Addendum – Council – 29/09/2022 - Community governance review of the unparished area of Taunton and eight neighbouring parishes – report on second stage consultation and final recommendations

Introduction

This addendum report presents updated and additional information in relation to the matters set out in the above report to the Full Council meeting on 29 September 2022.

Map showing the proposed changes to parish boundaries

A plan illustrating the proposed changes to parish and parish ward boundaries that would result from implementation of the final recommendations of the community governance review was circulated at Appendix B to the Council report.

An updated copy of this plan, showing each of the areas proposed for transfer from one parish (or the unparished area) to another more clearly and aligned with the text of the draft Reorganisation Order has now been prepared and is attached to this addendum report.

Revised recommendation 2.4 A (xi)

In order to clarify and more fully describe the outcome of the Working Group’s deliberations in relation to the boundary between the proposed new Taunton Parish and Bishop’s Hull, Recommendation 2.4 A (xi) is amended to read as follows (additional wording in italics):

xi) With the exception of *the River Tone flood plain to the east of Silk Mills Road at Longrun Meadow*, Galmington Trading Estate and a small section south of the A38 near Rumwell, no part of Bishops Hull Parish be included within the boundary of the proposed new Taunton Parish.

Warding of the proposed Taunton Parish

Section 9.19 of the report includes a table recommending the warding arrangements for the proposed new Taunton Parish/Town Council. Appendix D is a map illustrating those proposed warding arrangements.

Since the publication of the report the Working Group has given further consideration to the detail of the boundary between the proposed Lyngford and Obridge wards in order to achieve greater electoral equality. For clarity it is also proposed to describe the proposed area of two of the other wards slightly more fully.

Pursuant to this and the previous item, the entries in the table at section 9.19 for five proposed wards are amended as follows:

Lyngford	Part of existing Priorswood district ward as shown on	2508	1
-----------------	---	------	---

	the map at Appendix 'D'		
Manor & Tangier	Existing Manor & Tangier district ward plus the area around Longrow Meadow, currently in Bishops Hull Parish, and minus the small triangular residential area at the cross-section with Wellington Road (to Bishops Hull Parish)	2,426	1
Obridge	Part of existing Priorswood district ward as shown on the map at Appendix 'D'	1377	1
Pyrland	Part of existing Priorswood district ward plus a small area currently within Cheddon Fitzpaine Parish as shown on the map at Appendix 'D'	2,698	1
Wellsprings & Rowbarton	Existing Wellsprings & Rowbarton district ward plus a small area currently within Cheddon Fitzpaine Parish as shown on the map at Appendix 'D'	4,418	2

A revised map to replace that circulated as Appendix D is attached to this addendum report.

The transfer of assets etc to a new Taunton Parish/Town Council

Recommendation 2.3 of the circulated report proposes that Somerset West and Taunton Council seek Somerset County Council Executive's agreement in principle to use a phased approach to transfer the assets and services starting with those identified in Appendix I, where reasonably practicable on 1 April 2023.

Somerset County Council's Executive gave initial consideration to this matter on 21 September 2022. The Executive resolved as follows:

- 1) Endorsed and recommended the report and recommendations 2.1- 2.10 in the report of Somerset West and Taunton Council Community Governance Review Working Group to the Extraordinary meeting of the County Council on 5 October 2022.
- 2) Agreed in principle, subject to the County Council making the Order, to use a phased approach to transfer the assets and services to the proposed new Taunton parish/town council starting with those identified in Appendix I, where reasonably practicable on 1 April 2023 and that officers from the County Council and Somerset West and Taunton Council work collaboratively ahead of vesting day to finalise the proposed assets and services to transfer for consideration and approval by the Executive.

Draft Reorganisation Order

The report circulated with the Council agenda includes, at Appendix A, a draft Reorganisation Order which the meeting is asked to recommend Somerset County Council to make to give effect to the final recommendations of the community governance review.

