- Reports should generally be no longer than 6 sides of A4 with detail being contained in appendices or available via contact officer.
- If reports are not received by the deadlines indicated, they will be taken off the agenda for that meeting unless there are exceptional circumstances.
- Draft / final reports and appendices to be sent to Terrie Brazier via email ([terrie.brazier@somerset.gov.uk](mailto:terrie.brazier@somerset.gov.uk)) or Lou Woolway (lou.woolway@somerset.gov.uk).
- None of the above replaces the need for report authors to consult relevant senior officers on the contents of the draft reports during their preparation.
- **All H&WB meetings will be held in hybrid format with voting members attending face-to-face and others attending virtually via Microsoft Teams (or Zoom where required)**
