

## **Somerset County Council Forward Plan of proposed Key Decisions**

The County Council is required to set out details of planned key decisions at least 28 calendar days before they are due to be taken. This forward plan sets out key decisions to be taken at Cabinet meetings as well as individual key decisions to be taken by either the Leader, a Cabinet Member or an Officer. The very latest details can always be found on our website at <http://somerset.moderngov.co.uk/mgListPlans.aspx?RPIId=134&RD=0&bcr=1>

Regulation 8 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 defines a key decision as an executive decision which is likely:

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

The Council has decided that the relevant threshold at or above which the decision is significant will be £500,000 for capital / revenue expenditure or savings. Money delegated to schools as part of the Scheme of Financial Management of Schools exercise is exempt from these thresholds once it is delegated to the school.

Cabinet meetings are held in public at County Hall unless Cabinet resolve for all or part of the meeting to be held in private in order to consider exempt information/confidential business. The Forward Plan will show where this is intended. Agendas and reports for Cabinet meetings are also published on the Council's website at least five clear working days before the meeting date.

Individual key decisions are shown in the plan as being proposed to be taken within a ten day period, with the requirement that a report setting out the proposed decision will be published on the Council's website at least five working days before the date of decision. Any representations received will be considered by the decision maker at the decision meeting.

In addition to key decisions, the forward plan shown below lists other business that is scheduled to be considered at a Cabinet meeting during the period of the Plan, which will also include reports for information. The monthly printed plan is updated on an ad hoc basis

during each month. *Where possible the County Council will attempt to keep to the dates shown in the Plan. It is quite likely, however, that some items will need to be rescheduled and new items added as new circumstances come to light.* Please ensure therefore that you refer to the most up to date plan.
