Which of the four licensing Objectives does your representation relate to? Please state yes or no.	Yes Or No	Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary
General – all four licensing objectives.	Yes	An application has been received from Damien Doughty to provide the sale of alcohol and regulated entertainment on 08/08/2020 from 1200hrs – 2300hrs. The event is to showcase work from local artists and craftspeople. The event of for 100 people. On behalf of the Chief Officer of Police we submit our formal representation in respect of this application. There is significant lack of detail contained with the notice given the nature and size of the event. With no other events planned for the area, there is a risk that many people may attend the event to try and gain entry. These type of events have significant potential to undermine the promotion of the licensing objectives due to their sheer size and complexity. Sites for large occasional events are not usually entirely purpose built for the proposed licensable activities to take place and we are not aware that the applicant has held any similar event?. Therefore, there is considerable work involved before, during and after such events and also co-ordinating the full involvement of all the emergency services and responsible authorities to ensure a safe and well managed event. For ease of objection and not to create an exhaustive list we have bullet pointed the main areas of our concern below which is missing from the information submitted:- <ul style="list-style-type: none"> • Detailed plan of the site showing access/egress and emergency access, stage, traders, parking etc. • Contingency/bad weather plans. • Liaison with Fire – risk assessment not attached.
To prevent crime and disorder		
Public Safety		
The protection of children from harm.		

- Full list of Staff with Roles & Responsibilities
- List of traders and necessary certificates
- Toilet provisions
- Health & Safety Statement of Intent
- Full Covid-19 Risk Assessment specific to this event
- List of Performers and type of performance to assess restrictions
- Advertising & Marketing – Price of Tickets
- Details of the Landowner & Public Liability insurance.

The above concerns, though not an exhaustive list, reflect the concerns we have regarding the event and lack of information available regarding this event at this time.

Concerns are also raised in relation to the event and the current guidance issued by the government in respect of CoVid 19. The CoVid 19 pandemic has affected the globe where thousands of people have died and despite restrictions easing, the crisis continues. Recent developments of new local lockdowns shows that the situation is ongoing and far from over. Government guidance is clear that mass gatherings should not take place and this application ignores that advice. It is clear that alcohol and social distancing do not go well together and has resulted in local premises having to close and customers and staff having to self-isolate as a result. It has only been announced recently by the Prime Minister that the plans for certain businesses & venues that were scheduled to re-open on 1st August have now been postponed for at least two weeks. e.g.

- Most remaining leisure settings, namely bowling, skating rinks and casinos - NOW POSTPONED.
- Wedding receptions for up to 30 people will be allowed - NOW POSTPONED.

It is evident that mass gatherings are still being discouraged and we could face further restrictions.

Public services (including the police) are stretched and preventing issues from occurring is essential. The lack of a substantial Event Management Plan makes it impossible for us to assess crime and disorder & public safety and whilst everyone wants to return to normality, keeping people safe has to remain a priority.

Currently, outdoor events that are organised by businesses, charitable organisations, and public bodies, may have more than 30 attendees provided they have (i) they have carried out a thorough risk assessment and (ii) taken all reasonable steps to mitigate the risk of viral transmission, taking into account that risk assessment, in line with current Covid-19 Secure guidance. This includes ensuring that social distancing between different households or support bubbles is maintained at all times, and between staff and performers. In particular, those operating venues or running events following current CoVid-19 secure guidelines should take additional steps to ensure the safety of the public and prevent large gatherings or mass events from taking place. Whilst the police acknowledge the applicant has stated within their application that risk assessments will be provided at a later

	<p>date, without these details the police cannot comment upon them.</p> <p>Whilst we fully support any event the police would wish to see an Event Management Plan, Fire Risk Assessment and risk assessments with regards to CoVid -19 as outlined in the current government guidance documents.</p> <p>At present, the police believe that the granting of this licence would undermine the four licensing objectives.</p> <p>Given the above concerns the police request that a counter notice be issued in respect of this application.</p>