Pursuant to the above changes and updates, the text of the draft Reorganisation Order has been amended and additional information included. The revised version is attached. A number of matters of detail remain to be added and recommendation 2.5 in the report is therefore amended as follows:

- 2.5 That accordingly Somerset County Council be recommended to make a Reorganisation of Community Governance Order to give effect to the above recommendations based on the draft Order attached at Appendix 'A' and that the Monitoring Officer or Deputy Monitoring Officers be authorised to finalise the text of the draft Order to be submitted to Somerset County Council.

Cheddon Fitzpaine Parish Council

The Council has been notified of a possible legal challenge to the recommendations of the community governance review by Cheddon Fitzpaine Parish Council. Any further information received prior to the Council meeting will be notified to members at the meeting. In the meantime the following document is attached to this addendum report for Members' information:

- A chronology describing the powers and duties attaching to a principal council in conducting a community governance review and how these have been discharged in relation to the current review, both generally and in relation to any considerations and recommendations in respect of Cheddon Fitzpaine.

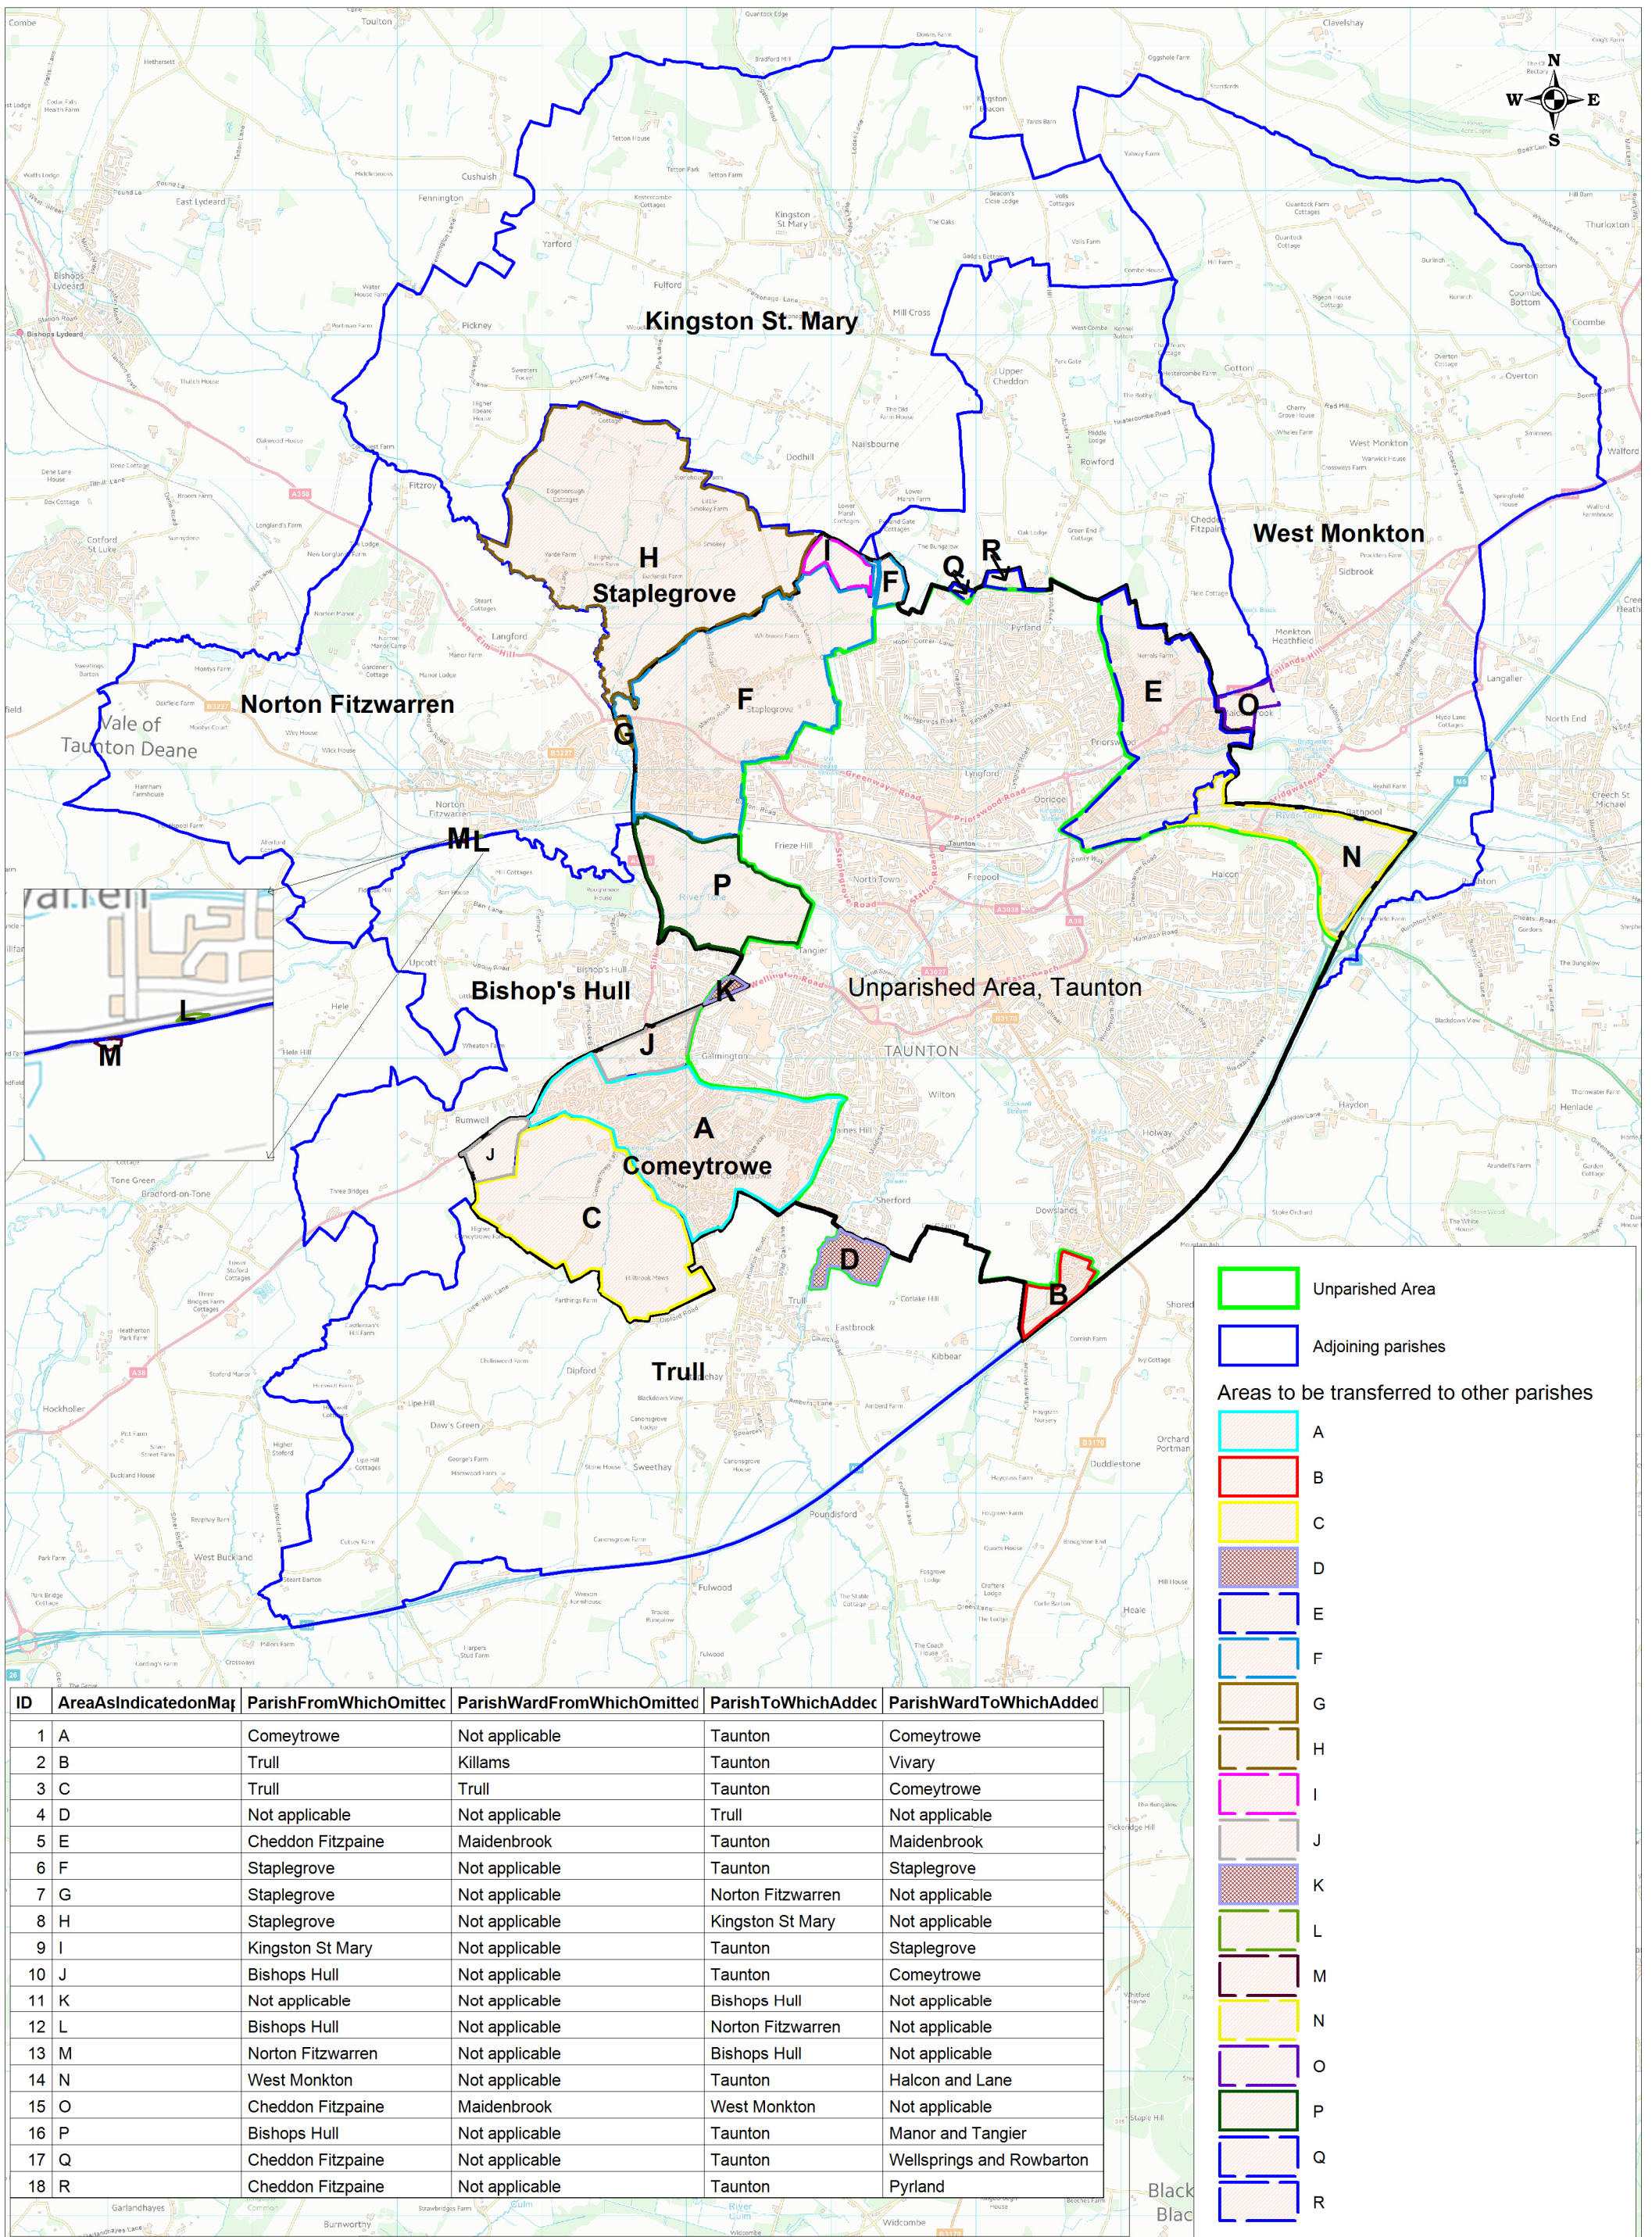

It is understood that one concern of Cheddon Fitzpaine Parish Council may relate to the

