1. Summary / Background

- 1.1** The purpose of this report is to inform the County Council of the persons elected as Members (also known as Councillors) of Somerset County Council at elections held on 5 May 2022.

For the first time in Somerset County Council's history, the election saw 110 Councillors elected to 55 two member divisions. This was in accordance with the Somerset Structural Changes Order 2022 as part of the transition to the new Somerset Council. For their first year in office, elected members will be responsible for all Somerset County Council services before making the transition to become unitary members when the new Somerset Council comes into being on 1 April 2023.

Extensive planning and preparation for the elections was undertaken across the five councils over several months. Verification took place following the close of polls, with counts commencing at 10am on 6 May 2022. The Counts were undertaken at four venues across the County in Bridgwater, Shepton Mallet, Taunton and Yeovil.

The four district councils undertook the verification and counts for the City, Town and Parish Council elections that were also held on 5 May with results announced on 6 and 7 May.

- 1.2** Some key statistics from the election include:

- The Somerset electorate is 434,652.
- The overall election turnout was 37% - this can be broken down by each voting area as follows:
 - Mendip – 39%
 - Sedgemoor – 30%
 - Somerset West and Taunton – 39%
 - South Somerset – 38%
- 80,923 postal votes were issued.
- 477 polling stations were used on election day.
- 1995 people were involved in administering the polling stations on 5 May and the four voting area counts on 6 May.
