## **AGENDA**

**Local Community Network - Vale of Frome - 7.00 pm Tuesday, 23 April 2024**

### **Flooding and Emergency Planning Workshop**

Our colleagues from Somerset Rivers Authority have agreed to facilitate this workshop, with a specific focus on Flooding and Emergency planning.

Please join us to better understand the issues in your parish and to discuss potential ways to support our residents now and in the future.

The workshop will be in person only and you are welcome to bring other parish representatives with an interest in flooding and emergency planning.