continuing viability of that Parish Council on its reduced boundaries in the event that the final recommendations of the review are agreed. This is a matter that was considered by the Community Governance Review Working Group when formulating its recommendations. The Working Group considered carefully the implications of its proposal to amend the boundaries of Cheddon Fitzpaine Parish and was of the view that the Parish Council would continue to be viable following the change. The Working Group noted that the changes would result in Cheddon Fitzpaine being restored to the status of a rural parish as it had been prior to the development of the Maidenbrook area and its projected electorate would be more than twice the minimum figure of 150 set out in section 94(3) of the 2007 Act for a parish council to be created in a new parish.

Implementation phase

Section 13 and recommendation 2.6 of the report circulated with the Council agenda provide initial information regarding the steps necessary to create a new parish/town council for Taunton should the recommendations of the community governance review be agreed, and propose the establishment of a Shadow Town Council to lead and oversee the work to establish the new council from 1 April 2023.

A more detailed paper has now been prepared describing the work programme and decision-making arrangements that would apply between the making of any Reorganisation Order and the vesting day of the proposed new council and this is attached to this addendum report.

MEMORANDUM OF UNDERSTANDING RELATING TO LAND AND PROPERTY HELD AND SERVICES DELIVERED BY SOMERSET WEST AND TAUNTON DISTRICT COUNCIL TO BE TRANSFERRED TO TAUNTON PARISH COUNCIL

(This memorandum of understanding is not part of the Order)

As a matter of law and fact allotments within the area of the new Taunton Parish and civic regalia relating to the mayoralty of Taunton will transfer automatically to the new Taunton parish Council by virtue of statute (Regulation 9 and 15 of the Local Government (Parishes and Parish Councils) (England) Regulations 2008 No 625).

In relation to other land, property and services held by Somerset West and Taunton District Council and services administered by them, which will automatically transfer to Somerset Council under the terms of the Somerset (Structural Changes) Order 2022, there are discussions between Somerset County Council (the continuing authority) and Somerset West and Taunton Council, as to the transfer of certain land, property and services to the new Taunton Parish Council subject to its establishment from 1st April 2023. These assets will automatically transfer to the new Unitary Council on 1st April 2023 from SWT.

It will not form part of the Order to be made by the continuing authority since the transfer will be an Executive function reserved to the Executive of SCC. It will however, give a clear indication of the intentions of the continuing authority to transfer the assets subject to the making of the Order. The decision making body for such transfer is the Executive of Somerset County Council.
