Guidance notes for the meeting

Council Public Meetings

The legislation that governs Council meetings requires that committee meetings are held face-to-face. The requirement is for members of the committee and key supporting officers (report authors and statutory officers) to attend in person, along with some provision for any public speakers. Provision will be made wherever possible for those who do not need to attend in person including the public and press who wish to view the meeting to be able to do so virtually.

Inspection of Papers

Any person wishing to inspect minutes, reports, or the background papers for any item on the agenda should contact Democratic Services at democraticserviceteam@somerset.gov.uk or telephone 01823 357628.

They can also be accessed via the council's website on [Committee structure - Modern Council \(somerset.gov.uk\)](#)

Members' Code of Conduct requirements

When considering the declaration of interests and their actions as a councillor, Members are reminded of the requirements of the Members' Code of Conduct and the underpinning Principles of Public Life: Honesty; Integrity; Selflessness; Objectivity; Accountability; Openness; Leadership. The Code of Conduct can be viewed at: [Code of Conduct](#)

Minutes of the Meeting

Details of the issues discussed, and recommendations made at the meeting will be set out in the minutes, which the Committee will be asked to approve as a correct record at its next meeting.

Public Question Time

If you wish to speak or ask a question about any matter on the Committee's agenda please contact Democratic Services by 5pm providing 3 clear working days before the meeting. (for example, for a meeting being held on a Wednesday, the deadline will be 5pm on the Thursday prior to the meeting) Email democraticserviceteam@somerset.gov.uk or telephone 01823 357628.

Members of public wishing to speak or ask a question will need to attend in person or if unable can submit their question or statement in writing for an officer to read out, or alternatively can attend the meeting online.

A 20-minute time slot for Public Question Time is set aside near the beginning of the meeting, after the minutes of the previous meeting have been agreed. Each speaker will have 3 minutes to address the committee.

You must direct your questions and comments through the Chair. You may not take a direct part in the debate. The Chair will decide when public participation is to finish. If an item on the agenda is contentious, with many people wishing to attend the meeting, a representative should be nominated to present the views of a group.

Meeting Etiquette for participants

Only speak when invited to do so by the Chair.

Mute your microphone when you are not talking.

Switch off video if you are not speaking.

Speak clearly (if you are not using video then please state your name)

If you're referring to a specific page, mention the page number.

There is a facility in Microsoft Teams under the ellipsis button called turn on live captions which provides subtitles on the screen.

Exclusion of Press & Public

If when considering an item on the agenda, the Committee may consider it appropriate to pass a resolution under Section 100A (4) Schedule 12A of the Local Government Act 1972 that the press and public be excluded from the meeting on the basis that if they were present during the business to be transacted there would be a likelihood of disclosure of exempt information, as defined under the terms of the Act.

If there are members of the public and press listening to the open part of the meeting, then the Democratic Services Officer will, at the appropriate time, ask participants to leave the meeting when any exempt or confidential information is about to be discussed.

Recording of meetings

The Council supports the principles of openness and transparency. It allows filming, recording, and taking photographs at its meetings that are open to the public - providing this is done in a non-disruptive manner. Members of the public may use Facebook and Twitter or other forms of social media to report on proceedings. No filming or recording may take place when the press and public are excluded for that part of the meeting.

Reason for referral to Licensing Sub-Committee

1. A total of 8 representations have been received from “Other Persons” against this application.
2. An overview of representations can be found at **Appendix 5** and the representations can be found at **Appendix 6 – 13**
3. The representations raise concerns in relation to all 4 of the Licensing Objectives.

Relevant Observations

1. No representations have been made by any Responsible Authority.

Legal Implications

The Live Music Act 2013 and the Legislative Reform (entertainment licensing) order 2014

Live and Recorded Music is deregulated between 08:00 and 23:00 on premises authorised to sale alcohol on the premises, subject to a maximum audience of 500 persons.

The Licensing Authority has the power to remove the exemptions but only if and when it carries out a formal Review of the Premises Licence.

