members should not engage individually in discussions with the applicant, Agent, objectors, third parties or members of the public who may be present as again suspicion may arise that this is part of the lobbying process rather than the information-gathering process.
- e) No hospitality should be accepted at site visits,

- f) Members may, at the site visit, ask officers questions or seek clarification on matters relevant to the site inspection.
- g) A site visit is not a formal meeting of the Planning Committee and therefore a Member with a Disclosable Pecuniary Interest is not debarred from attending. However, such a member must take care to ensure that;
 - i) nothing he or she does at the site visit breaches the Members Code of Conduct and
 - ii) he or she does not imply that he or she will be part of the decision making process at the Planning Committee.

Site Inspections by Individual Members

7.28 Members are able to look at an application site following the receipt of the agenda and prior to the date of the Planning Committee meeting. This will enable them to acquaint themselves with the nature of the proposal and will help avoid delay and unnecessary site visits. However, Members should only conduct such site inspections from a public vantage point and should not meet with or discuss the application with any applicant/agent or third party on site.

Other Matters

7.29 The undertaking of such training as determined by the Service Director on planning and other functions falling within the remit of the Planning Sub-Committees and Strategic Planning Committee, probity in decision making, is a pre-requisite to membership of, and substitutes for this Committee.

7.30 From time to time the Planning Committee may consider reports on other items falling within the Committee's terms of reference, such as performance reports, appeals, or proposed changes to national or regional planning policy.

7.31 In those circumstances the procedure to be followed will be as described for public items above except that, there being no Planning Application for the Committee to determine, there will be no provision for public speaking before the Committee.

8. Delegation of functions

8.1 The majority of the Committees functions will be performed by Officers as set out in Part X of the Constitution. These delegations are subject to:

- a) Any such delegation being consistent with the Development Plan, National Planning Policy Framework and any other applicable legislation and government guidance; and
