

Pension Fund Cash Lending Counterparty Criteria

The following criteria will be used to manage counterparty risks to Somerset County Council Pension Fund for cash deposits from 20th March 2020 (subject to adoption by the SCC Pensions Committee): -

Financial Institutions

Any Financial Institution that is authorised by the FCA to accept deposits, or is a passported EEA institution, which is entitled to accept deposits in the UK, or is a UK Building Society can be lent to, subject to the following rating criteria at the time of the deposit: -

Rating of Counterparty

The following long term ratings are the minimum acceptable level:

Moody's A3

The maximum deposit amount for any authorised counterparty that has at least two out of the three ratings above will be £10m.

Operational Bank Accounts

Amounts contained in operational bank accounts with the Pension Fund's main Bank (currently Nat West) will not count in the calculation of Nat West's limit as defined above. In the event of unexpected receipts after 2pm on any given working day, money may be placed in an instant access Nat West call account overnight, in breach of the above limits. Whenever this occurs the total lending to Nat West must be reduced to back within their limit on the following working day.

If the Pension Fund's main bank (currently Nat West) have their ratings downgraded below minimum criteria, the instant access Call Account facility may still be used for short-term liquidity requirements and business continuity arrangements.

Any UK Local Authority or Public Body will have a limit of £10m. Any employer member of the fund may not be used

The UK Government Debt Management Office (DMADF) will be unlimited.