- b) In the event that the Executive of the County Council do not agree in principle such transfers prior to the of the Reorganisation Order being made, then the position will be as follows: The sole assets to be transferred shall be the allotments and civic regalia. A wide range of channels was used to publicise each stage of consultation as listed at para 6.2 of the report to SWT Council (03.03.21) and para 6.5 of the report to SWT Council	CFPC was notified of the first stage consultation by email/letter on 15.11.21 and invited to respond . Considerations		
Duty to have regard to the need to secure that community governance within the area under review (i) reflects the identities and interests of the community in that area (s.93(4)(a), Guidance paras 55-61) and (ii) is effective and convenient (s.93(4)(b), Guidance paras 62-65)	When considering the responses to each stage of public consultation and formulating their draft and final recommendations the CGRWG were advised by officers of the statutory criteria. The reports to SWT Council (03.03.22 and 29.09.22) each included full information on these duties and set out in relation to each recommendation why the CGRWG considered the proposal meets the requirements of s.93(4)(a) and/or (b).	When considering the responses to each stage of public consultation and formulating their draft and final recommendations the CGRWG were advised by officers of the statutory criteria. The sections of the reports and appendices above set out in why the CGRWG considered its proposals in relation to Cheddon Fitzpaine meet the requirements of s.93(4)(a) and/or (b).

