Purpose of Report

This report introduces the changes to the Financial Procedure Rules that have been sent out with this agenda.

Recommendations

The Audit Committee are asked to:

- (a) recommend full Council to approve the attached Financial Procedure Rules.

Introduction

The Financial Procedure Rules outline the financial policies of this authority and the financial accountabilities of individuals that apply to both officers and members. The review of those rules is included within the remit of the Audit Committee under its terms of reference as follows:

“To consider the effectiveness of SSDC’s risk management arrangements, the control environment and associated anti-fraud and corruption arrangements and seek assurance from management that action has been taken”

The last review took place in 2015 and it is best practice to review and update the rules on a regular basis. The main emphasis of this review has been to adjust the rules to reflect changes to other policies and agreements.

Revised Financial Procedure Rules

The attached document shows the main revisions to the current approved rules highlighted in yellow. The Interim S151 Officer will attend the committee to explain the main changes in detail.