Decision Making Process

The Sub-Committee must consider this application on its own merits and from the information contained within the application and this report.

Members are reminded that the duty of the Licensing Authority is to take steps necessary to promote the licensing objectives in the interests of the wider community, the Licensing Objectives, as follows:

- Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- Protection of Children from Harm

In its decision-making process, the Licensing Sub-Committee must have regard to:

- Licensing Act 2003, and subsequent amendments
- The Statutory Guidance issued under Section 182 of the Licensing Act 2003.
- Somerset Council's Statement of Licensing Policy. The policy is available on request and from the Somerset Council website [Licensing Policies and Policy Consultations \(somerset.gov.uk\)](http://www.somerset.gov.uk)

The options available to the committee are as follows: -

- Grant the application with no modifications, and only attach conditions as required by the 2003 Act. These shall include mandatory conditions and conditions consistent with the operating schedule.
- Grant the application, modified to such an extent as the Licensing Authority considers appropriate for the promotion of the Licensing Objectives
- Refuse the application, giving reasons for its decision.

Should the Committee be mindful to attach conditions to the licence, they must only do so if they are:

- Appropriate, necessary, and proportionate
- Precise, clear, and unambiguous
- Practical, realistic, and enforceable

- Non-duplicative of existing statutory requirements or offences
- Modern and fit for purpose.
- Consideration must also be given the number of conditions being attached.

The Licensing Authority recognises that most Licence Holders seek to follow the law and any enforcement action will normally follow a graduated approach and in the first instance will include education and support. Where licence holders continue to flout the law or act irresponsibly firm action will be taken.

Right of Appeal

All relevant parties to the decision of the Licensing Authority have the right of appeal to Magistrates Court, in connection with this matter. This must be done within 21 days of being notified in writing of the relevant decision.

M

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

b) The prevention of crime and disorder

- An incident book or electronic copy will be kept at the premises in which will be recorded all incidents of crime and disorder. This book/copy will be reviewed by senior management in association with the Designated Premise Supervisor. This book shall be made available to the Licensing Authority or Avon and Somerset Constabulary upon request.
- A refusals register will be kept at each bar and used on the premises, to record instances where any sale of alcohol and proxy sales to a patron is refused. This will also include refusals to persons who are intoxicated. Records will be kept for a minimum of 12 months and will be made available to the Local Authority, Police and Trading Standards Officers upon request.

c) Public safety

- All staff to be trained in the prevention of underage sales to a level commensurate with their duties. All such training to be updated as necessary, for instance when legislation changes, and should include training on how to deal with difficult customers. The training should be clearly documented and signed and dated by both the trainer and the member of staff receiving it. The documentation shall be available for inspection on request by an authorised officer of the Licensing Authority or a constable.
- The premises must install and maintain a comprehensive CCTV system as per the minimum requirements of Avon and Somerset Constabulary. The CCTV system must record at all times when the premises are open for licensable activities and while customers remain within the immediate vicinity of the premises. The correct time and date must be generated on all recordings. CCTV recordings must be retained for a minimum period of 31 days and copies will be made available, on request, to the police. If the CCTV is inoperative or faulty for any reason, steps must be taken to repair or replace the equipment within 24 hours. A staff member from the premises, who is conversant with the operation of the CCTV system, must be on the premises at all times when the premises are open to the public. This staff member must be able to provide police with recent data or footage with the absolute minimum of delay when requested.

d) The prevention of public nuisance

- Doors and windows will be kept closed for indoor regulated activities taking place after 23:00.
- The Premises Licence holder or a nominated deputy, shall take all reasonable steps to effect full control over all noise sources arising from the premises having particular regard to amplified and non-amplified music. The Premises Licence holder or a nominated deputy shall, where necessary, arrange for the volume of any music to be reduced or the playing ceased if, in the opinion of the Licensing Authority, reasonable cause for annoyance is likely to arise or is occurring. The Premises Licence holder shall ensure that at least one such responsible person be available on the premises at all times (contactable by Officers of the Licensing Authority), whilst members of the public remain on the premises.
- Noise from music and entertainment events shall not be audible within any noise sensitive premises at any time

e) The protection of children from harm

- An approved proof of age scheme shall be adopted, implemented and advertised within the premise such as 'Challenge 25' whereby an accepted form of photographic identification shall be requested before any alcohol is sold to any person who appears to be under 25 years of age. Acceptable proof of age shall include identification bearing the customers photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport, or other forms identified by the Home Office.
- (b) Publicity materials notifying customers of the operation of the Challenge 25 scheme shall be displayed at the premises.

