Anton Sweet	Insolvency of the fund's Global Custodian	Fund's assets held in client accounts not as assets of the custodian Additional oversight of custodian provided by Brunel for the assets they manage Review of credit worthiness and inherent business risk of custodian at tender phase	2	4	8		2	4	8		on-going with quarterly review	The designation of the fund's assets as client assets ensures that they cannot be appropriated by creditors of the Custodian bank in the case of that entity going into administration. As a result we should be able to recover substantially all of the assets of the fund held in custody but there would be considerable administrative and liquidity disruption.
