Recommendations

- Driving Safety Campaign to be launched this summer.
- Teams responsible for construction site operations to assess the security of the sites and whether actions taken to prevent unauthorised access are sufficient.
- Contractor management process to be outlined in a comms to staff.
- Customer Liaison List has been consolidated with Academy- New system to iron out further issues.
- Comms sent to Voids contractors to inform them of Somerset West & Taunton electrical lock off procedures.
- Staff to be reminded to ensure that animals are kept away from work site when working in tenants homes.