 9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 10. Please list here steps you will take to promote all four licensing objectives together.
 11. The application form must be signed.
 12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
 13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
 14. This is the address which we shall use to correspond with you about this application.
 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

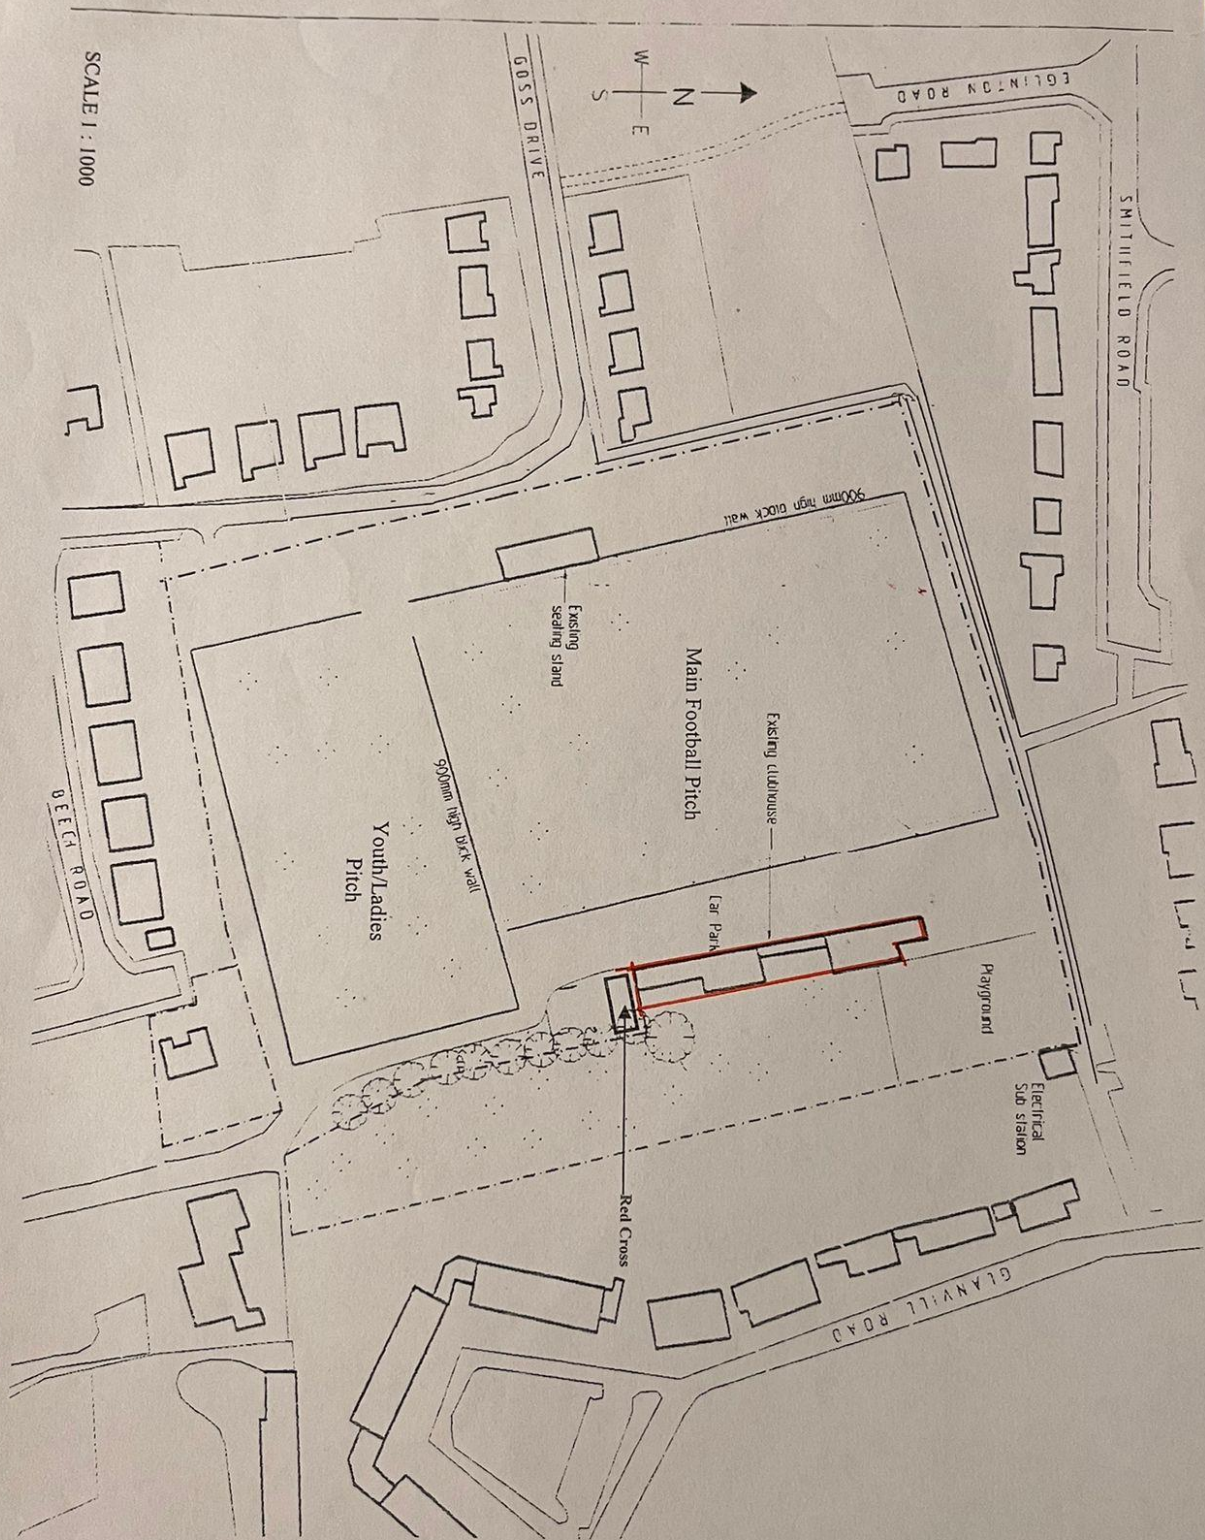

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

| 1 | Fiona Wyatt | <p>As a resident of Beech Road which is used as an access and additional unofficial car park for the football club, I would like to object to the hours requested by said club. These are more in line with those of a inner city night club than a club situated within a residential area.</p> <p>To have a club open until 2.30 am on Friday and Saturday would mean footfall in our road until around 3.30 am which is totally unacceptable. Similarly a 1.30 am finish on a Sunday would be extremely disruptive for the school children and working people around the club as would the weekday late nights.</p> <p>I appreciate that the club has to make a profit and am not suggesting that they should not have a licence, merely that the late night openings should be more appropriate to the area in which the club is situated.</p> | Late opening hours | No conditions proposed |
| Page 53 2 | Verity Hill | <p>My objection to the application from Street Football club is primarily regarding the weekend. The hours generally seem to be excessive, and I would ask you to consider the following:</p> <p><u>Films Monday to Sunday indoors & outdoors Midday until 2300hrs</u> I have no objection to this</p> <p><u>Live Music indoors & outdoors Monday to Sunday 1100hrs to 0100hrs</u> <u>Recorded Music indoors & outdoors Monday to Sunday 1100hrs to 0100hrs</u></p> <p>Live Music and recorded music indoors and outdoors until 0100hrs every day of the week – The club is in the middle of a housing estate, with houses around each side.</p> <p>When there is a function currently, the music (outside) ceases at midnight, but the clients of the club do tend to mill about outside the clubhouse, and continue making noise until after that.</p> <p>If the hours were extended to 0100hrs, the milling would continue until even later, which for the neighbours with children, for elderly people and pet owners is quite disruptive.