Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

b) The prevention of crime and disorder

- An incident book or electronic copy will be kept at the premises in which will be recorded all incidents of crime and disorder. This book/copy will be reviewed by senior management in association with the Designated Premise Supervisor. This book shall be made available to the Licensing Authority or Avon and Somerset Constabulary upon request.
- A refusals register will be kept at each bar and used on the premises, to record instances where any sale of alcohol and proxy sales to a patron is refused. This will also include refusals to persons who are intoxicated. Records will be kept for a minimum of 12 months and will be made available to the Local Authority, Police and Trading Standards Officers upon request.

c) Public safety

- All staff to be trained in the prevention of underage sales to a level commensurate with their duties. All such training to be updated as necessary, for instance when legislation changes, and should include training on how to deal with difficult customers. The training should be clearly documented and signed and dated by both the trainer and the member of staff receiving it. The documentation shall be available for inspection on request by an authorised officer of the Licensing Authority or a constable.
- The premises must install and maintain a comprehensive CCTV system as per the minimum requirements of Avon and Somerset Constabulary. The CCTV system must record at all times when the premises are open for licensable activities and while customers remain within the immediate vicinity of the premises. The correct time and date must be generated on all recordings. CCTV recordings must be retained for a minimum period of 31 days and copies will be made available, on request, to the police. If the CCTV is inoperative or faulty for any reason, steps must be taken to repair or replace the equipment within 24 hours. A staff member from the premises, who is conversant with the operation of the CCTV system, must be on the premises at all times when the premises are open to the public. This staff member must be able to provide police with recent data or footage with the absolute minimum of delay when requested.

d) The prevention of public nuisance

- Doors and windows will be kept closed for indoor regulated activities taking place after 23:00.
- The Premises Licence holder or a nominated deputy, shall take all reasonable steps to effect full control over all noise sources arising from the premises having particular regard to amplified and non-amplified music. The Premises Licence holder or a nominated deputy shall, where necessary, arrange for the volume of any music to be reduced or the playing ceased if, in the opinion of the Licensing Authority, reasonable cause for annoyance is likely to arise or is occurring. The Premises Licence holder shall ensure that at least one such responsible person be available on the premises at all times (contactable by Officers of the Licensing Authority), whilst members of the public remain on the premises.
- Noise from music and entertainment events shall not be audible within any noise sensitive premises at any time

e) The protection of children from harm

- An approved proof of age scheme shall be adopted, implemented and advertised within the premise such as 'Challenge 25' whereby an accepted form of photographic identification shall be requested before any alcohol is sold to any person who appears to be under 25 years of age. Acceptable proof of age shall include identification bearing the customers photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport, or other forms identified by the Home Office.
- (b) Publicity materials notifying customers of the operation of the Challenge 25 scheme shall be displayed at the premises.

 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
