Legal Implications

4 The Licensing Authority has a duty to promote the Licensing Objectives in its decision-making process.

These objectives are as follows: -

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

Where a person wishes to carry out licensable activity on an occasional basis or on an extended basis (in the case of where a premises licence or club premises certificate has effect) they may give a TEN to the local council, where it acts as the Licensing Authority.

The format of the form for a TEN is prescribed and an applicant must give not less than 10 clear working days' notice to the Licensing Authority (unless it is a 'Late TEN') and to certain other statutory bodies.

Those bodies then have 3 clear working days from the day following their receipt of the TEN to consider the potential impact(s) of the TEN, and then if they believe that the notification will undermine the promotion of any of the four licensing objectives, they may issue an objection notice to the applicant and the Licensing Authority. Section 105 of the 2003 Act is clear that a licensing authority must hold a hearing to consider any objections from the police or EHA unless all the parties agree that a hearing is not necessary.

If the parties agree that a hearing is not necessary and the licensing authority decides not to give a counter notice on the basis of the objection, it may impose existing conditions on the TEN.

The grounds under the 2003 Act for consideration of this matter by the Licensing Authority are the four licensing objectives.

Decision Making Process

5 The deliberations should be confined to the Police's objection and any representations made at the hearing.

- Give the premises user a counter notice under this section if it considers it appropriate for the promotion of the crime prevention or public safety objectives to do so; or
- Not give a counter notice and allow the licensable activities to go ahead as stated in the notice. In this case the licensing authority must give the premises user and the relevant chief officer of police notice of this decision.

Reasons must be given for any decision the sub-committee makes and parties notified accordingly.

Right of Appeal

- 6** All relevant parties to the decision of the Licensing Authority have the right of appeal to Magistrates Court, in connection with this matter. This must be done within 21 days of being notified in writing of the relevant decision.