</p> <p><u>Late Night Refreshments:</u> Monday to Thursday 2300hrs to 0030hrs Friday to Saturday 2300hrs to 0230hrs Sunday 2300hrs to 0130hrs</p> <p><u>Supply of Alcohol on and off the premises</u> Monday to Thursday 0900hrs to 0000hrs Friday to Saturday 2300hrs to 0200hrs Sunday 2300hrs to 0100hrs</p> <p>Late Night Refreshments, Supply of Alcohol (both on and off premises) being until 0200-0230hrs. This is again too late for an establishment in the middle of a housing area.</p> <p>There will be people coming and going, and those extra hours of consuming alcohol may mean unruly behaviour.</p> <p>Also, at the weekends, people who have left other drinking establishments at closing time may move on to the Football Club to carry on drinking.</p> <p>Again, for the weekend, selling alcohol up to midnight and closing at 1am would be a suggested alternative.</p> <p><u>Premises Hours</u> Monday to Thursday 0900hrs to 0100hrs Friday to Saturday 0900hrs to 0230hrs Sunday 0900hrs to 0130hrs</p> <p>I would like to see the weekend hours in line with those of the week – ie closing at 0100hrs.</p> <p>I do appreciate that the argument, by some, will be that we knew there was a football club there when our house was purchased – however, football doesn't go on until late into the night or the early hours of the morning, so I feel this argument does not hold any sway.</p> | Late opening hours Noise Late opening hours | |

| | | <p>In line with the Four Licencing objectives, I would think that the prevention of disorder (not necessarily crime) from lengthening the hours for the sale of alcohol should be considered for the residents surrounding the club.</p> <p>Secondly the prevention of Public Nuisance, with people returning home on foot or by car or taxis, through the housing estates will cause a nuisance.</p> <p>Drunk people seem to have no regard re singing or talking very loudly when leaving an establishment.</p> <p>I also feel that Public Safety, encouraging people to drink well into the night and following morning, is not meeting that objective.</p> <p>We do hear a fair amount of bad language coming from the Football club, and that would be exacerbated by longer access to alcohol.</p> <p>I hope that you will consider these points a valid argument for rejecting the application as it stands and offering alternative timings.</p> | <p>Noise</p> <p>Drunkenness</p> | |
| 3 | Anita Forsyth | <p>TO PREVENT CRIME AND DISORDER – Due to extended drinking and opening hours, could lead to criminal damage, drunk / anti social behaviours and all associated behaviours. If premises are now nightclub / late night drinking venues.</p> <p>PUBLIC SAFETY – The club is a sporting venue. Not a late night entertainment / drinking venue. It would make a huge impact on public safety.