

Somerset Rivers Authority Joint Scrutiny Panel

Draft Annual Report

RECOMMENDATION

The SRA Joint Scrutiny Panel is asked to:

- Review the annual report and provide thoughts and comments on progress achieved by the SRA and its partners over the course of 2019-20
- Review the annual report and provide any general comments on the format of the report itself to inform future reports

Purpose of the item:

The draft 2019-2020 Annual Report is shared with the SRA Joint Scrutiny Panel to provide detailed information on what activities have been funded by the SRA and delivered by SRA partners over the course of the year.

The primary purpose of the July Scrutiny Panel meeting is to review activity over the previous twelve months. The Panel is invited to review the draft annual report in advance of the meeting and take the opportunity to raise any questions or queries with officers at the meeting.
