### 1. Summary

- 1.1 Under guidance published by the Government on "LGPS: Investment Reform Criteria and Guidance" in November 2015 we are required to work towards the pooling of the Fund's investment assets with other LGPS funds with pooling beginning in April 2018.
- 1.2 For the purposes of pooling SCC has aligned itself with 9 other funds in South West England and is working with those funds to create an FCA regulated investment Company, Brunel Pension Partnership Ltd. (BPP).

### 2. Issues for consideration

- 2.1 The report is for information only unless the committee deems that action is necessary having reviewed the report.

### 3. Progress in transition of assets to Brunel

- 3.1 £507.8m of passive equity assets were transferred from management by the internal team to Brunel (sub-managed by LGIM) on 11<sup>th</sup> July 2018.
- 3.2 £436.5m of active UK equity assets were transferred from management by Aberdeen Standard Investments to Brunel (sub-managed by Aberdeen Standard Investments, Baillie Gifford and Investec) on 21<sup>st</sup> November 2018.
- 3.3 £83.7m of emerging market equity were transferred from management by Amundi to Brunel (sub-managed by Genesis Investment Management, Wellington and Investec) on the 9<sup>th</sup> October 2019.
- 3.4 £268.7m of equity assets were transferred from a number of legacy mandates to the Brunel Global High Alpha fund. (sub-managed by Alliance Bernstein, Baillie Gifford, Fiera Capital, Harris Associates and Royal London Asset Management) on the 18<sup>th</sup> November 2019.

- 3.5 £151.0m of equity assets were transferred from a number of legacy mandates to the Brunel Global Smaller Companies fund (sub-managed by Montanaro Asset Management, American Century and Kempen Capital Management) on the 17<sup>th</sup> September 2020..
- 3.6 As agreed by Committee at the December 2019 meeting the Fund has committed £50m to the private equity cycle starting 1<sup>st</sup> April 2020. None of this commitment has been drawn to date.
- 3.7 Officially the transition of the £206.9m property portfolio from LaSalle to Brunel took place on 2<sup>nd</sup> November, however unlike the equity portfolios the transfer process of property unit trusts is a slow process and so it could be a number of months before this process is completed. Brunel will not significantly alter this portfolio in the near future. A small holding in one fund that is expected to liquidate shortly has remained with LaSalle.

#### **4. Governance review**

- 4.1 Brunel is now over three years old and it has become clear that some areas of the governance model set up at the outset of the pooling project are no longer meeting the needs of the partnership. A governance review is now underway. It is likely that this will result in a number of votes for shareholders on reserve matters.

#### **5. Appointments update**

- 5.1 Following the departure of Mark Mansley from the Chief Investment Officer post earlier in the year Brunel have undertaken a thorough recruitment exercise and have announced that David Vickers will take up this post in the new year.
- 5.2 Faith Ward, Brunel's Chief Responsible Investment Officer, has recently been appointed the Chair of the Institutional Investor Group on Climate Change (IIGCC). The IIGCC is the largest global investor body focusing specifically on climate change, with some 275 members across 15 countries and representing £33 trillion of investment assets. Faith will fit this new role around her ongoing commitments at Brunel.

## **6. Consultations undertaken**

- 6.1 Both the Pensions Committee and the Pensions Board have been consulted regularly as part of the project process of reaching this point. This now includes consultation with Committee and Board whenever SCC utilises its shareholder voting powers in relation to Brunel.
- 6.2 An overview briefing on the project was provided to the Fund's Employers meeting in September 2016.
- 6.3 The Full Somerset County Council meeting received a paper on the pooling at its meeting on 30<sup>th</sup> November 2016.

## **7. Financial Implications**

- 7.1 It is anticipated that the Brunel Pensions Partnership will allow the fund to make significant saving over time with the Somerset County Council Pension Fund estimated to make savings of £27.8m in the period to 2036 after costs. A significant portion of the likely costs are front loaded and it is anticipated that the Somerset Fund will breakeven in 2024.
- 7.2 By definition these are forecasts and there are significant risk to their timing and delivery. They are based on a core set of assumptions and actual savings could be significantly greater or smaller over time.

## **8. Background Papers**

- 8.1 None