</p> <p>TO PREVENT PUBLIC NUISANCE – Lack of parking at club, local roads could then have issues, late night films, music, disturbances to residents sleep, lives, quality of all disrupted.</p> <p>THE PREVENTION OF HARM TO CHILDREN – Club is surrounded on all sides by residential properties. Disturbed sleep for children and exposure to all anti-social behaviours.</p> | <p>Drunkenness and anti-social behaviour</p> <p>Parking</p> <p>Disturbed sleep</p> | <p>Working nights eg:- Mon, Tues, Wed, Thurs, Sunday, closed by 23:00. Friday and Saturday closed by midnight.</p> |
| 4 | Sandra and Neil Foster | <p>TO PREVENT PUBLIC NUISANCE – We have lived at our present address for 48 years and are, in general, supportive of the football club and its operations. However, we consider that the proposed licensing hours are excessive and have the potential to create a significant public nuisance.</p> <p>The football club is located in an entirely residential area. Our home is approximately 110 m due west of the club house and there are no intervening buildings or physical features which attenuate noise emanating from the building or the external areas. Other residential neighbours are positioned closer than our home, with the clubhouse and ground surrounded on all sides by residential properties.</p> <p>The ambient background noise levels in the area are low - as one might expect in a wholly residential neighbourhood. We have already experienced late night disturbances and nuisance from the current operation of the club (which we have reasonably tolerated, without making any complaints), particularly during the summer when doors and windows are open (both in our home and the club house) and when patrons of the club are gathered outside, and when music and other forms of entertainment are occurring.</p> <p>We have no objection to the club operating reasonable hours into the evening, as they have historically, but it seems that the proposed hours would be more akin to a late night bar or a nightclub -including being open to the public until 2.30 am on Friday and Saturday, and 1.30 am on a Sunday.</p> <p>We are not aware of any licensed premises in Street that are permitted to operate similar hours to those proposed, including premises within the High Street. We are therefore concerned that not only are the proposed hours likely to create a much greater level of nuisance than the current arrangement, but also that the club will become a magnet for those seeking late night entertainment and drinking, given that no other licensed premises in Street are open during the proposed opening hours.</p> | <p>Noise</p> <p>Late opening hours</p> <p>Late opening hours</p> | |

