### 1. Summary

- 1.1 The Fund is required under section 58 of the LGPS Regulations (2013), as amended, to publish and maintain a Funding Strategy Statement (FSS). The FSS sets out the Somerset Fund's strategy for its funding. The FSS is drafted in consultation with the Fund's actuary (Barnett Waddingham) and is typically refreshed immediately after the triannual valuation exercise to reflect the most recent valuation.
- 1.2 In addition to a general refresh of the FSS for the first time it reflects the Fund's position on exit credits. The draft attached as appendix A incorporates the Fund's proposed position including being in line with the latest amendment regulations laid before parliament on 27<sup>th</sup> February which came into force on 20<sup>th</sup> March 2020.
- 1.3 It is a requirement for us to consult with employers on the FSS and as such this is a pre-consultation draft. It is anticipated that the FSS will come back to the September meeting for formal adoption following the consultation exercise.

### 2. Issues for consideration

- 2.1 The Committee is asked to note the revised Funding Strategy Statement (attached at appendix A) and to consider whether it wishes to make any comments prior to consultation with Fund Employers.

### 3. Next Steps

- 3.1 The next stage will be to launch a consultation with Fund employers. It is anticipated that the consultation will run through part of June and all of July 2020. Employers will be invited to review and comment on the revised FSS.
- 3.2 Once any comments have been received, a further report will be brought to the Committee, outlining any suggested revisions, and the Committee will be

asked to approve the revised FSS.

- 3.3 It is anticipated that the FSS will be brought back to Committee at the September 2020 meeting.
