The Chair stressed the need for clarity on which items are considered by which Scrutiny Committee and has also asked the Scrutiny Manager to arrange a meeting of the 4 Scrutiny Committee chairs.

The Governance Manager mentioned that a '[glossary of terms](#)' has recently been published on the Council's website.

2022 Key Stage assessment results for Somerset - Agenda item 6

The Committee received a PowerPoint presentation from the Council's Assistant Director, Education Partnerships and Skills, Amelia Walker who provided a data and standards update, including the early indications from the 2022 Key Stage assessment results for Somerset and the areas of focus.

Testing generates vast quantities of data and therefore accurate and reliable results to pupil level will not be in the public domain until January 2023. The national data is released in October and the Committee would like to see that when can (possibly November mtg). Ms Walker said that she would circulate the presentation given to the informal meeting last year which provided an introduction to education data and performance.

The Committee had a broad discussion on the issues raised in the presentation. On behalf of the Committee the Chair thanked Ms Walker for the informative presentation.

Academisation - moving towards 2030 - Agenda item 7

The Committee received a PowerPoint presentation from the Council's Assistant Director, Education Partnerships and Skills, Amelia Walker which provided an update on academisation in Somerset, following the publication of the Government Schools White Paper 'Opportunity for All' in March 2022. This set out the intention to: -

- See all schools in 'strong trusts' by 2030
- Achieve greater clarity about the respective roles for the Department for Education, Local Authorities, Ofsted, Multi-academy trusts and the Schools Adjudicator
- Create 'Education Investment Areas' where standards are lower (following the end of Opportunity Areas)
- Replace Regional Schools Commissioner offices with Regional Teams
- Raise standards in existing trusts

Ms Walker highlighted the implications and work being undertaken in Somerset – this includes discussions with schools about the traded offer ('the Patchwork'). A group of secondary schools has put together a partnership with feeder primary schools to collaborate on school improvement ('Somerset Partnership') - neither is a replacement for academisation. The traded offer is a new traded offer and it is intended to mirror how trusts support schools more closely, but an LA cannot be a trust. The Partnership is similar to existing groups in the county known as 'Community Learning Partnerships'.

The Committee had a broad discussion, including – the 'priority education investment area'

and what it may mean for West Somerset; local authority multi academy trusts; deficit in the local authority school estate; the 'democratic deficit' and performance of schools in the reformed system.

It was agreed that a progress update be given to the Committee in 6 months.

Update on budgetary pressures in Children's Services - Agenda item 8

The Committee received a PowerPoint presentation from the Council's Deputy Director of Children's Services, Claire Winter who provided an update on the budgetary pressures in Children's Services.

This report had been considered at the Executive meeting on 17 August 2022 and concerns the 2022/23 revenue budget monitoring report – month 3 – end June 2022, and in particular the information relating to Children's Services.

The key areas of pressure are external placements for children in care and secondly education transport – home to school and SEND transport and Ms Winter outlined the key performance cost drivers and actions / activity to address pressures. It was confirmed that the education transport strategy will be considered at the Place Scrutiny Committee on 6 September 2022 and will be brought to this Committee in October 2022.

It was agreed that the following will be circulated (a) 'Staying Put' policy; (b) numbers in residential care data for 21/22 and how we sit with statistical neighbours.

The Committee also congratulated the department for winning the 2022 LGC award for the fostering campaign.