|---------|-----------------------------|---|---|--|
| | | Please consider carefully our concerns about the proposed late night opening of the venue which is in a quiet suburban location. In our view this proposal is simply a public nuisance in the making. | | |
| 5 | Sally and Peter Bawdon | <p>TO PREVENT CRIME AND DISORDER – Late night opening until 2:30 AM and drinking, excess noise will contribute to noise disorder especially in a residential area on all four sides.</p> <p>TO PREVENT PUBLIC NUISANCE – With past history of late night events there has been excess noise and disturbance while events are on and leaving the venue with no consideration at all to residents.</p> | Noise Noise | That the venue closes at a sensible time i.e. midnight as this is a heavily residential area. The proposed licensing of drinking and outside music and films is not acceptable to residents especially after midnight |
| 6 | Mr and Mrs D Johnson | <p>TO PREVENT CRIME AND DISORDER – We already have an increase in crime in this area, fuelled by drink, this could have a bigger effect i.e. damage to cars and property.</p> <p>PUBLIC SAFETY – Encouraging people to drink to the early hours should not be encouraged.</p> <p>TO PREVENT PUBLIC NUISANCE – People leaving premises by foot or car will cause a nuisance, i.e. shouting, swearing. We have a lot of elderly residents. Littering already an issue.</p> | Drunkenness Noise, anti-social behaviour and littering | <p>In a residential area midnight should be ample for both music and the sale of alcohol, especially outside.</p> <p>Why can they not apply for an extension licence for the very rare occasions it is needed?</p> <p>Wetherspoon are only open until 12:00 Friday and Saturday?</p> |
| Page 55 | Mrs J Allen | I would like to lodge a complaint concerning the very late hours applied for by the Street Football Club. The part that concerns me is the music to be allowed outside which would be very disturbing in the early hours, otherwise I am not objecting. I have lived here 40 years and have never found anything I wanted to object to before, always pleased the club is there for younger people. | Late opening hours Noise | No conditions proposed |
| 8 | Adrian and Heather Williams | <p>Our objections to the premises licence application are based on our view that granting of the licence as applied for will create a 'Public Nuisance' for several reasons as below.</p> <p>The football club building is just 100 metres from our backdoor to the clubs door. This measurement was taken from Google maps on a straight line door to door.</p> <p>We think it is wholly unreasonable to expect local residents, (and we are just two) to have to endure live / recorded music and films etc, being broadcast in a manner that prevents us from the peaceful enjoyment of our own garden and home, at all hours of the day or / and into the small hours of the night.</p> <p>We are not aware of any other licensed premises in Street that play music outside and especially in the middle of a residential area that consists of people of all ages including young children of course.</p> <p>As for the sales of alcohol and opening hours, we think that the hours as applied for are totally unacceptable as it could create a nuisance with patrons and vehicles leaving at any time, with actual open hours up to 1.00 am Mon 0 Thurs nights, 2.30am Fri – Sat nights, and 1.30am Sunday nights. All this right on our doorstep.</p> <p>We support their cause with their occasional Fun Days and other fundraising events which do have music playing outside. These happen very infrequently and most residents that I know tolerate it on that basis. We also appreciate that there will and have been outside music before, during and after football matches.</p> <p>We would like to suggest a compromise solution which we hope will find favour with the Football club and the licensing authority.</p> <p>We would like to see the music restricted to inside only except as in the paragraph above.</p> | Noise Late opening hours | <p>Music indoors only</p> <p>Premises to close at:</p> <p>23:30 Sunday – Thursday 00:00 Friday and Saturday 00:30 New Years Eve</p> <p>Licensable activities to be reduced in line with the above</p> |

