

Pensions Committee Training Policy

Introduction

The 2004 Pensions Act requires that trustees of occupational pension schemes should be trained and have knowledge and understanding of the law relating to pensions and role of trustees, the principles of scheme funding and investment, and the management and administration of pension scheme benefits. Members of the Pensions Committee are not legally trustees and are not bound by this law, however they should aspire to reach a similar standard.

Within the Local Government Pension Scheme (LGPS) the statutorily required Governance Compliance Statement requires the fund to compare its practice to the following statement:

“That in relation to the way in which statutory and related decisions are taken by the administering authority, there is a clear policy on training, facility time and reimbursement of expenses in respect of members involved in the decision-making process.”

Pension Committee members will be expected to undertake regular training to ensure they have sufficient knowledge of the LGPS, pension benefits and investment issues to make informed decisions for the benefit of all stakeholders.

CIPFA Knowledge and Skills Framework

The Chartered Institute of Public Finance and Accountancy (CIPFA) in 2010 published a Pensions Finance Knowledge and Skills Framework and accompanying guidance for elected representatives, non-executives and officers.

The fund has formally adopted the framework, will assess all relevant individuals against the suggested standards of knowledge and ensure relevant training is made available.

An assessment of competence against the framework and training undertaken by relevant individuals will be provided in the fund’s annual report as required by the framework.

Annual Training Commitment

Pension Committee members are encouraged to undertake training within the following guidelines:

Level 1 - New Pensions Committee members 1st year of office

New members should have 1-3 days training via:

- Attending at least one days external training on relevant topics.
- Attending the annual employers communications meeting.

Level 2 – Members 2nd and 3rd year of office

Level 3 - Member serving longer than 3 years

The training undertaken by each member of the committee in each financial year will be reported annually in the fund's annual report and financial statement along with their attendance record at Committee Meetings.

Suitable Events

It is anticipated that at least 1 days annual training will be arranged and provided by officers to address specific training requirements to meet the Committee's forward business plan, all members will be encouraged to attend this event.

A number of specialist courses are run by bodies such as the Local Government Employers and existing fund manager partners, officers can provide details of these courses.

There are a number of suitable conferences run annually, officers will inform members of these conferences as details become available. Of particular relevance are the National Association of Pension Funds (NAPF) Local Authority Conference, usually held in May, the LGC Local Authority Conference, usually held in September, and the Local Authority Pension Fund Forum (LAPFF) annual conference, usually held in December.

All direct costs and associated reasonable expenses for attendance of external courses and conferences will be met by the fund.