No compelling evidence was presented for any suitable alternative to a parish council for Taunton or that any parishes that is proposed to continue should not continue to have a council.</p>	
<p>Guidance, when considering the criteria identified in the Act, to take into account (i) the impact of community governance arrangements on community cohesion (Guidance paras 48, 53-54, 67-76) and (ii) the size, population and boundaries of a local community or parish (paras 53-54, 77-85)</p>	<p>When considering the responses to each stage of consultation and formulating draft and final recommendations CGRWG were advised of this guidance. The reports to SWT Council (03.03.22 and 29.09.22) each included information on these matters. 72% of second stage respondents agreed that 'A town council for Taunton could help to promote a sense of community in the town and promote community cohesion'. CGRWG considered its proposals will promote community cohesion at the same time as addressing instances where existing boundaries no longer meet the criteria.</p>	<p>When considering the responses to each stage of public consultation and formulating their draft and final recommendations the CGRWG were advised by officers of this guidance. CGRWG considered the implications of its proposal to amend the boundaries of CFPC and considered the parish council would continue to be viable following the change. The changes would return CF to being a rural parish as it had been prior to the development of the Maidenbrook area and its projected electorate would be over twice the minimum figure of 150 set out in section 94(3) of the 2007 Act for a parish council to be created in a new parish.</p>

Charter Trustee considerations addressed in the report to SWT Council (29.09.22) paras 8.61-8.64.</p>	<p>No representations were received to suggest that CF Parish should be abolished.</p>
<p>Duty to consider certain questions when deciding if a parish should be/ continue to be divided into wards (s.95(1-3), Guidance paras 158-161)</p>	<p>These questions were addressed by the CGRWG on 15.02.22, 16.08.22, 25.08.22 and 06.09.22 and in the reports to SWT Council (03.03.22) at paras 9.71 to 9.73 and (29.09.22) at paras 9.10 to 9.20.</p>	<p>The CGRWG considered that once the changes to the area of CFPC were made, it would not be desirable for any part of the area to be separately represented and a single election of councillors would be practical and convenient.</p>
<p>If recommending a parish be divided into wards, duty to have regard to certain factors when considering size & boundaries of wards and number of councillors to be elected for each (s95(4-5), Guidance paras 162-171)</p>	<p>These questions were addressed by the CGRWG on 15.02.22, 16.08.22, 25.08.22 and 06.09.22 and in the reports to SWT Council (03.03.22) at paras 9.71 to 9.73 and (29.09.22) at paras 9.10 to 9.20.</p>	

If recommending a parish be not warded, duty to have regard to certain factors when considering the number of councillors to be elected (s.95(6-7), Guidance paras 170-171)	These factors were addressed by the CGRWG on 15.02.22 and 06.09.22 and in the reports to SWT Council (03.03.22) at paras 9.71 to 9.73 and (29.09.22) at paras 9.10 to 9.20.	The CGRWG noted that the estimated local electorate of CPFC in its amended area was 304 and this was not projected to rise significantly in the next five years. The WG considered that the appropriate number of councillors to be elected was 5.

Taunton Town Council Implementation Phase

In the event that a reorganisation order is made by SCC to create a Taunton Parish/Town Council then we move into the implementation phase.

A detailed project plan has been drafted, covering all tasks that will need to be carried out in the run up to vesting day and immediately beyond vesting day. Sitting alongside this is a risk and issues log, expenditure tracker and communications plan.

An officer working group has been set up, including officers from Somerset West and Taunton Council and Somerset County Council. Depending on the decision, officers from impacted Parish Councils will also be invited to be part of the project group.