| | | | | |
|--|---------------------------------|---|--|--|
| | | <p>We would to see the actual opening closing times brought forward to a more acceptable level and would reflect the actual hours of other establishments in Street, i.e. Monday – Thursday 11:30 pm Friday – Saturday 12.00 midnight Sunday 11.30 pm New Years Eve 12.30 am This together with a corresponding reduction in the supply of alcohol timings. Most alcohol serving premises in Street do not open beyond 11.30pm most nights for non-residents.</p> <p>Limit the music to inside only except Fun Days and other occasional fundraising events and of course when there is a football match, and not forgetting New Years Eve of course (as is the case now). Any other 'special event' such as weddings etc then a special one-off licence could be applied for. Whilst at present it doesn't constitute a nuisance, if the licence as applied for is granted we could end up having music being played outside and alcohol being served until after midnight any and every night of the week, irrespective of what the club say now.</p> | | |
| | <p>Sharon and Malcolm Perry</p> | <p>We strongly object to the licence which has been applied for as above. Firstly we would like to say that we think it is terrible that we only found out about this application via a neighbour. I feel all surrounding properties should have been issued with a letter regarding the application. I believe there will be many families that would be negatively impacted by this licence that do not even know it has been applied for.</p> <p>We object to the licence as this is a residential area. We feel it is ludicrous that the club would be able to have music playing outside until early hours of the morning anything they liked! This would cause a public nuisance.</p> <p>The speakers are very close to our house and when there are match days, and fun days (which only being occasionally we have no objections to) the sound is very loud. We cannot sit quietly in our garden and can also hear it loudly inside the house. To have this going on until the early hours of the morning would be unacceptable.</p> <p>There are many houses around the club they would be disturbed by noise from outside music/films.</p> <p>We also feel the sale of alcohol and opening hours applied for are unreasonable. It could create a nuisance with people and cars coming and going at all hours, any day of the week.</p> <p>As far as we know there are no other premises in Street with the opening hours applied for (and many other establishments are not surrounded by houses as the football club is). We feel this is definitely not the right place for the hours applied for.</p> <p>We feel that apart from the occasional fun days, and of course when matches are on, that there should be NO MUSIC / FILMS OUTSIDE.</p> <p>We also feel the opening hours should be much shorter than applied for. Perhaps 11.30 would be a better time given the close proximity to many houses.</p> <p>We feel that if this licence is granted we will end up living next to a venue where music is played and alcohol served every night till the early hours.</p> <p>Whilst we appreciate many people would like to see a venue with these hours, we do not believe that this is the right place. We feel it would be totally unacceptable for families to have to tolerate these conditions.</p> | <p>Noise and late opening hours</p> <p>Noise</p> <p>Noise</p> <p>Late opening hours</p> <p>Late opening hours</p> <p>Noise</p> <p>Late opening hours</p> <p>Late opening hours</p> | |