Three officers from the SWT Governance Team (including a qualified former Town Clerk) have been assigned to the Implementation project to deliver the tasks in the implementation plan, working with colleagues at SWT and SCC in specialist areas such as Finance, Asset Management, Human Resources, IT, etc.

Advice and guidance will also be sought from the Somerset Association of Local Councils (SALC) and Society of Local Council Clerks (SLCC) where appropriate.

Proposed Shadow Council (Parish/Town) October 2022/31st March 2023

As set out in section 13 of the report, it is proposed that a Shadow Town Council is established in the period of October 2022 to 31 March 2023. As set out in the National Association of Local Councils (NALC) publication 'Power to the People' (2015): 'A shadow council has no statutory powers, but it can be a good means of laying the ground for the new local council'.

The role of the Shadow Town Council would be to focus the work to create the new council. It will work with the officers, external consultants, and interim town clerk (when appointed) to develop the various draft policies, procedures, infrastructure etc that will need to be in place as soon as possible after the new council is established, and to oversee the programme of work required to bring into being the new council.

Prior to 1 April 2023 the Shadow Town Council would not have delegated powers to make decisions or commit expenditure but would act as an advisory body to the officers and others working on the implementation programme. Formal decisions required to be made would be made by SWT Council, in consultation with SCC as the continuing authority.

The informal nature of a Shadow Town Council provides for flexibility in its membership. In relation to Taunton, particularly in the context of local government reorganisation and to ensure democratic representation of the whole area, it is proposed that the Shadow Town Council should be composed of the same persons proposed above for appointment as temporary parish/town council members from 1 April 2023, thus providing consistency and continuity in the development of the new council. Taking into account overlapping memberships this would give a total membership of approximately 24 shadow town councillors, which would be as follows:

- Charter Trustees for Taunton
- County Councillors for all divisions all or part of which fall within the area of the new Taunton Parish
- Two Comeytrowe Parish Councillors
- One Staplegrove Parish Councillor
- One Cheddon Fitzpaine Parish Councillor

If the proposal for a Shadow Town Council is approved, it is suggested that the existing Community Governance Review Member Working Group of SWT, which was established on 30 March 2021 with a remit to make recommendations to the Full Council both at key milestones during the community governance review (CGR) and in relation to the implementation of the final review recommendations, would no longer be required and its 'implementation' remit would pass to the Shadow Town Council.

The first meeting of the Shadow Town Council will take place in October 2022 where it will consider the implementation project plan. It will then meet monthly to review progress against the plan, and to consider any relevant reports, for example drafted policies and procedures.

Appointment of a Town Clerk

The three members of the SWT Governance Team that have been allocated to the Implementation Project will focus on delivering the bulk of the project plan.

As soon as practicable after a Reorganisation Order is approved, work will be done to provide for town clerk services during the implementation period. There are various options for this, and further information will be provided later.

Work will also be carried out to look at the services that will be provided by the Council, the staffing establishment and committee structure.

The job description and person specification for the Town Clerk role will then be drafted using the National Association of Local Councils (NALC) model template.

Consideration will be given to whether to appoint an interim Town Clerk for a six to eight month period, thereafter giving the new Council the opportunity to appoint their own Town Clerk.

Key tasks before vesting day

There are a large number of tasks to be completed before vesting day but some of the key areas of focus will be:

- The assets that are proposed to be transferred to the Town Council
- Where the Town Council will be based
- What the staffing establishment will look like
- What the committee structure will look like

- Setting up a robust governance framework including drafting policies and procedures, making sure all legal aspects are in place before the 1 April 2023
- Getting a website designed and up and running before 1 April 2023
- Procuring a Finance system and getting it up and running before 1 April 2023
- Equipping the new Town Council office with items such as computers, telephones and photocopier/scanner
- Branding and logo
- Planning for the May 2023 Town Council elections including a communication strategy to encourage people to stand as Councillors
- Preparation of an induction programme for Councillors and staff

Reporting to Members

Regular progress reports will be provided to:

- Shadow Town Council
- SWT
- SCC
